**WHITE DENTAL CARE**

**Dr. Mori & Teri White, DDS**

**Sedation Dentistry Calms Fears...**  
Take a *pill* and *snooze* through your dental appointment.

**F**or many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.  
You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.  
For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.  
Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.  
We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

## High fuel prices are dragging us all down

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

Regardless of what party affiliation you belong to or whether you could care less about politics it has to concern you when you fill up your vehicle with high gasoline and diesel prices then everything is skyrocketing. And like one employer recently said on television workers have to have higher wages and you can never lower those wages.

So in turn employers let some employees go and try to operate with less even if prices come down.

I don't mind to go a little more green, but in our area green is not that important. To go total green and try to do away with the gas and oil industry would be devastating to our area in the Midwest. I saw the lawyer I have used for years to read contracts and such. I said, "I haven't switched I just haven't had anything going in a long time. I would love some location damages or pipeline

crossings. And I will gladly take wind energy." I am like most in our area I need something to support these manipulated cattle markets.

Democrats feel some should be voicing your opinion to your politicians. I seriously doubt it will help but at least you tried. The other big thing that concerns me is the big push for a one world government system. That is a huge agenda that could change the United States drastically. It is predicted in the Bible that this will happen, but I'd rather postpone it as long as we can.

We need leaders who are for the people, and I am talking about all political parties. Whether Democrat, Republican or independent I want to vote for Christian or at least Christian-thinking people. With all these mass shootings going on, in my opinion, the US. started going downhill when we took prayer out of our schools. Our country was founded on "in God we trust" and that is the reason the U.S. has done well.

I'm not much for lawsuits but I hope the parents of these kids who died in school sue the video game makers that promote evil and I hope they are awarded \$1 billion.

A friend of my oldest sons had gotten very sick last November and doctors couldn't figure out what it was. He almost died but is slowly getting his health back. About a year before he got sick his wife also sued him for divorce. So I texted him a few days ago and said, "How are you doing?" He said, "Well, I'm doing." I said, "That is good at least you are still alive."

He liked to rope before his sickness and is trying to learn it again. I said, "Go out today and rope a cow or a gal." He said most likely it will be a cow. I said, "I don't blame you. It might be less chance for a wreck." And he said, "Shoot, I agree."

*Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

## Woodward Livestock Auction Report

THURSDAY, JUNE 2, 2022

Receipts: 1,830 Last Reported: 1,250 Last Year: 2,597

Compared to last week: Feeder steers 2.00 to 4.00 higher. Feeder heifers steady. Steer and heifer calves mostly steady. Demand was moderate. Quality average.

Supply included: 100% Feeder Cattle (65% Steers, 33% Heifers, 2% Bulls).

Feeder cattle supply over 600 lbs was 90%.

## California Man Hospitalized After Beckham Co. I-40 Accident

June 6, 2022 - A two vehicle accident on Interstate 40 near Sayre Saturday morning shut down the eastbound lanes for over 2 and half hours.

As a result, a California man sustained head injuries that required him to be hospitalized.

According to the Oklahoma Highway Patrol, the accident occurred at approximately 6:04 a.m. near mile marker 27 when the 2021 Freightliner driven by 59-year-old Leroy Childs Junior of Roseville, California departed the road to the left, struck the cable barrier before driving back onto the road and rolling a quarter time – coming to rest on its side.

OHP said the second vehicle, a 2005 Chevrolet Tahoe driven by 38-year-old George Barnes of Amarillo, Texas, would hit the semi after it had rolled. Officials said Barnes along with a passenger were taken to Great Plains Regional Medical Center where they were treated for minor injuries and released a short time later.

The driver of the semi, Childs, was transported to OU Trauma Center in Oklahoma City and admitted in stable condition with head injuries.

As to why the semi drove off the road, OHP said the cause of the accident remains under investigation.

## Rep. Anthony Moore Receives State Regents Distinguished Service Award

June 2, 2022 - SWOSU Press Release - Oklahoma State Representative Anthony Moore (District 57) has received the Distinguished Service Award (2021) from the Oklahoma State Higher Regents of Education (OSHRE).

Moore was recognized and received the award from Southwestern Oklahoma State University (SWOSU) President Dr. Diana “Diane” R. Lovell on behalf of OSRHE during a recent visit to SWOSU Weatherford.

A fifth generation native of Custer County, Moore was raised on his family’s farm. After graduating from Clinton High School, where he won a state championship in golf, Anthony earned a bachelor’s degree from Oklahoma Christian University and a law degree from Oklahoma City University. He worked as a landman in the oil and gas industry prior to returning to Custer County to serve as Assistant District Attorney. Moore is now in private practice with Christensen Law Group. He and his wife, Rachel, have three children, Quinn (8), Karsten (6) and Cohen (2).

A deacon at the Church of Christ, Moore was elected to the Oklahoma House of Representatives in 2020. He serves as Vice Chair of the Committee on Energy & Natural Resources and sits on the Committee on Elections & Ethics. He represents constituents who reside in communities across Beckham, Blaine, Caddo, Canadian, and Custer Counties.

Lovell, along with Weatherford Mayor and SWOSU alumnus Mike Brown, was joined by SWOSU’s academic deans and Cabinet executives in recognizing Moore during the visit. Moore provided attendees with a brief update on the 2022 legislative session.

“Anthony Moore has been a champion for SWOSU and our role as a workforce development engine in western Oklahoma,” said Lovell. “On behalf of Chancellor Allison D. Garrett and the State Regents for Higher Education, I am truly honored to present Representative Anthony Moore with the OSRHE Distinguished Service Award.”

# SEVERE WEATHER COVERAGE

Paragon Communications wants to help keep you safe during Storm Season!

**Ding Ding sounder**

When severe weather rolls into the listening area, you'll hear a soft two-tone combination sounder on KECO & KOOL 94. This means severe weather is threatening, and that we're keeping an eye on it to let you know what's going on.

**So when the weather turns ugly, tune in to KECO 96.5 or KOOL 94.3 for the latest updates!**
