You Are the One We're Looking For

You know a secret—that persuading others isn't about how loud you are or how enthusiastic you seem. It's about which words you choose.

You know that words can move mountains.

We want you to join us.

There's a group of us at Paragon Communications in Elk City that spends most of our time thinking about two things: how people think, and what words will persuade them.

That's our job. We help businesses persuade our audiences to buy their products and services. Businesses rely on it.

Can businesses rely on you? Do you like figuring out what makes people do what they do and which words will persuade them?

It's a lot of fun, and the pay is pretty good. Can you help us? Or do you know someone who can?

Call 580-225-9696 and ask for the Persuasion Department.

Or e-mail: gabe@kecofm.com.

Paragon Communications is an equal opportunity employer.

Preacher's words worth contemplating

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

We are still dry. And the problem—if you can believe a weath-erman—is that the high-est percent of chance for rain the next two weeks is 15%.

At the auction to-day this is seven weeks in a row that we have sold over 1,000 cows with the most going to slaughter. A lot of those middle-aged cows and bred 5 months can be

bought by the pound mostly from \$63 per hun-dredweight to \$70 per hundredweight, which is a good buy if you have anything at all for them to eat.

Our younger bred cows were a little higher

and there are some young open cows going back out to be bred. If we can get some mois-ture by spring all of those could be a very good buy.

Most long weaned grass cattle are gone already in the feedlot. There are a lot of weaned and unweaned calves being sold. I'm not sure what we will have left to sell in a few weeks.

Gas prices are going back up. And most everything you buy is a lot higher than it was a year ago.

Feeder cattle on Oct. 10 were down hard on the futures but bounced back higher gaining back what they lost on Monday. At the sale barn we will ask the seller if he wants to guarantee his heifers as open or not. Many will say they do realizing they will gain sometimes \$20 per hundredweight. Then we ask them if they have any breds do they want to take home or if we are to resell the breds. I am amazed at the sell-ers that are still confused on this issue.

I have had some say—Oh, I just couldn't—meaning I would be giving them my word if they were bred then I would be lying. That is not the case, the buyer doesn't care as he real-izes that he is only going to pay for the open ones. Then we resell the breds for him often sorting the four months and less in one bunch as they might abort them. And the five months or more in another bunch as they will normally go to be calved out.

Two grade school age kids were discussing old age when one of the kids said, "I wonder if old people have any fun?" The other said, "Well, I think they do cause every time you hear someone turning 100 years old he is al-ways having a party."

Two farmers were talking about college tuition costs. One asked the other, "Has your son's college education proved of any real value? The other said, "After we paid for his tu-tion this time his mother finally stopped brag-ging about him going to college." *Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

Can You Turn Words Into Magic?

You're a curious person. You ask a lot of questions because you want answers.

You observe people and listen to what they say. You dig for information.

You know that people who always talk never hear anything and never learn. But you absorb information and learn all you can.

Can you take that information and work magic with it? Can you take ideas and turn them into words that thrill? Words that entice? Words that move people?

Can you paint word pictures and weave stories that make people want to listen and want to take action?

If you think that human behavior is fascinating, and if you love the English language, we're looking for you.

We help businesses find customers. Can you help us? We have a job for you.

The pay is pretty good, and it can be a lot of fun if you enjoy turning words into magic.

Call 580.225.9696, ask for the Persuasion Department.

Elk City Teen Hospitalized After Weekend Wreck

October 17, 2022 - By Jared Atha - An Elk City teen was admitted into the hospital over the weekend after being involved in a one vehicle accident in Roger Mills County.

According to the collision report provided by the Oklahoma Highway Patrol, the accident occurred Sunday morning at approximately 3:35 a.m., 2 miles south and 4 miles west of Hammon on a county road when the 2007 Chevy Silverado driven by a 16-year-old boy failed to negotiate a curve at an intersection and would ultimately roll two times, ejecting the driver.

Troopers said the teen was transported and admitted into Great Plains Regional Medical Center in Elk City with head, arm, and leg injuries. He was last listed to be in fair condition.

OHP listed the cause of the mishap as being “too fast for the road conditions”.

Troopers also said that the driver was not wearing a seat belt at the time of the crash.

Due to the driver’s age, the name of the juvenile has not been released.

Last Week to Request Absentee Ballots For General Election

October 18, 2022 - Press Release - The deadline to request absentee ballots by mail is approaching. Applications must be received by the County Election Board no later than 5 p.m. Monday, October 24.

Custer County Election Board Secretary, Ann Brown, says absentee voting is available to all voters and can be submitted several ways.

“In Oklahoma, no excuse is needed to vote by absentee ballot, and it’s easy to apply! Voters can submit their application online, in-person, by fax, mail, or even email.” Voters can apply online using the OK Voter Portal at oklahoma.gov/elections/ovp. Applications are also available at the County Election Board or can be downloaded at oklahoma.gov/elections.

Brown reminds voters that only the applicant can submit his or her own absentee ballot application. It is against the law to submit an absentee ballot application for another person. Voters who submit their application in-person at the County Election Board will be asked to provide proof of identity.

Voters with questions about absentee voting should contact the County Election Board at (580) 323-5124, or CusterCounty@elections.ok.gov.

The Custer County Election Board is located at 633 North 6th Street, Clinton, and is open from 8a.m. to 4 p.m., Monday through Friday.

Kayaks Could Be Coming To Elk City’s Ackley Park West

October 13, 2022 - By Kacey Meza - Something new might be coming here to Elk City. Something our small town has not seen before. And that is the new Kayak Rentals that might be placed over at the lake by the lighthouse at the Elk City Walking Path. The idea is that the kayaks would be available to be used anytime of the day because it would be unattended. You would pay by logging in on your phone and when it gives you the pin you would enter it on the lock and go kayaking. When you are finished you would then put up the equipment and once it is fully secured then the timer on your phone that would be counting how long you have been using the kayak and the safety equipment would then stop. It would then charge the ending total. The idea has just went to the Elk City Commission Meeting and hasn’t been voted on as of yet. If they decide to proceed with this idea there will be four kayaks and that will likely be placed in their metal cage over by the Splash Pad.

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

Why do people do the things they do?

Human behavior is fascinating. If we figure out what makes people tick, we can say things in ways that persuade them.

That's what every business in the world needs to do—persuade people to buy their products or services.

That's what we do. We help businesses persuade potential customers. We try to figure out why people do what they do, then we use words that help that process along.

Do you like words? Do you like how they sound? Are you amazed by really good speakers and really good writers?

Words can be powerfully persuasive like nothing else. That's what we do for our clients—find the right words.

If you like figuring out how people think, and if you want to find just the right words to persuade them, contact Paragon Communications in Elk City. We may have a job for you.

It's a lot of fun, and if you do it right, the pay is pretty good.

Call 580-225-9696 and ask for the Persuasion Department.

Or e-mail: gabe@kecofm.com.

Paragon Communications is an equal opportunity employer.
