Being nice is a noble gesture for all

Jerry Nine

I want to challenge all of us to be nicer people. A few decades ago every rancher would help his neighbor work calves and that person would return the favor.

We sometimes come together in a catastrophe but normally we are too busy or too involved with ourselves. It has become a “me” world. I have been going to a Pentecostal church

where they are Blacks, whites, Mexicans and others and no dissention at all. There is a large group that wants to divide America. Figure out who those people and organizations are and stay away from them. Some of them are becoming more rich the more they divide America.

A few years ago everyone I knew respected the flag and prayer. Now we have certain

people who kneel when they play the national anthem. Maybe they should visit with some that come back after serving in the military that have legs amputated or scars mentally that are hard to heal. We are so lucky to live in America and have the freedoms we have and others so spoiled they want to destroy it all.

The cow killing market was extremely good today selling one cow for \$91 per hundred-weight and most of our fleshy cows in the low-to mid-\$80s.

Don’t give up on a better America and don’t give up on a better cattle market where the packer hopefully some day will have to pay what our cattle are worth instead of what they want to pay.

At Dodge City, Kansas, High Plains Journal hosted Cattle U and Trade Show conference. I thought there was some very useful information there. One young couple told us very helpful ways of putting different things on Facebook and other social media that would catch the eye of a city person such as a little kid feeding a calf or even a dog in the picture then after you got their attention you can tell them about how we handle cattle with care and produce a very safe and great product, which is beef.

Two little boys were at a wedding when one asked the other, “How many wives can a man have?” The other boy said, “16—four better, four worse, four richer and four poorer.”

Another man I told that to said, “If he’s got 16 wives, he will definitely be poorer.”

After I got married, on our second anniversary I sent flowers to my wife. I told the florist to write, “Happy anniversary—Year number 2” on the card. When she got home she was not a happy woman. She said, “I appreciated the flowers but I wasn’t exactly pleased with the card that said—Happy Anniversary. You’re number 2.”

Let's Talk About Agriculture

"I actually love putting up hay, especially alfalfa. It's the smell of alfalfa when you're baling it. There's no other smell like it in the world." That's what Jimmy Clark said when asked why he loves agriculture. But his love of ag goes beyond the five senses. "I love the unity of the farming community," Jimmy said. "The way folks help each other out." Jimmy is bringing his love of the land to 96.5FM KECO week-days at noon with his new show, "Today in Agriculture, With Jimmy Clark."

Altosid IGR Mineral Tub

It's a fact! The constant biting of horn flies inflicts excessive stress on cattle. Fly counts can reach up to 2000 flies per animal, taking up to a gallon of blood in a 135-day fly season. Control horn flies all season with Altosid IGR Wind & Rain Mineral Tubs and you will see a difference in your herd. Begin putting Altosid IGR out in the spring. Continue feeding Altosid IGR throughout the summer until 30 days after the first frost to help prevent horn flies.

WIND AND RAIN® STORM® FLY CONTROL MINERAL CONTAINS ALTOSID®

ALTOSID® IGR SOLUTION

Altosid is ingested with cattle's mineral or feed. As they graze, cattle disperse IGR via their manure.

Adult horn flies live 2 to 4 weeks, taking 20 to 30 blood meals per day.

In 1 to 2 days, eggs hatch into larvae. After 3 to 5 days, the larvae molt into pupae.

Altosid breaks the life cycle here, preventing pupae from molting into adults.

Female flies leave the animal for a few seconds to lay eggs in fresh manure less than five minutes old.

Also available in sacks!

(DWC) DEEP WATER CULTURE STYLE GROW
We pride ourselves on a quality hydroponic grow process which ensure proper nutrients to our plants.

Why grow DWC? Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky!! We believe DWC is the best way to grow cannabis.

FEATURED STRAIN OF THE MONTH!

The indica stress relief of this versatile strain makes it a good choice for patients looking for some mental and physical relief. This strain is great for your mind and body! Understanding What We Read

(For students of the Bible)

What Does My Church Teach?

Note :Over the next few weeks we will be studying whom God and Jesus are.

Is God and Jesus the same being? Can a father be his own son? Can a son be his own father?

Paul made it abundantly clear the difference between God the creator of humans and his son Jesus, a human being, born of a woman. 1st Timothy 2: 4 who wants all people to be saved and to come to the knowledge of the truth. 5 For there is one God, and one mediator also between God and mankind, the man Christ Jesus, 6 who gave Himself as a ransom for all, the testimony given at the proper time.

If you are being taught that Jesus is anything more than a man, you are not being taught what Jesus taught of himself. You are not being taught what Paul spoke of Jesus as. Paul taught that Jesus is a man, a human being. It is even more a fact of truth that a son can never be as old as His father. I am reminded of Peter's message on the day of Pentecost in Acts 2: 22 "Men of Israel, listen to these words: Jesus the Nazarene, a Man attested to you by God with miracles and wonders and signs which God performed through Him in your midst, just as you yourselves know— 23 this Man, delivered over by the predetermined plan and foreknowledge of God, you nailed to a cross by the hands of godless men and put Him to death. 24 But God raised Him from the dead, putting an end to the agony of death, since it was impossible for Him to be held in its power. 25 For David says of Him, 'I SAW THE LORD CONTINUALLY BEFORE ME, BECAUSE HE IS AT MY RIGHT HAND, SO THAT I WILL NOT BE SHAKEN. 26 THEREFORE MY HEART WAS GLAD AND MY TONGUE WAS OVERJOYED; MOREOVER MY FLESH ALSO WILL LIVE IN HOPE; 27 FOR YOU WILL NOT ABANDON MY SOUL TO HADES, NOR WILL YOU ALLOW YOUR HOLY ONE TO UNDERGO DECAY. 28 YOU HAVE MADE KNOWN TO ME THE WAYS OF LIFE; YOU WILL MAKE ME FULL OF GLADNESS WITH YOUR PRESENCE.' 29 Brothers, I may confidently say to you regarding the patriarch David that he both died and was buried, and his tomb is with us to this day. 30 So because he was a prophet and knew that God had sworn to him with an oath to seat one of his descendants on his throne, 31 he looked ahead and spoke of the resurrection of the Christ, that He was neither abandoned to Hades, nor did His flesh suffer decay. 32 It is this Jesus whom God raised up, a fact to which we are all witnesses. 33 Therefore, since He has been exalted at the right hand of God, and has received the promise of the Holy Spirit from the Father, He has poured out this which you both see and hear. 34 For it was not David who ascended into heaven, but he himself says: 'THE LORD SAID TO MY LORD, "SIT AT MY RIGHT HAND, 35 UNTIL I MAKE YOUR ENEMIES A FOOTSTOOL FOR YOUR FEET."' 36 Therefore let all the house of Israel know for certain that God has made Him both Lord and Christ—this Jesus whom you crucified.'" Let me read this from the from the KJV 22 Ye men of Israel, hear these words; Jesus of Nazareth, a man approved of God among you by miracles and wonders and signs, which God did by him in the midst of you, as ye yourselves also know:.....(to be continued)

Fatal 4-Vehicle Accident in East Texas Panhandle

August 9, 2021 - Two men have died after a four-vehicle crash Sunday evening, west of Pampa, Texas in Gray County.

According to the Texas Department of Public Safety, at around 5 p.m. a 2009 Chevrolet Avalanche and three Harley Davidson motorcycles were traveling on opposing sides of SH 152, two miles west of Pampa.

DPS says the Chevrolet was eastbound on SH 152 when it crossed over the center stripe onto the wrong side of the road, hitting all three westbound motorcycles.

59-year-old Kevin Anderson of Stinnett, Texas was pronounced dead on the scene. 48-year-old Greg Rhoden of Fritch, Texas was taken to a local hospital where he later died from his injuries. The driver and passenger of the third motorcycle were both taken to a local hospital with serious injuries, both last listed to be in critical condition. The driver of the Chevrolet was also hospitalized with serious injuries.

According to the DPS report, no motorcycle driver or passenger involved was wearing a helmet at the time of the incident. The crash is still under investigation

Couple Found With Stolen Car – Possibly Planned to Impersonate Law Enforcement

August 5, 2021 - A couple from Texas were arrested in Beckham County recently after being found to be in possession of a stolen vehicle.

According to a probable cause affidavit, Anthony Alan Scheetz along with Bree Nicole McDaniel, both from Burleson, Texas, were arrested on July 24 by a trooper with the Oklahoma Highway Patrol after the trooper found the couple in a vehicle stopped on the eastbound off ramp of Interstate 40 near mile marker 26.

While assessing the situation the trooper would discover drug paraphernalia, methamphetamine, a loaded pistol and a loaded rifle inside the car. The trooper would also find a ticket book from Comanche County that is commonly used by law enforcement inside the vehicle, along with a working light bar with red and blue lights.

While running the tag, the trooper discovered that the vehicle was indeed stolen.

After communicating with officials from Comanche County, the trooper was advised that the ticket book was reported stolen from Elgin, and that the car had been reported stolen out of Comanche County as well.

The trooper also inquired about any possible reports of individuals attempting to impersonate law enforcement, but Comanche County had no reports of such actions.

Both Scheetz and McDaniel were arrested and booked into the Beckham County Jail.

Scheetz received two felony charges of possession of a firearm during the commission of a felony, one felony count of possession of a stolen vehicle and one count of possession of a controlled dangerous substance.

McDaniel received one count of possession of a controlled dangerous substance.

Lankford Stops Biden from Releasing Migrants in Western Oklahoma

August 9, 2021 - It was announced on Saturday that Senator James Lankford (R-OK) successfully blocked President Biden’s Immigration and Customs Enforcement (ICE) office from opening a “surge overflow temporary facility” at the Great Plains Correctional Institution in Hinton, that would have been used to process migrants who crossed the border illegally and release them into Western Oklahoma.

The announcement from Lankford’s office came some twenty-four hours after the senator spoke on the Senate floor and contacted Department of Homeland Security leadership directly with his strong objection.

“As recently as today, I learned that ICE is currently looking at a facility in western Oklahoma to do what they are calling a surge overflow temporary facility. That surge overflow temporary facility they are looking to open in western Oklahoma to move people from the border, process them in western Oklahoma, and then release them from western Oklahoma. It is not an unfair question for me to ask, what is this facility? What is its purpose? And will individuals that are not legally present in the country be released in western Oklahoma?”

Lankford went on to say similar practices of moving migrants to facilities in Arizona have taken place.

DHS announced they would not transfer people illegally crossing into the United States to Hinton for release.
