## Altosid IGR Mineral Tub

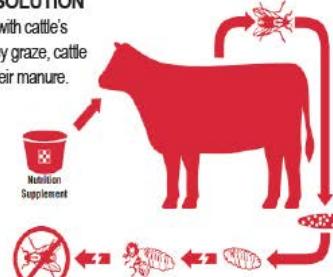

It's a fact! The constant biting of horn flies inflicts excessive stress on cattle. Fly counts can reach up to 2000 flies per animal, taking up to a gallon of blood in a 135-day fly season. Control horn flies all season with Altosid IGR Wind & Rain Mineral Tub and you will see a difference in your heard. Begin putting Altosid IGR out in the spring. Continue feeding Altosid IGR throughout the summer until 30 days after the first frost to help prevent horn flies.

### WIND AND RAIN® STORM® FLY CONTROL MINERAL CONTAINS ALTOSID®

#### ALTOSID® IGR SOLUTION

Altosid is ingested with cattle's mineral or feed. As they graze, cattle disperse IGR via their manure.

Adult horn flies live 2 to 4 weeks, taking 20 to 30 blood meals per day.

In 1 to 2 days, eggs hatch into larvae. After 3 to 5 days, the larvae molt into pupae.

Altosid breaks the life cycle here, preventing pupae from molting into adults.

Female flies leave the animal for a few seconds to lay eggs in fresh manure less than five minutes old.

Also available in sacks!

## Scammers seem to be out in force

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

I received a text the other day from a cattle customer whom I have done a lot of business with. And it had this person's combine in the background so being a farmer seemed natural.

The text said, "Hey, Jerry, have you received any money from the program the government has that

is to help for economic losses, hardships or any natural disaster?"

I replied, "I'm not for sure. My secretary has helped me fill out some things for different COVID losses but I'm not sure. I would have to ask her." He replied that he

## Woodward Livestock Auction

900 Lakeview Dr, Woodward, OK | Jerry Nine 800.442.5548

got \$50,000 and he wouldn't be surprised if I could get \$150,000 and it is a grant. He said, "Have they not contacted you yet?" Well, to me that sounded possibly a little odd. And within two minutes he said, "Have you done it yet?" I said, "You seem awfully pushy." He said, "I just want you to get this." So it sounded more pushy. He texted me again and I said, "I am busy." The next day I see where the customer posted on Facebook that he had been hacked. Ridiculous! If anything sounds fishy at all it probably is.

I don't like to concentrate on the negative but I do not like what I see in the United States today. First of all, if we don't learn anything from COVID than it proves we don't care. Have you tried to order anything? Perhaps like a motor for a pickup or even a new pickup? The list goes on and on. Figure it out. America needs to build as much stuff as we can in America.

You may say, "But they can build it cheaper." That is not hard to figure out. Put a tariff on all imported stuff where it is a little higher than U.S. made items. That should not be hard for the government to figure out since they are the inventors of tax or do they not want to tax foreigners—just Americans.

A friend asked me this morning if I thought Johnson grass would hurt his cows if he turned them in to a pasture that had a lot of it. I like to tease this friend anyway so I said, "No, I do not think it will hurt. Just have your cows full when you turn them in and then be sure and put a log chain on the pack of your pickup in case they don't want to die where you want."

Our country is pretty screwed up when some people do not think you should have to show your ID to vote but now it is necessary to show if you have had the vaccine for COVID.

*Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near St-apout, Oklahoma.*

**WHITE DENTAL CARE**

**Drs. Mori & Teri White, DDS**

**Sedation Dentistry Calms Fears...**  
Take a *pill* and *snooze* through your dental appointment.

**F**or many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

**(DWC) DEEP WATER CULTURE STYLE GROW**  
We pride ourselves on a quality hydroponic grow process which ensure proper nutrients to our plants.

**Why grow DWC?** Faster growth - Plants grown in deep water culture intake more oxygen directly from the air than from the oxygen dissolved in water. DWC allows the roots to absorb large quantities of oxygen also allowing the intake of balanced nutrients. This leads to accelerated growth throughout the plant's life, bringing quality medical cannabis to the patients quicker. In DWC, growers have control over nutrients, which means growers can fix nutrient problems quickly. DWC growers are also least likely to have their garden attacked by bugs or pests (though it's definitely still possible). Therefore, it reduces the need for pesticides, allowing us to keep your medicine clean and sticky! We believe DWC is the best way to grow cannabis.

## Jury Trial Scheduled For Shooting Suspect

August 23, 2021 - After pleading not guilty to charges that include assault and battery with a dangerous weapon after shooting a man last October, a jury trial has been set for a former SWOSU student in December.

According to court records, 20-year-old Kingsley Ehigie Ehiemua will face a Custer County jury on December 7 after being charged of shooting a fellow SWOSU student last fall.

Ehiemua pleaded not guilty to not only the assault and battery charge, but also a first degree robbery charge and conspiracy to commit robbery during his arraignment on August 9.

It was revealed during a preliminary hearing earlier this year that the shooting victim – who testified to the court – was shot once in the back, once in the shoulder, and once in the arm after a drug deal turned into an armed robbery. He would testify that he was able to identify the suspect based on a picture he saw of Ehiemua on Facebook.

Another suspect who accompanied Ehiemua to the drug deal, identified as being Damien Creshaud Davis, has been charged in the crime with attempted robbery in the first degree, assault with a dangerous weapon and conspiracy. A warrant for arrest for Davis was issued last November, however as of press time the suspect remains at large.

## Latest Census Numbers Are In

August 23, 2021 - Official numbers from the 2020 Census are in with noticeable changes to western Oklahoma's biggest communities.

The numbers were revealed during the latest meeting of the Elk City Commission by city financial adviser Russ Meacham of R.S. Meacham CPAs before he gave the Commission the latest financial report for the city. Meacham said Elk City's population is slightly down, but not by much.

"In 2020 here in Elk City was down 132 from the 2010 Census, to 11,561. Weatherford is 12,076, Woodward is 12,133, and Clinton is 8,521."

Meacham said the Census numbers show that Weatherford gained nearly 1,200 in population numbers over the 10 year period while Clinton lost 500.

County by county numbers throughout the state show that locally Beckham County's population was up 1.3%, Custer County was up 3.8%, while Washita County was down 6.1% and Roger Mills was down 5.6%.

The county with the biggest population drop in the last 10 years was Caddo County, which was down -26.9%.

## Burns Flat Man Accused of Stabbing – Charged in Beckham Co.

August 18, 2021 - A Burns Flat man is in the Beckham County Jail after allegedly stabbing another man in the neck.

According to the probable cause affidavit, 62-year-old Joe Lynn Payne was arrested on August 13 when police were contacted to investigate the stabbing that occurred at a home in the 200 block of Sycamore Avenue in Elk City. When police arrived they discovered that a male subject had been taken to Great Plains Regional Medical Center for a severe laceration to the neck and head area. Police were told that the subject allegedly responsible for the injury, Payne, had left the scene and was possible on his way to his Burns Flat home. Police were notified a short time later that Payne was apprehended and detained by the Oklahoma Highway Patrol.

An investigation revealed the incident occurred at the home that was owned by Payne's son who was having a birthday party with family and friends. The homeowner and Payne allegedly got into a verbal argument that turned physical inside the home – in the living room area. Multiple witnesses would tell police that Payne would threaten the son as he was exiting the home, and that the physical altercation would then continue in the front yard.

Payne would tell police that he would retrieve a pocket knife with the intention of hitting his son on the head with it. He would say before he could do that, a family friend would tackle Payne to the ground. Payne claimed that his knife opened as he hit the ground and that he "snapped pretty quick" after being embarrassed that his son had beat him up.

A witness would tell police that they saw Payne make an upward motion with the knife onto the friend's neck – which resulted in the injury.

Payne was charged on August 17 (Tuesday) with one count of assault with intent to commit a felony, and one count of assault and battery by force likely to produce death.

He is currently being held without bond in the Beckham County Jail.

As of press time, an initial court date has not been scheduled.

### Understanding What We Read

(For students of the Bible)

What Does My Church Teach?

(continued study of whom God and Jesus are Acts 2:22) Acts 2:9-35 (Phillips) "Men and brother-Jews, I can surely speak freely to you about the patriarch David. There is no doubt that he died and was buried, and his grave is here among us to this day. But while he was alive he was a prophet. He knew that God had given him a most solemn promise that he would place one of his descendants upon his throne. He foresaw the resurrection of Christ, and it is this of which he is speaking. Christ was not deserted in death and his body was never destroyed. 'Christ is the man Jesus, whom God raised up—a fact of which all of us are eye-witnesses!' He has been raised to the right hand of God; he has received from the Father and poured out upon us the promised Holy Spirit—that is what you now see and hear! David never ascended to Heaven, but he certainly said, 'The Lord said to my Lord, Sit at my right hand, till I make your enemies your footstool'. 36 "Now therefore the whole nation of Israel must know beyond the shadow of a doubt that this Jesus, whom you crucified, God has declared to be both Lord and Christ." We can now see that Jesus is the one who paid the price for sin was no longer dead God raised him from the dead. Why? Because Jesus died. In fact, Jesus declares so in Revelation 1:18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. Let me at this time ask you this question are you being taught this in the church where you go? To make Jesus any more than what he is proves that one has no clue who Jesus really is. Did you know that Jesus is the only one who has immortality? Listen again as Paul speaks to us from 1st Timothy 6:13-16 13 I give thee charge in the sight of God, who quickeneth all things, and before Christ Jesus, who before Pontius Pilate witnessed a good confession. 14 That thou keep this commandment without spot, unrebutable, until the appearing of our Lord Jesus Christ: 15 Which in his times he shall shew, who is the blessed and only Potentate, the King of kings, and Lord of Lords; 16 Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honor and power everlasting. Amen. Who is this one that only has immortality? It is none other than the one who was a human being that died for our sins and is at this time seated in the light of the Only wise immortal and eternal God and thus since Jesus dwells in this light which no one can approach but Him at this time proves beyond all doubt that Jesus is not God as the theologians would have you to believe.
