Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your
dental appointment.

For many Americans, going to the dentist is a
frightful event. If you are one of the 145 million
people who avoid the dentist due to fear, we
have the solution... Sedation Dentistry.

You can now experience your dental appointment
through a totally relaxed and comfortable environ-
ment. With the help of Sedation Dentistry, you will
wake up to find that your dental appointment is over
and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish
more dentistry in one appointment which means fewer
visits to the dentist.

Sedation Dentistry is available for everything from
simple restoration to the most complex procedures.
We are very sensitive to our patients needs, especial-
ly those with high fear and apprehension. Now we
can put an end to anxiety with this safe and wonderful
technique of sedation.

We are proud to be able to offer Sedation Dentistry
and offer hope to those who have been avoiding the
dentist due to fear. If you would like to know more,
call our team with your questions.

Farm & Ranch

Keep the pressure on over price differences

Something has to be done and it has to be done quick. We need petitions at every sale barn in the United States and every cooperative anywhere the cattlemen and

ranchers do business. Banks as well should have petitions signed to send to every governor, every politician and cattle organizations.

And that petition is about the

ripoff from the meatpackers or retailer. When Choice beef is quoted

at \$315.08 and Select at \$297.16 and the packer paid \$119 to \$120 per hundredweight.

It is worse than a joke. It is a disgrace. So every fat steer or heifer that grades Choice should have brought \$198.50 and Select \$187.21. Then on average those fat cattle should have brought \$192.85. So the packer made \$990.22 per head. If that isn't robbery I don't know what is.

I think it is high time we refuse to sell them anything. Some of you will say, "You can't do that." If you don't, you are history. You might as well go broke making a stance rather than go broke this way.

I am going to send out a letter to every major grocery chain and let them know they are getting cheated also.

I want the National Cattlemen's Beef Association and all 50 states cattle organizations to respond and I will print their response. When is enough enough? Or how much will the packers have to take before producers speak out. The organizations need to be working for us. The beef checkoff should be hollering, too.

I am sick of hearing what many say they are accomplishing for the cattlemen when the packer gets it all. Get mad if you want to get mad. The one you should be mad at is yourself.

Suzie Lee done fell in love and she planned to marry Joe. She was so happy about it all she told her pappy so. Pappy told her, "Suzie gal, you'll have to find another. I don't really want Ma to know but Joe is your half brother."

So Suzie put aside Joe and planned to marry Will. But after telling pappy this, he said, "There's trouble still. You can't marry Will, my gal. And please don't tell your mother, but Will and Joe and several more I know are you half brother."

Suzie said her mother said, "My child just do what makes you happy. Just marry Will or Joe because you ain't kin to pappy."

One rat was talking to another rat and asked him if he had taken the COVID shot yet. And he said, "No, not yet. They are still testing it on humans."

Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Woodward Livestock Auction Report

(DWC) DEEP WATER CULTURE STYLE GROW
We pride ourselves on a quality hydroponic grow process which ensure proper nutrients to our plants.

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

FEATURED STRAIN OF THE MONTH!
DREAM QUEEN
Dream Queen is a hybrid marijuana strain made by crossing Blue Dream with Space Queen. Dream Queen produces effects that will leave you in a euphoric, uplifted state after just a puff or two. This strain hints of pineapple, bubblegum, citrus and menthol. Within minutes of one deep puff off my pipe I felt uplifted, energized, creative (happy) minded and ready to go play in my garden. After a day of one thing after another, another, another, this is exactly what I needed. Thank you RED ROCK REMEDIES for this refreshing, uplifting TOP SHELF medicine!

 **Understanding
What We Read**

THE WICKED

(continued from last week) Was man a soul before or
after the breath of life was administered to him? Did
God create something that he could not destroy? These
are fair questions, and the Bible gives us the answer to
these questions. The Bible has made it clear enough. He
breathed the breath of life into the dust-made creature
lying there and that is the only thing. Anything apart
from that is not found in the Word of God. I want to be
noticeably clear on this, my friend, that not one time in
all of holy writ can you find the terms "Immortal Soul"
or "Undying Soul." After God had breathed the breath of
life into this dust-made being, this same being became a
Living Soul. We find that God put this dust-made being
that became a Living Soul in the Garden of Eden and,
upon doing so, he gave him a command. We think we
could, and be safe, call the command a law. The first
law that God gave to the man, we find in Gen 2:16-17,
"And the Lord God commanded the man, saying of
every tree of the garden thou mayest freely eat: But of
the tree of knowledge of good and evil, thou shalt not
eat of it; for in the day that thou eatest thereof thou shalt
surely die. The Hebrew says, "Dying thou shalt surely
die." God set before Adam the very thing that he sits
before you and me...Life or Death. Here is another verse
I want to give found in Isaiah 38:1, "In those days was
Hezekiah sick unto death. And Isaiah the prophet the
son of Amoz came unto him, and said unto him, Thus
saith the Lord, Set thine house in order: for thou shalt
die, and not live." Till next time, keep studying. By

Local Teens Involved in I-40 Accident

May 24, 2021 - An early Sunday morning crash in Custer County has hospitalized a pair of local teens.

According to an accident report filed by the Oklahoma Highway Patrol, the mishap occurred on at 1:15 Sunday morning, two miles west of Clinton, when the 2007 GMC pick-up driven by 19-year-old Christopher Newcomb of Clinton traveled off the right side of the road after being distracted by a phone. The driver over corrected and then traveled across both eastbound lanes and the center median. The pick-up would strike the cable barrier, which caused the vehicle to become airborne for approximately 20 feet before crossing over the westbound lanes, and began to roll. OHP say the pick-up rolled 3 ¼ times causing the passenger, 19-year-old Elk City resident Mikah Butler, to be ejected 40 feet from the truck.

Both Newcomb and Butler were transported to OU Medical Center in Oklahoma City and admitted with head injuries. They were last listed to be in stable condition.

The OHP report stated that the driver was wearing a seat belt at the time of the crash, however the passenger was not.

Responding to the crash along with the OHP included the Custer County Sheriff's Office, Clinton Police Department, Clinton Fire Department and Sinor EMS.

Masks & Social Distancing No Longer Required at SWOSU

May 24, 2021 - Effective Tuesday (May 25), Southwestern Oklahoma State University will no longer require the use of masks or social distancing on campus locations or at any SWOSU-sponsored activity.

According to a press release issued by the university, anyone who wishes to mask indoors or outdoors may freely do so, and unvaccinated individuals are strongly encouraged to become vaccinated.

SWOSU plans can be adjusted, based on the status of the pandemic, and in accordance with CDC and Oklahoma State Department of Health recommendations. SWOSU will continue protocols for illness reporting and quarantine.

As announced earlier, SWOSU says they look forward a return to more normal operations this 2021 fall semester.

Understanding What We Read

THE WICKED

(continued from last week) Was man a soul before or after the breath of life was administered to him? Did God create something that he could not destroy? These are fair questions, and the Bible gives us the answer to these questions. The Bible has made it clear enough. He breathed the breath of life into the dust-made creature lying there and that is the only thing. Anything apart from that is not found in the Word of God. I want to be noticeably clear on this, my friend, that not one time in all of holy writ can you find the terms “Immortal Soul” or “Undying Soul.” After God had breathed the breath of life into this dust-made being, this same being became a Living Soul. We find that God put this dust-made being that became a Living Soul in the Garden of Eden and, upon doing so, he gave him a command. We think we could, and be safe, call the command a law. The first law that God gave to the man, we find in Gen 2:16-17, “And the Lord God commanded the man, saying of every tree of the garden thou mayest freely eat: But of the tree of knowledge of good and evil, thou shalt not eat of it; for in the day that thou eatest thereof thou shalt surely die. The Hebrew says, “Dying thou shalt surely die.” God set before Adam the very thing that he sits before you and me... Life or Death. Here is another verse I want to give found in Isaiah 38:1, “In those days was Hezekiah sick unto death. And Isaiah the prophet the son of Amoz came unto him, and said unto him, Thus saith the Lord, Set thine house in order: for thou shalt die, and not live.” Till next time, keep studying.
