WHITE DENTAL CARE

Dr. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Understanding What We Read

FOR STUDENTS OF THE BIBLE

WHAT SHALL BE THE SIGN OF THY COMING AND THE END OF THE WORLD? This question was asked by the disciples of Jesus. What they knew and believed by his teaching and instruction was, **THIS WORLD WILL END.** "The world shall see the Son of Man (Jesus) coming in the clouds of heaven with power and great glory" (Math24:30).

According to the Bible, he will be visible to all; even the blind will have their vision restored." Every Eye Shall See Him" (Rev 1:7) But believing this the disciples wanted to know what sign would be given. The first advice he gave them was, **"TAKE HEED THAT KNOW MAN DECEIVE YOU"** (Math 24:4) This is the most ignored command ever given to man (To take heed, we must Prove all things). Jesus not only gave a sign, but he gave signs covering events from that date (33AD) until the final end. Many deceivers shall come. Now history. The inhabitants of Jerusalem scattered. History (Math 24:16). Wars and rumors of war. But the end is not yet. When wars are rumored or being waged the end is not yet. The end will not be until these rumors are no more. But take heed, just before his return this cry will go out: "For when they (World Leaders) shall say peace and safety than sudden destruction cometh upon them" (1st Thes 5:3) The stage is being set for this day of tranquility as Jesus has foretold. "As was in the days of Noah were, so shall also the coming of the Son of man be" (Math 24). In the days before the flood they were eating and drinking, marrying, normal daily activities; and then flood came and took them away so shall the coming of the Son of man be.

Killing cow, bull market looks improved

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

The killing cow and bull market was a lot better this week with medium flesh cows that would have brought \$73 last week instead brought \$82 to \$87 this week.

We topped at \$96.50 per hundred-weight on killing cows and \$123.50 per hundredweight on killing bulls. It is an

excellent time to cull those cows you don't like or those big fleshy cows that bring a lot of money.

Even a 1,300-pound cow at \$90 is \$1,170 and it doesn't take a very big calf to bring \$500 and that \$1,670 will buy a lot of nice young pairs.

Last week fat cattle brought \$138 and it will be interesting to see if we get a push this week. I am told they have less meat in storage but let's see what the packer is willing to let us have.

We have so much chaos going on in this world and a lot of it is affecting our business. I am very disgusted with our government on not wanting to produce American oil and gas. It is ridiculous to want a green environment more than you want to help America.

I wish I had the power to do so and I would approve every major pipeline that might help the flow of gas to our country and I would give an extra incentive to drill for gas and oil whether it be on the ocean coast or dry land. Our government is used to giving money away so that shouldn't be a problem.

Oh, and by the way, I had heard California did not want all the electric cars plugged in all at once or it would knock the power out. Wow, I wish some of them would get stranded and see how they would like it then.

A vacuum cleaner guy came by my house yesterday. He came into the house and poured a bucket of dog poop on the rug and said, "If this vacuum cleaner doesn't get every bit of poop out of that rug in the next 15 minutes I will personally eat what is left on the rug."

I said, "OK, but I guess I should have told you earlier that we have not electricity today cause they are working on it."

A husband said to his wife, "There is no spark between us anymore." So she tasered him and said, "I will ask him again when he wakes up."

Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Burns Flat Man Dies After Two Pickup Collision

March 21, 2022 - The Oklahoma Highway Patrol identified the victim of a deadly Friday morning collision in Washita County.

OHP said the collision happened just before 11 a.m. Friday near the intersection of State Highway 152 at North 2190 Road, three miles east of Dill City.

According to OHP, a 1999 Ford F150 traveling westbound on State Highway 152 crossed the center line and collided with a 2014 Ford F150 traveling eastbound.

The driver of the 1999 Ford F150 has been identified as 40-year-old Steven Patton of Burns Flat. Patton was pronounced dead at the scene.

The driver of the 2014 Ford F150 was transported to OU Medical Center with multiple injuries.

OHP said the condition of the victim, and the cause of the collision are both under investigation.

The intersection was reopened shortly after 12:30 p.m.

UPDATE: High Speed Chase Suspect Wanted out of New Mexico

March 17, 2022 - More details released regarding a high speed chase on Tuesday morning throughout Beckham County.

As a result, 23-year-old Brianna Garcia, a fugitive wanted out of Albuquerque, New Mexico was arrested.

According to Elk City Police Chief Eddie Holland, Beckham County Sheriff's Deputies noticed a suspicious vehicle parked in a secluded area near Sayre, occupied by a female in the drivers seat. Shortly after making contact with the driver, she would allegedly put the vehicle in drive and began to lead authorities on a high speed pursuit through a Sayre neighborhood, eastbound on the westbound lanes of I-40, through city streets in Elk City, before being disabled by troopers with the Oklahoma Highway Patrol on the South Main Street I-40 eastbound on-ramp.

Authorities would discover that the vehicle was reported stolen out of New Mexico, and that the female driver had a weapons related felony warrant and was known to have a gun.

Police would later discover that Garcia was an alleged serial shoplifter, whose method of operation was filling a basket full of merchandise, pull out a gun, and at times would fire shots while she fled the store.

It was also noted that in one incident, Garcia allegedly drug a police officer by her car.

Elk City Police, Sayre Police, the Beckham County Sheriff's Department along with the Oklahoma Highway Patrol all assisted in the chase.

No other cars were involved. Charges for Garcia in Beckham County District Court are pending.

Amber Alert Leads To Arrest of Arkansas Man Near Elk City

March 18, 2022 - An Amber Alert that originated in Arkansas, led to the arrest of a suspect near Elk City after a high speed pursuit that originated near Shawnee.

According to the Elk City Police Department, 23-year-old Enajee Moore was arrested early Friday morning after ECPD received a be on the lookout for the suspect's car for a non-custodial kidnapping of a 2-year-old female from the Conway, Arkansas Police Department. The information authorities received claimed that Moore was possibly armed, and heading to Las Vegas, Nevada.

Reports said that troopers with the Oklahoma Highway Patrol spotted a vehicle that matched the description of the wanted car near Shawnee.

The suspect vehicle had been contacted by multiple agencies throughout the state including the Oklahoma City Police Department however the agencies were forced to terminate the pursuit because of the unsafe manner in which the suspect was operating the motor vehicle.

Later in the morning, Elk City Police were advised that officers with the Clinton Police Department were in pursuit of the vehicle and would be west bound on I-40 at speeds approaching 130 miles per hour. ECPD officers and OHP troopers deployed stop sticks near the 38 mile marker, which resulted in the vehicle's tires being deflated - however the suspect refused to stop despite the vehicle being disabled.

Eventually ECPD would perform a TVI maneuver on the vehicle, allowing officers to swarm the vehicle and take Moore into custody without incident.

The two-year-old was unharmed and safely taken into the custody of the Department of Human Services to be reunited with her family.

For a complete list of items please visit our website as items are added daily.

LAND AUCTION
Wednesday, April 27th 10 a.m.

Auction Location: Mutual Community Building, Mutual OK

Property Driving Directions: County Road 56 & NS 220 (Lenora Blacktop) off Highway 270 From Woodward Travel 22 miles SE on Hwy 270 then one mile south on County Road EW55. From Mutual Travel 5 miles east on Blacktop CR 54 and 2 miles south on Blacktop CR 220.

This is a good 160± acres of land, starting with good five wire fences. There are 118± acres of cropland with the balance in native grass, trees and a pond. There are several home sites along blacktop frontage NS220 (Lenora Blacktop) and county road access on the north side as well as the east. The farm ground is fenced separate from the grass and the deer hunting potential is excellent.
