Take a *pill* and *snooze* through your  
dental appointment.

**F**or many Americans, going to the dentist is a  
frightful event. If you are one of the 145 million  
people who avoid the dentist due to fear, we  
have the solution... Sedation Dentistry.

You can now experience your dental appointment  
through a totally relaxed and comfortable environ-  
ment. With the help of Sedation Dentistry, you will  
wake up to find that your dental appointment is over  
and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish  
more dentistry in one appointment which means fewer  
visits to the dentist.

Sedation Dentistry is available for everything from  
simple restoration to the most complex procedures.  
We are very sensitive to our patients needs, especial-  
ly those with high fear and apprehension. Now we  
can put an end to anxiety with this safe and wonderful  
technique of sedation.

We are proud to be able to offer Sedation Dentistry  
and offer hope to those who have been avoiding the  
dentist due to fear. If you would like to know more,

## Christmas stories aplenty but one gift is what matters

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

What do you think of when you think of Christmas? Do you think, oh my gosh, I have got to buy a lot of Christmas gifts? Or is it a time where lots of family members get together?

If there are small kids around then all of the attention centers around them. Whether it's Santa coming in the house and hollering "Ho Ho Ho" and whether he snuck in the house and left the gifts. It can be a fun time but for others it can also be a very stressful time.

For some it is the first

Christmas without a loved one and for others there may be no place for them to go while watching others have the time of their life. Look around and see those neighbors that need cheering up and do something nice for them.

Or is Christmas that time of year that you remember God

sent his son into the world to be born knowing all the time he would allow him to be hung on a cross 33 years later. Reflect with your family the true meaning of Christmas.

The cattle market is very aggressive. Last week we sold 50 black heifers weighing 411 pounds that brought \$226 per hundredweight. And their brothers—52 of them—brought \$267 per hundredweight. And 50 steers weighing 511 pounds brought \$244 per hundredweight. We sold a few heifers weighing over 900 pounds that brought \$165.60.

Killing cows perked back up with packers realizing there are no sales for the next two weeks. Bred cows, particularly young ones, brought a very good price bringing \$1,400 to \$1,635.

I joined that group called PETA. After several years of fighting them, I decided to join them. That group stands for People Eating Tasting Animals.

I want for a job interview this past week and the manager said, "We are looking for someone who is responsible." Then I said, "Well, I am definitely your man because on my last job whenever anything went wrong they all pointed at me and said, 'He is responsible.'"

Now keep in my mind my secretary told me this story. She said her dad went to Arkansas and told her to come look at the back of the pickup. So she did and it was full of squirrels. So his daughter said, "Dad, how did you do that?" He said, "I would ugly them to death." She said, "How's that?" He said, "I would stare at them and they would finally fall out of the tree."

He said, "It worked fine but then I took your mom along and we got the whole pickup full."

*"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."*

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

## Hammon Schools Opting To Close Precincts

December 23, 2022 - Roger Mills County Election Board Press Release - Roger Mills County Election Board Secretary Jana Maddux announced today that the Hammon Public School District has opted to close the polling place for Precinct 202 (RMC Ag Barn), 203 (Red Star Church) and 302 (Crawford School Building) in Roger Mills County for the Board of Education Primary Election scheduled on February 14th, 2023.

State law allows a school district to close a precinct polling place for an election if the entire precinct is not contained within the district's boundaries and if fewer than 100 registered voters reside in the part of the precinct that is inside the district.

Voters who are registered in Precinct 202, 203 or 302 at addresses located in the Hammon Public School District will receive an absentee ballot application from the County Election Board. Voters should complete, sign, and return the application form to the County Election Board to have an absentee ballot mailed to them. Voters can also apply for absentee ballots online using the OK Voter Portal at <https://okvoterportal.okelections.us/>. Applications for absentee ballots must be received by the County Election Board no later than 5 p.m. on Monday, January 30th, for this election.

Most absentee ballots must be mailed to the County Election Board; however, "standard" absentee ballots may be mailed or hand-delivered to the County Election Board. Hand-delivered ballots must be received no later than the end of business day, the Monday prior to the election. Mailed absentee ballots must be received by the County Election Board no later than 7 p.m. on election night.

Voters may also vote during early voting at the County Election Board office from 8 a.m. until 6 p.m. on Thursday, February 9th, or Friday, February 10th. No excuse is needed.

Any registered voter in Precinct 202, 203 or 302 who believes that he or she may reside in the Hammon Public School District and who has not yet received an absentee ballot application from the County Election Board should contact the County Election Board office immediately.

## Elk City Officer Honored

December 23, 2022 - By News Director Jared Atha - An Elk City officer was honored for his actions last month when he entered a house engulfed with smoke and flames and pulled a man out.

Sgt. Colt Lowry received a citation from District 55 Rep. Nick Archer during Wednesday afternoon's City Commissioners proceedings.

The incident occurred on November 1 when Elk City emergency personnel were dispatched to a house fire in the 900 block of West 1st Street.

Sgt. Lowry was the first on the scene where he would find the unconscious home owner near the back door where he had entered. The man, later identified as being 88-year-old Dick Carr, would be pulled from the home by Lowry and taken to Great Plains Regional Medical Center for care, but then transported to OU Medical Center in Oklahoma City where unfortunately he would succumb to his injuries the next day.

It is believed the fire was started by a space heater in a bathroom.

## Hammon Schools Opting To Close Precincts

December 23, 2022 - Roger Mills County Election Board Press Release - Roger Mills County Election Board Secretary Jana Maddux announced today that the Hammon Public School District has opted to close the polling place for Precinct 202 (RMC Ag Barn), 203 (Red Star Church) and 302 (Crawford School Building) in Roger Mills County for the Board of Education Primary Election scheduled on February 14th, 2023.

State law allows a school district to close a precinct polling place for an election if the entire precinct is not contained within the district's boundaries and if fewer than 100 registered voters reside in the part of the precinct that is inside the district.

Voters who are registered in Precinct 202, 203 or 302 at addresses located in the Hammon Public School District will receive an absentee ballot application from the County Election Board. Voters should complete, sign, and return the application form to the County Election Board to have an absentee ballot mailed to them. Voters can also apply for absentee ballots online using the OK Voter Portal at <https://okvoterportal.okelections.us/> Applications for absentee ballots must be received by the County Election Board no later than 5 p.m. on Monday, January 30th, for this election.

Most absentee ballots must be mailed to the County Election Board; however, “standard” absentee ballots may be mailed or hand-delivered to the County Election Board. Hand-delivered ballots must be received no later than the end of business day, the Monday prior to the election. Mailed absentee ballots must be received by the County Election Board no later than 7 p.m. on election night.

Voters may also vote during early voting at the County Election Board office from 8 a.m. until 6 p.m. on Thursday, February 9th, or Friday, February 10th. No excuse is needed.

Any registered voter in Precinct 202, 203 or 302 who believes that he or she may reside in the Hammon Public School District and who has not yet received an absentee ballot application from the County Election Board should contact the County Election Board office immediately.
