## Wanted Elk City Man Arrested On Separate Complaint

August 25, 2022 - The Elk City man wanted in Beckham County after being accused of selling a car that was not his, has been arrested after allegedly threatening to hit a woman with a hammer.

According to the call and booking log provided by the Elk City Police Department, police were dispatched to a home in the 800 block of South Boone Thursday afternoon in reference to a disgruntled male subject that had allegedly threatened to hit a woman with a hammer.

The booking report shows that 28-year-old Brett Conway Cox was arrested on the complaint.

As previously reported, Cox had an outstanding warrant for his arrest on a separate case where he was accused of taking a wrecked vehicle that did not belong to him and selling it to a salvage yard for \$150 cash.

Cox was charged with one felony count of disposing of a stolen vehicle in Beckham County District Court in that case.

Charges for the latest arrest are pending.

## Single Vehicle Accident Leads to Multiple Charges for Clinton Man

August 24, 2022 - After wrecking his vehicle, and leaving the scene – a Clinton man was arrested and charged with, among other things, driving a vehicle while under the influence and possession of a controlled dangerous substance.

According to a probable cause affidavit, 60-year-Robert Crumb was arrested and booked into the Custer County Jail on August 4 after being evaluated at AllianceHealth Clinton for injuries he may have sustained in the accident.

According to the affidavit, Clinton Police along with troopers with the Oklahoma Highway Patrol were dispatched to a single vehicle rollover accident that afternoon near Exit 69 on Interstate 40.

When authorities arrived they found the vehicle but no occupant was inside, or around the vehicle. A witness would tell authorities that after the crash a man, later identified as being the defendant, had left the scene on foot.

Crumb was later located where he would tell police that he was returning from a job in Hydro, and had one beer before driving. It was discovered that Crumb had a suspended license.

A search of the vehicle would turn up, among other things, a pipe with residue inside of it, and a pill container holding a crystal-like substance that resembled methamphetamine.

The affidavit said that while being evaluated at the hospital, Crumb would fail several sobriety tests.

Along with the driving under the influence and possession charges, Crumb would also be charged with leaving the scene of an accident involving damage and driving with a suspended license.

Crumb's first court date is scheduled for August 26.

## Wreck Near Pampa, TX Leaves One Deceased

August 25, 2022 - A Miami, Texas man is dead after being involved in a one vehicle accident east of Pampa, Texas.

According to the Texas Department of Public Safety, the accident occurred on US Highway 60, 4 miles east of Pampa just after 5 p.m. Wednesday when the driver of a 2006 Ford F-650 service truck lost control of the truck while traveling eastbound in a construction zone. The driver told authorities there was a problem with the front steering axle, and the wheels would not turn while he was steering which caused the driver to lose control of the truck.

DPS said this caused the truck to spin around, enter into a side skid, and roll over. Landing on its right side, the truck continued to skid on the unfinished construction lane until it come to a rest facing northwest on its right side, partially in the south ditch.

As a result, DPS says a passenger, 31-year-old Bradley Ritchie was pronounced deceased on the scene.

DPS says the crash remains under investigation.
