# Farm & Ranch

## Some things are disappointing to follow

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

There are lots of changes going on in

the United States. And if I told you I like what I see, then I would be lying to you.

Our national media is an absolute joke. The news is what they want to cram down your throat and tell you that you should believe, "We as a Nation." We are getting further away from God all the time. I don't like to

think negative but the truth is the truth. I am disappointed we never had a group come forward in a big way to combat the monopoly in the cattle packing industry. The other thing in our area this past week is we have lost several men with COVID-19. Most of them were 70 years old and most either had a previous health problem or were a little overweight.

Quite a few people are taking Ivermectin for COVID. Some after they have gotten COVID and some are taking it for prevention. Do not take my word for that. That is

something you need to check out and see what is best for you. I do know some swear by it and some are prescribing it.

On Tuesday, feeder cattle futures were up some with grains being a little cheaper. I know the farmers need more and cattlemen need for it to not get much higher or the cost of gains go up and feeders have to get cheaper unless they assume fat cattle will get higher.

A man told me today that financial stress can cause weakness. Well, no wonder I can hardly lift a sack of feed. Then he said the only way to find

out who is swimming naked is wait to watch when the tide goes out. I knew I enjoyed the beach last summer.

Here are some of my dad's quotes to me while I was growing up that I can remember.

"Well, let's do something, even if it's wrong." I wonder what he said when I did it wrong.

He would say, "If you don't straighten up I'm going to clean your plow." That plow should have been very clean.

And the other thing I remember is he called me Jersey. And I thought it was because my name

started with J. But now I am thinking it is because Jerseys are peaked butted and very plain fine boned. Well, at least he thought I was a bull and not a steer. Well, I guess.

*Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Sapulpa, Oklahoma.*

**Understanding What We Read**

**Contentment**

"Seek ye out of the book of the Lord, and read..." (Isaiah 34:16). What great advice if we will just follow this commandment and obey God's guidebook for mankind. No greater satisfaction and contentment will you ever receive than by following our Creator's words spoken through the Bible. The satisfaction of having money and the things money can buy are often short lived. If we don't set our priorities right, coveting money can cause us problems: "For the love of money is the root of all evil..." (1 Tim. 6:10). If we really want long-term contentment, then following the guidebook God provided us will not only bring great happiness in this present world but eternal life in the kingdom to come. Jesus spoke about a sower sowing seed. The seed being cast out is the Word or God's instruction. When he tells about the seed (word) that was sown among thorns (people), they hear the word but have a different set of priorities that creates a stumbling block. "And the cares of this world, and the deceitfulness of riches, and lust of other things entering in, choke the word, and it becometh unfruitful" (Mark 4:19). To change our natural ways and desires can be one of the hardest things to overcome, but not impossible, if we follow God's word. The keys to escape from our natural tendencies are obedience, faith and trust. To obtain faith requires study: "So then faith cometh by hearing, and hearing by the word of God" (Rom 10:17). To trust in what our instruction book tells us will bring some of the greatest enjoyments out of life that all of the riches in the world cannot buy. The Lord has blessed me with a loving family and especially with a wonderful helper, my wife—these things money cannot buy. "Blessed is the man that trusteth in the Lord..." (Jer 17:7).

## Elk City Child's Death Under Investigation - Suspect Turns Himself In

January 22, 2021 - According to Elk City Police Chief Ed-die Holland, the man wanted in connection with the death of a 2-year-old child has turned himself in to the Beckham County Sheriff's Office.

Authorities say an arrest warrant was issued for 24-year-old Troy Justice Jones of Elk City. Jones was charged with first-degree murder, child abuse late Friday afternoon.

The case began Wednesday night when, according to Hol-land, 911 received a call in reference to a child suffering in-juries to the head due to a fall. Elk City Medical Emergency Ambulance Services were dispatched to a home in the 900 block of Avenue C, where they would immediately transport a 2-year-old male to Great Plains Regional Medical Center. Ambulance personnel would also notify the Elk City Police of the situation.

Chief Holland said after hospital personnel conducted their initial medical assessments of the injuries, they made immedi-ate arrangements for the child to be transported to OU Medical Center in Oklahoma City for further treatment.

Unfortunately, according to the Oklahoma Medical Exam-iners Office, the child would succumb to his injuries Friday morning. Holland said the Medical Examiners Office would conduct an autopsy to determine the official manner of death.

Holland said due to the nature of the incident, Elk City Police Detectives along with Oklahoma State Bureau of Investigation Crime Scene Technicians served a search warrant on the home where the child sustained the fatal injuries.

## Clinton Graduate Appointed to Oklahoma State Board of Education

January 22, 2021 - A Former University of Oklahoma Foot-ball player from Clinton has been picked to sit on the Okla-homa State Board of Education.

According to The Oklahoman, Trent Smith is Gov. Kevin Stitt's pick to represent Congressional District 3 on the board, which oversees all public schools in the state. His term would expire in April 2023.

Smith is the CEO of Accentra Home Health and Hospice. He serves as a commissioner for the Oklahoma Employment Se-curity Commission and is a founder of the education-focused organization Every Kid Counts Oklahoma. Smith said he has resigned from the organization's board.

A graduate of Clinton High School, Smith now lives in Yu-kon with his wife and two children.

Stitt praised Smith's experience as a businessman, communi-ty leader and parent while announcing his appointment Friday.

The state Senate must confirm Smith to the board. Senate President Pro Tempore Greg Treat said Friday he will carry Smith's nomination.

Smith will replace Kurt Bollenbach, whom the governor abruptly removed from the board in December. Bollenbach, of Kingfisher, had fallen out of favor with the governor's of-fice after pushing for an attorney general's opinion on a private school scholarship program.

Stitt first appointed Enid resident Melissa Crabtree to suc-ceed Bollenbach, but after four days of heavy criticism, she requested the governor rescind her appointment.

# PROTEIN TUBS

Hi Pro Protein tubs are a free choice supplement designed for beef cattle on forage diets providing less than 8% protein. The low moisture, cooked molasses products are in a non-returnable plastic container that will enhance intake and utilization of available forages, while reducing labor for producers.

Products: Hi-Pro 25% Tub w/ 5% Fat | Hi-Pro 38% Hi-Energy Tub w/ 12% Fat  
Both available in plastic or bio tub.
