Sedation Dentistry Calms Fears...
 Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Faith is a powerful tool

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

Every two months at the church I attend a men's breakfast is served. Then a couple of men will talk about their faith or whatever they wish to say.

Recently one man in his 30s said a few years ago after a long battle of depression he said to himself that he was going to church that morning and if there really was a God that he was going to have to show him or that afternoon he was going to kill himself. Before the service started the preacher was greeting

a lot of people there..

The preacher gave the man a hug and said, "Remember I love you and so does God." That gave the man enough hope that he didn't follow through with his threat to harm himself.

Often through life a lot of us don't realize how much effect we can have on other people's lives. Sometimes a kind word or encouragement can be the difference of life and death. There is a lot more to life than money.

Cattle feeder futures for next fall starting in August to November 2023 are from \$201.60 to \$206.20. The October fat cattle futures on Tuesday were at \$160.22. Bred cow demand on younger cows is very good with even the middle age bred cows gaining momentum too. Also, some of the old cows with no teeth 5 months bred and more are going back home.

For a long time up until the last six weeks a lot of the middle age bred cows and older were going to the packer. But I knew several months ago you would hear ranchers say they thought in the spring of 2023 bred cows and pairs would be very high.

A farm mother was preparing an early supper so her 11-year-old daughter could get to the 4-H meeting on time. Everything was ready when she discovered she was almost out of ketchup. She was thumping away at the end of the nearly empty bottle when the phone rang so she asked her daughter to answer the phone.

The caller asked to speak to her mom. She said, "Mom can't come to the phone right now she is hitting the bottle."

After hearing the grownups discuss the opposite sex a small boy turned to the neighborhood girl and asked—Are you the opposite sex or am I?

"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

Mayor's Toy Drive Sets Record In Elk City

By Landry Brewer

This year's Mayor's Toy Drive put smiles on a record number of children's faces.

With the help of many generous individuals, schools, businesses and at least one church, 360 gifts were recently distributed to children by toy-drive volunteers.

"This is a wonderful yearly event that makes Christmas more special for several local kids," said Elk City Mayor Cory Spieker.

Toys were dropped off between Nov. 21 and Dec. 2 at Elk City Fire Department, Elk City Police Department, City Hall, the Arrowhead Center, Windy Nissan, Mountain Man's Axe Throwing & Grub, and Western Oklahoma Christian School's Elk City campus.

Families with children receiving gifts picked up the toys at the Convention Center, and several volunteers, including Santa and Mrs. Claus, were on hand to help.

The current version of the Mayor's Toy Drive began at least 20 years ago when Teresa Mullican was Elk City Mayor. It's expanded since then.

"I think we've steadily broken the record for donations received and families served," said former mayor Nick Archer. "This year was no different as we served 360 kids."

Board of Education Primary Election in Washita Co.

The Washita County Election Board has announced that a Primary Election will be held for Board of Education Office No. 3 in WASHITA COUNTY School District on Tuesday, February 14th 2023. State law mandates a primary election be held if more than two candidates file for the same school board office.

The candidates are:

BURNS FLAT - DILL CITY: BRIAN MOONEY (UNOPPOSED)

CANUTE: BRAD HOHNKE, JOSH THOMPSON, STEVEN SCHUSTER

CORDELL: MIKE REIMER (UNOPPOSED)

SENTINEL: CADE SITES (UNOPPOSED)

WESTERN TECH CENTER: PHIL W. DELP (UNOPPOSED)

According to Washita County Election Board Secretary, Assistant Ashton Hymer, if one candidate receives more than 50% of the votes, that candidate will be named the elected official. If no one receives more than 50% of the votes, the top two candidates will vie for the position in the April 2023 Board of Education General Election.

Voters who are registered and reside at an address within the geographical boundaries of the Washita County School District are eligible to vote in both the Primary and Board of Education General Election. If you have questions about eligibility, contact your County Election Board at 580-832-3658 or washitacounty@elections.ok.gov. You can also find your district information using the State Election Board's OK Voter Portal at oklahoma.gov/elections/ovp.

You can also find the WASHITA County Election Board on Facebook at Washita County Election Board.

Mangum Woman Perishes In Jackson Co. Wreck

A Mangum woman passed away in a wreck early Monday morning in Jackson County.

According to the collision report provided by the Oklahoma Highway Patrol, shortly before 3:30 a.m., the wreck happened on S. County Road 201, three miles west of Altus.

Troopers say 51-year-old Stacy Jones was the driver and sole occupant of the 2007 GMC Sierra involved. Jones was pronounced deceased on the scene with head injuries by Jackson County EMS.

OHP reported that seatbelts were not in use, and Jones was ejected from the vehicle. The cause of the wreck and how it happened are currently under investigation.
