Spotty rains hopefully a sign drought will end soon

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

The first part of the week some regions south and east of us got from a half an inch to an inch and a half of rain. Most people in my area got less than a quarter of an inch.

Hopefully this is a start and maybe we can start to get out of this drought. It's quite a year with hay being hard to find and then you might

not want to ask how much they are going to want for it—that is if you really want to keep your cows. Just have your hired hand fill in the amount on your check—not your wife or you will probably be selling your cows.

The true hard yearling cattle are still in short supply and bring a very good amount. Last week our steer calves were \$8 to \$12 per hundredweight higher and heifer calves were \$4 to \$8 per hundredweight higher. Feeders were several dollars higher, too.

Our cow numbers were finally under 1,000 head for the first week in nine weeks. So perhaps the biggest part of the cow slaughter has already gone to market. But time will tell as it is hard to out-guess the public. If we can get moisture, young cows or bred heifers could be in very strong demand because of the many cows that have already been sold.

The cattle on feed report recently came out with on feed showing 99% and placements were at 96% and marketing was at 104%. With lots of cows sold over several states we all definitely be shorter on numbers.

I am told one young girl that hangs around the sale barn south of Oklahoma City has a lamb that follows her everywhere. It acts like a dog and will climb the stairs in the arena wherever she goes. Naturally her little sister wanted an animal, too. So she got a chicken and took it everywhere she went.

The girl was very young I thought they said she was age 3. She told her mother that she had thought of a name for her chicken. Now if you have hung around a sale barn a lot you will soon realize there are a lot of good people there but there are several ornery guys there too that like to play jokes.

Her mother said, "What do you want to name your chicken?" And she said, "Mother Clucker." Her mother immediately said, "No, we are not naming your chicken that. Let me help you think of a better name."

"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."

Woodward Livestock Auction Report

THURSDAY, OCT 27, 2022

Receipts: 2,788 Last Reported: 3,254 Last Year: 2,446

Compared to last week: Feeder steers and heifers mostly steady. At least 45 day weaned steer calves with shots 3.00 to 5.00 higher with unweaned or short weaned steer calves up to 15.00 higher. Heifer calves 5.00 to 10.00 higher. Demand was moderate. Quality average. Supply included: 100% Feeder Cattle (45% Steers, 48% Heifers, 7% Bulls). Feeder cattle supply over 600 lbs was 46%.

BUILDING THE BEST SINCE '76

THE NEW BD7600 BOX DRILL

Introducing the new BD7600 Series Box Drills – with legendary durability and performance.

- NEW feeder cups meter by speed, adjusting for different application rates by changing the meter wheel rpm
- NEW box design and structure demonstrate industry-leading durability and flexibility
- The disc blade coulters are offset with alternating leading edges to enhance stability and reduce side-shifting
- Optional hydraulic drive reduces moving parts for easy operation

METAL BUILDING PRODUCTS

Get Paid to Use Your Mind

Two questions: Do you like money? Can you say just the right thing?

Persuading others isn't about how loud or enthusiastic you are. It's about which words you choose.

Words can move mountains.

If you understand that, and if you're good with words, we want you to join us. It could be quite profitable for you.

There's a group of us at Paragon Communications in Elk City that spends most of our time thinking about how other people think and what words will persuade them.

That's our job. We help businesses persuade audiences to buy their products and services. Businesses rely on it.

Can businesses rely on you? Do you like figuring out what makes people do what they do and which words will persuade them?

It's a lot of fun, and the pay is pretty good. If you're very good at it, the pay can be very good.

Can you help us? Or do you know someone who can?

Go online to kecofm.com and click the red button with white wording that says "Yes, I do." Then let the games begin.

Or e-mail: gabe@kecofm.com.

Or call 580-225-9696 and ask about the advertising position.

Paragon Communications is an equal opportunity employer.

Aircraft Painting and Maintenance Company Plans to Locate HQ in Burns Flat

October 31, 2022 - During a ground breaking ceremony, Gov. Kevin Stitt and local leaders announced on Monday that Premium Aerospace Center (PAC) will locate its international headquarters at the Oklahoma Air & Space Port in Burns Flat.

State officials said PAC will also invest several million dollars to renovate and expand two existing hangars and build a third hangar at the facility.

While addressing the crowd, Gov. Stitt said Burns Flat’s central location in the country attracted PAC.

“This is the right place to be located. If you’re an aviation company. It is centrally located. You don’t want to be on the coast. You want to be right in the center of the country. We’re a thousand nautical miles from anywhere. When you got planes coming in, it just makes so much sense to be located right here.”

The renovated hangars and new hangar will accommodate 737 and larger aircraft for paint and interior remodeling for airline companies with strategies to further expand their business model.

It was also announced that PAC will be working with Western Technology Center and other local workforce development leaders to develop a technical workforce to support its operations and growth plans.

Officials say PAC plans to develop their operation in a four phase plan over 5 years which ultimately could develop anywhere between 450 – 600 jobs.

Local School Districts Awarded Grants for EV Buses

October 31, 2022 - At least 18 school districts in Oklahoma were among nearly 400 nationwide that received more than \$26 million in grants under the Biden Administration’s nearly \$1 billion Clean School Bus rebate competition.

Two of those school districts are located in Western Oklahoma.

The grants will help school districts purchase over 2,400 clean school buses that will accelerate the transition to zero emission vehicles and produce cleaner air in and around schools and communities. An estimated 95% of the buses will be electric vehicles.

Among the 18 awarded grants in the state, the Clinton School District will receive \$1,185,000 to be used towards the purchase of three new electric school buses and charging stations.

The Sentinel School District is set to receive \$1,580,000 to be used towards the purchase of 4 electric school buses and charging stations.

The 18 awarded grants in Oklahoma totaled \$26,070,000 and the biggest grant was \$5,135,000 to the Grove School District to buy 13 school buses. Another large recipient was the Beggs School District which received \$3,950,000 for 10 school buses.

The Chickasha School District was also awarded \$1,975,000 for 5 buses.

Nationwide, 389 school districts were awarded grants from the EPA.

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

THE NO FLY ZONE

- Reduce spread of disease & infestation
- Eliminates man power
- Increase daily rate of gain
- Reduce costly stress of cattle

- No product waste
- Improve overall health on cows and calves
- Saves pressure on fences

CAPITALIZE ON YOUR INVESTMENT BY PROTECTING YOUR HERD FROM EXTERNAL PARASITES ALL YEAR LONG!

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

Mike Nesmith-Elk City, Oklahoma

Any Announcement Made The Day Of The Sale Supersede All Previous Advertisements

Get Paid to Use Your Mind

Two questions: Do you like money? Can you say just the right thing?

Persuading others isn't about how loud or enthusiastic you are. It's about which words you choose.

Words can move mountains.

If you understand that, and if you're good with words, we want you to join us. It could be quite profitable for you.

There's a group of us at Paragon Communications in Elk City that spends most of our time thinking about how other people think and what words will persuade them.

That's our job. We help businesses persuade audiences to buy their products and services. Businesses rely on it.

Can businesses rely on you? Do you like figuring out what makes people do what they do and which words will persuade them?

It's a lot of fun, and the pay is pretty good. If you're very good at it, the pay can be very good.

Can you help us? Or do you know someone who can?

Go online to kecofm.com and click the red button with white wording that says "Yes, I do." Then let the games begin.

Or e-mail: gabe@kecofm.com.

Or call 580-225-9696 and ask about the advertising position.

Paragon Communications is an equal opportunity employer.
