Tragedy inspired people to pray

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

Recently Damar Hamlin, a football player for the Buffalo Bills, collapsed on the field. Emergency responders had to shock him on the field to bring him back to life.

I was happy to see the entire team gathered around and immediately started praying for him and his teammates are very thankful that he is getting better.

Then Hamlin came on national television and stated

he wanted to thank every last person who prayed for him. The interesting part is I doubt every last person on the team would claim to believe in God but when it was life and death it appeared they were all asking

God to spare his life.

In the past week our cattle market was great with weaned steers weighing 429 pounds bringing \$1,129 per head. And the steers weighing 523 pounds brought \$1,159 per head. Our 858-pound steers brought \$1,565 per head. Those are very good prices; however, you can hedge those steers for May at \$195 and August at \$205. Next November is \$209.

We still need moisture very badly with most of our area from here west looking like we just drilled our wheat. To the east and south you can see wheat that is 3 or 4 inches tall with some calves out on the wheat. What an interesting, or maybe I should say, challenging year. If you buy anything you can't believe how much higher it is than last year.

Feeders are very scarce with a lot long weaned calves coming back to the auction with the prices they are bringing. With all this, it appears we will have less to sell later.

Our recent Tuesday sale we had nice 4-year-old bred cows that were Red Angus that brought \$1,575 to \$1,660 per head.

I went to court the other day. The judge asked me, "Are you the defendant in this case?" I said, "No, I got a lawyer to defend me. I am the one who stole the chickens." Then the judge said, "Do you challenge any of the jury?" I said, "Well, I think I could whip that smaller guy on the end."

Not long ago most of my buddies had quit drinking. Then Congress put another high tax on liquor that drove all of them to drink again.

The teenage boy told his father, "Dad, instead of buying me an expensive birthday present this year why don't you give me something you made yourself?" The dad said, "Well, like what?" The boy said, "Money!"

"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

High Winds to Blame For Washita Co. Motorcycle Accident

January 15, 2023 - Two motorcyclist were injured Saturday afternoon in Washita County after high winds caused the two to crash.

According to the collision report provided by the Oklahoma Highway Report, the accident occurred at approximately 2:39p.m. Saturday on US-183 4 miles southwest of Cordell, when while traveling northbound the 2015 Harley Davidson driven by 39-year-old Darren L. Leflore of Krebs swerved into the 2021 Indian motorcycle driven by 45-year-old James Lashmet of Okmulgee, but did not make contact. Troopers said both riders lost control due to high winds and departed the road to the left.

OHP said that Leflore was flown to OU Medical Center in Oklahoma City where he was admitted in fair condition with internal injuries and leg injuries. Lashmet was also flown to OU Medical where he was admitted in critical condition with head and trunk internal injuries.

OHP listed the cause of the mishap as being "high wind" and said both riders were wearing helmets at the time of the crash.

Attack on Mother, Grandmother Lands Butler Woman Felony Charges

A Butler woman is in jail after being charged with two felony counts of assault and battery with a dangerous weapon after she allegedly attacked her mother and grandmother.

The probable cause affidavit said that on January 2, Custer County Sheriff's deputies responded to a call of a domestic disturbance incident that had taken place at a home near Cutberth Campground site, on the north side of Foss Lake State Park.

When deputies arrived they would find 42-year-old Britannia Brandi Mills in the front yard of the residence with blood on her shirt. She was placed in handcuffs and detained while the deputies conducted their investigation.

The court document would state that after entering the home, they would find an 86-year-old victim lying in a pool of blood. It was discovered that the woman had been stabbed in the neck and cheek and was bleeding from her scalp. The deputy also noted that the woman had defensive wounds on her hands, and it appeared that the woman had broken a leg or hip during the altercation.

The victim would tell deputies that Mills had attacked her with a knife and had also hit her in the head with a desk phone.

The second victim, Mills' 64-year-old mother, would show deputies an injury to the back of her head. Stating that the bloody wound was caused by Mills when she struck her with a meat cleaver during the altercation.

It is unknown as to why the defendant attacked the women.

Deputies stated that both victims were flown to OU Medical Center in Oklahoma City to be treated. As of press time, their condition is unknown.

Mills' first court date is scheduled to take place on January 30. A preliminary hearing will take place on February 10.

Sedation Dentistry Calms Fears...
Take a ***pill*** and ***snooze*** through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Open House: Wed., Jan. 25th & Feb. 1st 4-6 p.m.

This home has long received the admiration of many Vici residents and now you have an opportunity to own it! The home has great curb appeal from the front and a huge backyard. This home sits on 5 lots! The home has 3 bedrooms and 2 bathrooms total. The master has double closets and a full bath. Gather your family and friends around the table in the formal dining area for memories and fun. Plenty of space for everyone with 2 living rooms. Both have fireplaces and one is sunken. There's a loft above that would be a great bedroom, craft-room, or man-cave. The kitchen has nice cabinets and is spacious. Plenty of storage is found in the pantry. The laundry room is nice sized. My favorite room is the sunroom. It's a great place to read a book or birdwatching. The home also has an attached single car garage a below grade storm shelter. The backyard is fenced and there is an older building for storage with alley access.
