## Rain has changed the mood of many ranchers

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

Most farmers and ranchers were smiling at the sale on May 24 because we finally got some very nice rain across a large area.

It looked like 100 miles to the west of Woodward they only got a half inch. But even Slapout, Oklahoma, received 1.36 inches. That is where I grew up and I thought

we lived in the desert. Closer to Woodward we received just under 2 inches and toward Oklahoma City there was 3 up to 4 1/2 inches..

I get amused at different personalities with farmers. This morning several farmers announced how much rain they had received and they were sure happy. One spoke up and said, “Yeah, but one weatherman said if we don’t get rain now it is going to be a long dry

spell.”

One farmer who is comical said, “You know I was farming in this country for 10 years before I knew that wheat ever made a head.” And if you knew this man you would know what he meant. He would have had enough cattle out there on his wheat that it never got big enough to head out.

A funny story I heard this week about this man who would place his sons out in the crowd to be bidders to make sure his cattle brought enough. One son was 12 years old so when he bid the auctioneer wondered whether he should take his bid since he was so young.

So the auctioneer stopped and said, “Young man, are you sure you are supposed to bid on these cattle?” When he did that this boy hollered out, “Well, they re our cattle so it doesn’t matter anyway.”

A lady asked a friend of mine if he drank beer. He said, “Yes.” She said, “How many do you drink per day?” He replied, “About three.” The lady said, “How much does each beer cost?” He said, “Well, with the tip it cost \$5 each.” She said, “And how long have you been drinking?” He said quite a long time.

She said, “Did you realize that three beers a day equates to \$450 per month?” My friend said that sounded about right.

The lady said, “Did you know if you would have put that money in a savings account that after interest you would have had enough money to buy a plane?” My friend said, “Ma’am do you drink beer?” She said, “No, absolutely not.” He said, “Then where’s your dang plane?”

*Editor’s note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.*

**Sedation Dentistry Calms Fears...**  
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

## Memorial Day Accident Claims Life of Pampa, TX Woman

May 31, 2022 - Texas Department of Public Safety officials said a woman died after a wreck near Pampa Monday night.

At 6:25 p.m., officials said a 2021 GMC Sierra was west on State Highway 152 about three miles west of Pampa.

For an unknown reason, a 2002 Chevrolet Trailblazer traveling east crossed over the center stripe and traveled into the westbound lane in the path of the GMC Sierra.

The driver of the Sierra, 63-year-old Michael Lugar of Orange Park, Florida, was unable to avoid a collision and crashed head-on with the other vehicle.

Lugar’s vehicle came to rest on its wheels in a field northwest of the roadway.

The Chevrolet Trailblazer, driven by 28-year-old Kristen Knoop of Pampa, came to rest on its top in the westbound lane. Knoop was pronounced dead on scene.

Lugar was transported to Pampa Regional Medical Plaza with non-life threatening injuries and is in stable condition.

## Sayre Man Sentenced to Life in Prison

May 27, 2022 - A Sayre man has been sentenced to life in prison for the death of a one-year-old.

The Oklahoma State Bureau of Investigation said 31-year-old Taylor Dale Lambert has been sentenced to life in prison for the death of a one-year-old back in November of 2020.

On November 14, the Sayre Police Department asked OSBI for assistance in the investigation of the suspicious death of the child.

Lambert had called 911 and the child was taken to Great Plains Regional Medical Center in Elk City, where he was later pronounced dead.

Lambert was the boyfriend of the child’s mother at the time of his death.

After OSBI agents conducted an extensive investigation into the death, a felony arrest warrant was issued for Lambert in May 2021. Lambert was convicted of First Degree Murder by a Beckham County Jury on March 31, 2022.

OSBI said Lambert will now be transferred from the Beckham County Jail to the Oklahoma Department of Corrections, where he will serve out his life sentence.
