Home-spun humor, reminiscing all in good fun

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

On Thursday toward the start of the sale one of the gals who works in the office came to the ring and walked across the ring to get to where the auctioneer and clerk were at. Following behind her was another guy who works there.

And since I normally holler out what is coming off the scales to the ring, I hollered, “Here’s a nice pair.” Then the “devil” in me made me say, “I think he is weaned.” We often have to make our own humor.

A few weeks ago, my high school class had a reunion. And the rest of the classmates

were celebrating their 50-year reunion. Since I am not near old enough to do that—since I don’t think I am even 50 years old yet—well, I just celebrated with them anyway to make them feel good.

One of the gals in the class posted what things cost in 1972. Minimum wage was \$1.60 per hour. The average cost of a new home was \$27,550. A gallon of gas cost 55 cents. Monthly rent was \$165. A dozen eggs cost 52 cents. A postage stamp was 8 cents and a movie ticket was \$1.70.

In our little town perhaps 20 years earlier Main Street was always busy as you could not park within two blocks of there unless you came really early. Couples would visit with their neighbors and often invite several families in for cards or dominoes. And the women would often bring homemade fudge or caramel popcorn. For a lot of people church was Sunday morning, Sunday night and Wednesday night. Kids were taught to respect their elders, respect the flag and prayer.

Somewhere along the way technology and our own selfish ways have changed America and not for the good. Now if you look at people in the restaurant most and sometimes all have their phone in their hand and their head glued to it. Every family each week should gather all their kids’ phones, and their own phones, and see if they remember how to carry on a conversation.

Feeder cattle are scarce and buyers know it. We sold a load of steers weighing 834 pounds that brought \$180 and 68 steers weighing 896 pounds that brought \$172.50. Those numbers do not fit my calculator. We wold some young bred cows up to \$1,525 per head.

Please pray for rain. We need it!

Editor’s note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

Sayre Woman Accused of Sending Inappropriate Photos to Minor

October 3, 2022 - A former Sayre Public School employee has been charged with one felony count of soliciting sexual conduct or communication with a minor by use of technology, after an investigation revealed that the woman had allegedly sent inappropriate pictures to a high school boy.

According to court records, 40-year-old Kristen Kay Woodruff of Sayre was charged on Friday in Beckham County District Court.

According to the probable cause affidavit filed by the Beckham County Sheriff’s Office, Woodruff was employed by the school and served as a secretary and librarian. The court document stated that based on the evidence gathered from victim and witness interviews and search warrants, it appears that on or about November 9, 2021, Woodruff allegedly began sending and continued to send messages that were intended as sexual to a minor student.

The affidavit stated that this culminated in the sending of sexual photos by Snapchat on or about January 9, 2022. The affidavit concluded by saying evidence indicated that the photos and accompanying messages were taken to be sexual in nature by the minor.

A bond and court date for Woodruff is pending.

Fatal Crash in Custer County Under Investigation

October 4, 2022 - A car crash in Custer County left three people dead on Monday, including two juveniles.

A report from the Oklahoma Highway Patrol said around 3 p.m., near Arapaho, a 2008 Ford Expedition driven by 24-year-old Sabrina Bates of Custer City was traveling northbound on North 2310 Road and would lose control while driving over a bridge, which caused the vehicle to go left of center of the roadway.

The Expedition hit a 2013 Nissan Juke driven by 45-year-old Tina Smith of Custer City, traveling southbound, head-on.

The report said that Bates was pinned for about 45 minutes, and freed by the Clinton Fire Department with the Jaws of Life. A 4-year-old boy in the Expedition was pronounced dead at the scene. A 2-year-old in the Expedition survived.

Bates was flown to OU Medical Center in Oklahoma City where she was admitted in good condition with trunk internal and leg injuries.

Unfortunately, troopers say Smith was pronounced dead at the scene, as well as a juvenile female passenger in the car.

What led up to the crash is under investigation.

The OHP report said seatbelts were in use by the juvenile passengers of the Expedition. Seatbelts were not in use by the driver or passenger of the Juke.

The report also said the condition of the driver of the Expedition at the time of the crash is under investigation.
