## Doing what it takes to do right is rarely easy

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

A woman made a special point to call and tell me that she and her family had 10 calves that were very sick. Five of those calves died and they thought the other five were going to die.

After knowing of a lot of people who were taking Ivermectin they decided they would try that on their calves. So they gave 18cc to each calf and within 12 hours they were holding their heads up better and within 48 hours they were out eating wheat. You can be your own judge but I am for trying anything that might work.

It is easy to be thankful if you are getting

your way or what you are asking for in prayer. But it is not that easy if you and your family and friends all pray for something and it seems like it is not happening or taking forever.

Sunday the preacher was talking about people needing a fresh start, particularly through this COVID-19 deal. But getting a fresh start requires you need to be honest with yourself. Sometimes denial is easier than fac-

ing the truth. He said a year from now things will not be the same—it will be better or worse. That could pertain to your finances or even your walk with God. It's not a fair world, the preacher said. He said the assistant preacher has actually come further than he has as he had a bad home life and no role models but it's not where you start in life it's where you end up.

Do not be mad

at lazy people. They haven't done anything.

I finally got over my addiction. It took several years. I was addicted to chocolate marshmallows and nuts. I won't lie—it was a rocky road.

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies than their babies became adults and so on." The child then went to his mother and asked her

the same question and she told him, "We were monkeys then we evolved to become like we are now."

The child ran back to his father and said, "You lied to me!" His father replied,

"No, your mom was talking about her side of the family."

*Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Sapulpa, Oklahoma.*

**(DWC) DEEP WATER CULTURE STYLE GROW**  
We pride ourselves on a quality hydroponic grow process which ensure proper nutrients to our plants.

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

**FEATURED STRAIN OF THE MONTH!**

**STORM CHASER**

Storm Chaser is an indica leaning hybrid cross of Skywalker - Kasher Chem - Zookies that offers a sweet grape like aroma, with heavy earth undertones. I got this strain from my friends at Red Rock Remedies out of Guthrie. The buds were fluffy, light green with hints of purple and light orange pistils, very sticky but broke down decently well and smoked slowly thanks to it! The taste matched the smell pretty accurately, but also offered a clean, almost purified note. I did notice this flower gave me the munchies pretty bad, but then I slept like a baby so I highly recommend for that (lol), migraines or headaches, anxiety and depression. - reviewed by Jonell, Best Buds

## Two Sayre Teens Involved in Beckham County Weekend Accident

April 19, 2021 - A two vehicle accident west of Elk City has put two people in the hospital.

According to the Oklahoma Highway Patrol, the accident occurred on State Highway 6, 4 miles west of Elk City in Beckham County on Saturday night when, while traveling eastbound, the 2018 Chevrolet Equinox driven by 18-year-old Karly Bryce Easter of Sayre attempted to turn left onto a county road but was struck by the 2013 Nissan Altima driven by 38-year-old Susan Jane Davidson of Mangum.

The collision caused the Equinox to roll a quarter time, ejecting a passenger, 18-year old Courtney Stallings of Sayre. Stallings was transported by Elk City EMS to Great Plains Regional Medical Center and admitted in stable condition with trunk internal and leg injuries. The driver, Easter, was treated and released at the hospital with a hand injury.

Davidson was air lifted to OU Medical Center in Oklahoma City where she was admitted in stable condition with trunk internal injuries.

## UPDATE: Arizona Woman Receives Child Neglect Charge After Beckham County Pursuit

April 19, 2021 - More details released surrounding the arrest of an Arizona woman who led multiple agencies on a high speed pursuit in Beckham County last week.

According to court documents filed last Wednesday, 25-year-old Jeniffer Maria Jimenez-Vargas of Buckeye, Arizona was arrested on the morning of April 11th and charged with one felony count of endangering others while eluding or attempting to elude police and three counts of child neglect after it was discovered at the end of the pursuit that there were three children in the car.

The probable cause affidavit said that while monitoring east bound traffic on Interstate 40 at mile marker 8, a Beckham County Deputy clocked the suspect's vehicle going 100 miles per hour with his radar gun. The deputy initiated a traffic stop but at the 14 mile marker determined the suspect had no intention in pulling over or slowing down. During the pursuit a lieutenant with the Oklahoma Department of Wildlife joined the chase along with another member of the Beckham County Sheriff's Office.

The report stated that at the 43 mile marker between Elk City and Canute, the vehicle would crash into the cable barriers in the interstate's median. Shortly after the crash the suspect would exit the vehicle, but proceeded to return back to the wrecked car in an attempt to retrieve something. The woman was quickly arrested, and that's when authorities discovered three children were in the car. The youngest, a 1-year-old, was found hanging over the driver's seat with its feet strapped to the car seat that was not attached to anything. The report said two young boys, a 4 and 6-year-old were also found in the back seat. All three children were examined by Elk City EMS and all appeared to be uninjured in the crash. The driver refused treatment at the scene.

Jimenez-Vargas was transported and booked into the Beckham County Jail. Her bond was set at \$100,000.

Her first court date is scheduled for May 24.

## Understanding What We Read

(continued) Let Jesus tell us in Revelation 1:18 “I am he that liveth and was dead, and behold I am alive forevermore and have the keys of death and Hades.” Think about this verse. Can we believe this? Is this something someone just made up? Jesus said “I am He that liveth,” the one that spoke here. Was it not the same one that said “I was dead?” The same one said, “I am alive forevermore.” If He is alive forevermore, then he was the same one that had died. This proves beyond all doubt that He was not the Almighty. Peter had something to say about this being, called Jesus, in Acts 2: 22 “Men of Israel, hear these words: Jesus of Nazareth, a man attested to you by God with mighty works and wonders and signs that God did through him in your midst, as you yourselves know— 23 this Jesus, delivered up according to the definite plan and foreknowledge of God, you crucified and killed by the hands of lawless men. 24 God raised him up, loosing the pangs of death, because it was not possible for him to be held by it. 25 For David says concerning him, “I saw the Lord always before me, for he is at my right hand that I may not be shaken 26 therefore my heart was glad, and my tongue rejoiced; my flesh also will dwell in hope. 27 For you will not abandon my soul to Hades, or let your Holy One see corruption. 28 You have made known to me the paths of life; you will make me full of gladness with your presence.”Until next time may God help us to open our hearts to his word of truth as we study. - By Pastor Wade Church 4911 Horseshoe Bend Road, Hudson, N.C 28638 or wadechurch64@outlook.com https://www.secondadventchristianchurch.com
