Mother Nature's overbite of cold

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

Cold-cold-cold.
And it covers a huge
area over a big part

of the United States.

With that in mind I'm guessing hay prices have probably jumped \$25 a bale in the past 10 days. On Monday morning I got a call from a customer who said he was running out of hay and wondered if we were having our feeder sale on Thursday. I told him we were having our feeder sale but our cow sale on Tuesday would be closed but opened back up Feb.

23. I'm quite sure all of you love the cold but guess what, I do not. You are right. I am a wimp and if you are just now figuring that out you are very slow.

I just traded in my pickup that I drive for good. No, I didn't buy a brand new one just in case my banker reads this. The reason I traded it was it started making a little noise down by front right tire and I already had another little problem. So being the mechanic I am I looked underneath and wasn't dragging anything so I kept driving toward the car dealer.

I'm guessing there will be a few open cows—that is if they calved in the

last few days. I have a different number ear tag for each cow but if my hired hands are like I am its probably too cold to get out try to read the number.

With wheat prices climbing this past month or two, I imagine there will be a lot more wheat harvest than expected when they planted it. With that in mind these March feeder runs could be large for a while.

A friend of just texted me and said, "Did I leave my wallet in your truck?" I said, "I will look. Do you know where it might be?" I said, "I know it is never in your back pocket when it's time to pay."

I was shocked,

confused and bewildered as I entered Heaven's door. Not by the beauty of it all nor the lights of its décor. But it was the folks in Heaven who made me sputter and gasp. The thieves, the liars and the alcoholics. There stood the kid from seventh-grade who stole my lunch money twice. Next to him was my old neighbor who never said anything nice.

Bob, who I always thought would be rotting in hell was sitting pretty on Cloud Nine looking incredibly well. I nudged Jesus—what's the deal? I would love to hear your take. How'd all these sinners get up there? God must have made a

mistake and why is everyone so quiet? So somber, give me a clue. "Hush," he said. "They're all in shock. No one thought they'd be seeing you.

Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

The Green Pages

Welcome to Oklahoma's Cannabis Connection, The GREEN PAGES - your gateway for Medical Cannabis Resources and Services across Oklahoma! We are here to bring all aspects of Medical Cannabis together to better serve our growing number of Oklahoma patients!

WHAT IS CBG?

Cannabigerol (CBG) is a type of cannabinoid obtained from the cannabis plant. It's often referred to as the mother of all cannabinoids. This is because other cannabinoids are derived from cannabigerolic acid (CBGA), an acidic form of CBG. CBG is growing in popularity as a result of the host of potential benefits the cannabinoid has to offer, including pain management and relaxation.

Life So Good, LLC is a licensed industrial hemp grower in NW Oklahoma, specializing in growing high CBG strains. They also offer CBG flower and trimmings for smoking and to use in edibles. Call for pricing and availability.

Sayre Woman’s Bullet Grazes Man’s Head

February 22, 2021 - A Sayre woman is in jail after allegedly shooting her boyfriend in the head.

Luckily the victim survived the shooting.

According to a probable cause affidavit, 57-year-old Linda Fae Ellington was arrested on February 16 after police were dispatched to the home Ellington shared with the victim. In fact, it was Ellington who called police and told them that she had shot her boyfriend because they had been arguing and he was coming after her.

When police arrived, Ellington met the authorities outside with a pistol. She was ordered to put the gun down, and after doing so, was quickly detained while authorities searched the home. There, police would find the victim laying face down on a couch, still breathing. The officer was able to communicate with the man where he would tell the officer that he had been shot in the head. After further inspection, the officer was able to determine that the victim had been grazed on the left side of his head.

Ellington was arrested and transported to the Beckham County Detention Center. There Ellington would tell police that she, along with the victim, had allegedly consumed methamphetamine the night before the incident. However when asked about the incident, she requested an attorney and the interview was stopped.

While speaking with the victim, he would tell police that the two had indeed gotten into a verbal argument the night before, and he had told the woman that he wanted to end the relationship, and said he was leaving the next morning. He would tell police that the next morning Ellington had confronted the victim with a pistol, shot once into the floor, and twice at the victim – with the third round grazing the victims head.

Ellington was booked into the detention center and later charged in Beckham County with one felony count of shooting with intent to kill.

Bond was set for Ellington at \$200,000.

Her next court date is scheduled for March 8.

Sayre Man Hits Another with Bat – Receives Felony Charge

February 18, 2021 - A Sayre man was arrested and charged with a felony recently after allegedly hitting another man with a baseball bat.

According to a probable cause affidavit, 37-year-old David Wayne Ireland was arrested February 8 in Sayre after an investigation showed that Ireland allegedly hit the victim with the bat on his left shoulder.

During an interview, the victim told police that while walking to his home, he noticed a white suburban parked at a convenience store with the windshield covered. He stated that he kept walking and then noticed that the suburban flashed it’s lights at him. That’s when he went across the street to see if the occupants of the vehicle needed assistance. He told police when he got to the suburban the driver’s side door opened and Ireland got out of the vehicle and began yelling at him, calling him a peeping tom and a pedophile. That’s when Ireland allegedly stuck the victim with the bat.

A witness, who happened to be an off-duty police officer with the Hollis Police Department, would tell Sayre police that he too would notice the vehicle with it’s hazard lights on and inquired with Ireland if he was in distress. He stated that Ireland mentioned that he was upset that the victim was not arrested for violating his protective order. The witness also stated that Ireland told him that he had struck the victim with the bat, and that the victim had ran from the scene. Ireland told the witness that he chased the victim while yelling “peeping tom”.

The affidavit would reveal that there was indeed a protective order, however it read that the victim was not to contact Ireland at a Sayre grocery store, or at the grocery store’s meat market.

Police were also informed by dispatch that Ireland had allegedly made a statement on social media, stating the he had struck the victim in the head with a baseball bat.

Ireland received a felony count of assault and / or battery with a dangerous weapon.

His next court date is scheduled for March 8.

Understanding What We Read

FOR STUDENTS OF THE BIBLE

(continued) This is life eternal, that they may know You, the only true God, and Jesus Christ whom You have sent". Here is more verses that have always meant a lot to me... Matthew 11:28-30 "Come to Me, all who are weary and heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and humble in heart, and YOU WILL FIND REST FOR YOUR SOULS. For My yoke is easy and My burden is light." When we learn more of Jesus, then the more we try (or should try) to imitate him. I learned so many things of Him. I learned of his compassion toward people, I learned that he has a love for people like no other. I came to a point that I did not want just to know about Him, but I wanted to know him, for who he really is. I wanted to know more of love and his compassion. I not only wanted to know more of him I wanted to be more like him. Have I reached that point yet? Just when I think I might have, I see myself coming short, and then I hang my head down in shame at times and ask the Lord Jesus to please forgive me. Not only do we learn of his compassion and his love just listen what he commands of us who name the name of Christ in John 13:34-35 "A new commandment I give unto you, That you love one another as I have loved you, that you love one another. By this shall all men know that ye are my disciples, if ye have love one to another." The key to living in this life is to have Jesus living in our hearts. May God Help us in the days ahead to be more like Our Lord. May there be such a desire to be like Him, that we settle for nothing less. Till next time.
