Preliminary Report Released For Plane Crash That Took Weatherford Man’s Life

August 18, 2022 - Federal investigators have released their preliminary report for a fatal plane crash in northwest Iowa that took a Weatherford man’s life back in late July.

According to the National Transportation Safety Board’s report, the crash happened at about 1 p.m. on July 30 and resulted in the death of the plane’s pilot, 45-year-old Brady Neil Penner.

The Monona County Sheriff’s Office has previously reported the aircraft, an Air Tractor AT-502A airplane, was spraying fields near the town of Ute, Iowa before the crash.

The federal report says there were no known witnesses to the accident. But when authorities got to the scene they discovered the plane had crashed on a road located south of Ute.

Investigators noted the field the pilot was spraying was east of the accident and was bordered on three sides by power lines. They also found portions of one of the plane’s wings scattered around the powerlines and north of the wreckage.

The plane caught fire after the crash, further damaging the aircraft. After the site was investigated, the plane was cleared from the road.

This report only contains preliminary information, as the investigation continues details may be changed or added.

Mangum Woman Dies In Two Vehicle Accident In Jackson County

August 22, 2022 - A Mangum woman died over the weekend after being involved in a two vehicle accident in Jackson County.

According to the collision report provided by the Oklahoma Highway Patrol, the accident occurred just before 9 p.m. Saturday night on U.S. Highway 283, two miles north of Blair. Troopers say 82-year-old Doris Kennedy was driving northbound on the highway and collide with a vehicle driving southbound – in the northbound lane.

The report said that both drivers were pinned in their vehicles for roughly 30 minutes before being extraded by the Altus and Blair Fire Departments.

Unfortunately, Kennedy was pronounced dead at the scene.

The other driver was flown to OU Medical Center in Oklahoma City and admitted in fair condition with trunk internal and leg injuries.

The cause of the collision and condition of both drivers is under investigation.

In other traffic news, the west bound lanes of Interstate 40 at mile marker 26 in Beckham County were closed for just under 90 minutes Saturday afternoon.

OHP says traffic was diverted to the shoulder due to a non-injury collision at around 3 p.m.

Sayre Man Charged With Possession Of Child Porn

August 22, 2022 - A Sayre man was arrested and charged recently in Beckham County District Court with one felony count of aggravated possession of child pornography after an investigation revealed the man was allegedly in possession of hundreds of inappropriate videos and photographs of under age children.

According to a probable cause affidavit, 24-year-old Andrew Witten was arrested on August 15 after authorities received multiple cybertips from the Internet Crimes Against Children Task Force regarding an individual uploading the inappropriate material.

After obtaining a search warrant for a phone identified by the cybertips, authorities were able to determine the owner of the phone as being Witten. They also were able to collect 14.5 GB of data including 879 inappropriate videos and photographs.

During a meeting with the defendant, he would allegedly confess to sending and receiving inappropriate videos and pictures of children, stating that he had been doing so ever since he first received a phone, which was approximately ten years ago.

A court date for Witten is pending.
