Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

More rain is welcome news

We were fortunate to get more rain. It varied a lot from one location to another in the amount we received but extremely thankful.

Hopefully we have changed the weather pattern for the good at least for a while. I never want to be too proud to tell God thank you. South of Woodward some only got 0.15 of an inch with several reporting a half of an inch

and some more. Close to Oklahoma City, people received big rains. At least our area now looks green. After mailing a check for my last several loads of cake for my cows and some yearlings I

Woodward Livestock Auction

900 Lakeview Dr, Woodward, OK | Jerry Nine 800.442.5548

texted my hired hands and said, "Let's only dribble a little cake when checking the weather now that everything is green." I hope they know what the word dribble means.

I dehorned a steer today so when I sell him as a feeder I think he will fit in with the better steers and not the crossbreds. So I was using my branding iron to seal where the horn was to stop the bleeding. I have done this several times. The steer threw his head hard throwing the branding iron right below my eye and partially my eyelid. I'm thankful it didn't hit my eyeball.

I never wanted branded and no I don't need an earmark. And, no, don't go there—I'll be fine as a bull. I'm sure some of you ole ranchers are tossing around some crazy thoughts in your head about that scenario. After telling the story about branding close to my eye this morning one of the cowboys said, "Maybe you are getting old enough you need someone there with you all the time." I said, "Well, if that someone was there with me maybe they would have been doing it instead of me."

All of us need to conserve water, so I suggest we should all start drinking beer. Maybe one of you cowboys ought to see if you can do the next Bud Light commercial. All you would need is a bubble bath, a cowboy hat and hopefully still have all the right fixtures.

A friend said, "I only consider people that like me my friends." I said, "Not me. I want more friends than that."

"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Custer City Woman Dies in Blaine County Wreck

May 30, 2023 - By News Director Jared Atha - A two vehicle accident in Blaine County over the weekend has left a Custer City woman dead.

According to the collision report provided by the Oklahoma Highway Patrol, the accident occurred at 11:40 p.m. Saturday on US-270, 5 miles west of Watonga when a 2015 Nissan Pathfinder and a 2008 Chevy Tahoe were involved in a wreck.

Troopers said they are still investigating the cause and exactly what happened during the mishap.

As a result, the driver of the Pathfinder, 40-year-old Maribel Gonzales was pronounced deceased on the scene by Watonga EMS.

A passenger, 50-year-old Pablo Macias Avila was admitted into OU Medical with head and trunk internal injuries. Two other passengers were treated and released for minor injuries.

The driver of the Tahoe, 26-year-old Dylan Morris of Woodward was air lifted to OU Medical Center in Oklahoma City where he was admitted in critical condition with leg and trunk internal injuries.

OHP listed the condition of both drivers as "apparently normal" and said that all occupants were wearing seat belts at the time of the crash.

Miss SWOSU, Miss SWOSU Teen to Represent SWOSU at Miss Oklahoma

May 25, 2023 - SWOSU Press Release - Southwestern Oklahoma State University (SWOSU) is proud to announce that Miss SWOSU, Megan Bradley of Leedey, and Miss SWOSU's Outstanding Teen, Landri Jones of Weatherford, will represent SWOSU at the highly anticipated Miss Oklahoma Competition. The event will take place on June 4-10 at the RiverSpirit Resort and Casino in Tulsa.

To celebrate this achievement, SWOSU invites the community to a special send-off celebration on Wednesday, May 31, from 5-7 p.m. The event will be held in the East Ballroom of the Memorial Student Center on the Weatherford campus, featuring refreshments and performances by Bradley and Jones, who will model their competition wardrobes and perform their talents. Little Star, Ellie Mae Buie of Leedey, will also showcase her evening wear. Please RSVP at 580-819-0756 if planning to attend.

The Miss and Teen preliminary competitions will be held throughout the week of the Miss Oklahoma Competition, with the finals for the Miss Oklahoma's Teen Competition scheduled for Saturday, June 10 at 2 p.m., followed by the Miss Oklahoma Competition finals at 7:30 p.m.

Bradley, a Communications major at SWOSU, is contestant #21 of the Omega Group at Miss Oklahoma. Her interview competition is scheduled for Tuesday, June 6, and she will captivate the audience with her vocal talent performance of "I, Who Have Nothing" during the first Miss Preliminary on Wednesday, June 7. On Thursday, June 8, during the second Miss Preliminary, Bradley will showcase her talents in the Evening Wear, Fitness, and On-stage Question segments.

Jones, a junior at Weatherford High School, is contestant #23 Teen of the Omega Group. Her interview is scheduled for Wednesday, June 7, followed by her Active Wear, On-Stage Question, and Evening Wear competitions on the afternoon of Friday, June 9, during the first Teen Preliminary. Jones will perform her vocal talent for the judges and audience during the second preliminary on Friday evening with her rendition of "Feeling Good."

The winners of these prestigious competitions will earn the opportunity to advance to the Miss America and Miss America's Teen competitions in 2024, making this an incredibly exciting journey for both Bradley and Jones.

Both Miss SWOSU and Miss SWOSU's Outstanding Teen are available for special performances, modeling, hosting events, performing the national anthem, and various other engagements. Please contact Debbie Brown at missswosu@swosu.edu for more information or to book an appearance.

25+ Years of Experience

North Texas Auctions buys and sells all farm and industrial equipment.

North Texas Auctions also has two certified real estate agents for all your real estate needs. Not only will we do auctions at our designated locations but we will also travel to your place to conduct a sale. If you do not want the auction conducted at your place we will be willing to haul your pieces to one of our facilities to put together a sale. With 25 years of experience, we also offer appraisals and specialize in farm and industrial equipment. Our main locations are in Bonham, Texas and Quitaque, Texas. North Texas Auctions is ran by Jimmy Page and partnered with Todd Washington. We look forward to doing business with you.
