WHITTE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

F

or many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Fatal Accident In Washita County

September 6, 2022 = A Corn woman died Monday afternoon after being involved in a one vehicle accident in Washita County.

According to the collision report provided by the Oklahoma Highway Patrol, the mishap occurred on State Highway 54, 3 miles east and 1.5 miles north of Corn when 77-year-old Judy Reimer departed the roadway to the right and struck a culvert.

Troopers said the vehicle then rolled an undetermined amount of times before striking a fence.

Reimer was pronounced dead at the scene, according to troopers.

The passenger of the vehicle, 53-year-old Marni Reimer also of Corn, was transported to OU Medical Center in Oklahoma City where she was admitted in critical condition with head and leg injuries.

OHP said the cause of the collision is still under investigation.

Deadly I-40 Collision In Wheeler County, Texas

September 6, 2022 - The driver of an 18-wheeler is accused of causing a deadly, wrong way crash on I-40 in Wheeler County, Texas early Sunday morning.

According to the Texas Department of Public Safety, the crash happened around 6:45 a.m., three miles east of Shamrock.

DPS officials said 35-year-old Mohamed Abdi, of Portland, Oregon crossed the center median and hit the driver side of a Toyota Tundra driven by 60-year-old Steven Little of Clovis, California.

DPS said Clovis was pronounced dead at the scene.

Abdi and his passenger, 35-year-old Mubashar Ibraahim, also of Portland, were transported to Shamrock General Hospital with non-life-threatening injuries.

Suspects Lead Wheeler County Deputies On High Speed Chase

September 6, 2022 - Drugs were found in a vehicle and two people were arrested Saturday after Wheeler County, Texas deputies used spike strips to end a 15-mile high speed chase.

According to the Wheeler County Sheriff's Office, a deputy on routine patrol tried to stop a vehicle around 5:30 p.m. on eastbound I-40, just west of US 83 in Shamrock.

The driver refused to stop and headed north on US 83 at a high rate of speed towards Wheeler, Texas.

However, a second deputy in Wheeler set up spike strips.

The vehicle would hit the spike strips and come to a stop at 11th and Main Street.

The sheriff's office said the driver, later identified as being Willie Crispin, Jr., got out and flee the scene. His passenger, Ebony Ford, was taken into custody.

Wheeler County officials said thanks to tips from Wheeler residents, deputies were quickly able to find Crispin in a nearby alley.

During a search of the vehicle, deputies found approximately 7.5 lbs. of marijuana in the vehicle.

Ford was charged with possession of more than 5 pounds but less than 50 pounds of marijuana. Her bond was set at \$20,000.

Crispin was charged with the same possession of marijuana charge, evading arrest or detention with a vehicle and evading arrest or detention. His bond was set at \$50,000.
