And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

## Auction contest a fun experience

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

This past weekend I attended the Livestock Marketing Association auctioneer contest held in Arcadia, Florida. It was a very well run auction where 31 contestants get to auction 10 drafts of cattle.

Then the judges pick the best 10 auctioneers from that sale and also the day before in an interview. Then the final 10 get to auction several more drafts of cattle. Later that evening they announce the winners. The world champion winner was

Jacob Massey from Petersburg, Tennessee. He received \$6,000 in cash and the use of a GMC pickup for the upcoming year plus several other prizes.

The reserve champion hails from Canada. It was Dean Edge of Rimbey, Alberta. The third place winner was our very own auctioneer Sixto Paiz from Portales, New Mexico, who comes every Thursday and auctions the entire sale. There were a lot of extremely good auctioneers at the contest. Next year's contest will be held at Oklahoma City, Oklahoma.

Cattle futures for December fat cattle on Tuesday was \$180.50 with April fat cattle at \$185.50. Killing cows and bulls are a very good price and anything young enough to go to the feedlot whether it be cutting bulls up to 1,200 pounds and 2- and 3-year-old heifers or young cows.

Earlier in the week, feeder cattle at the sales were basically steady, which is the first time in many weeks that feeder cattle haven't been a lot higher each week.

Here is a list of things that our employees at the sale have said they learned from their moms. One said her mom taught religion. She said, "You better pray that comes out of the carpet." Another guy said his mom taught him about time. She would say, "If you don't straighten up, I am going to knock you into the middle of next week." Another said her mother taught her logic. She said, "Because I said so, that's why." Another said mom taught her about the weather. She would say, "This room of yours looks like a tornado went through it." Another said her mother taught her the circle of life. She would say, "I brought you into this world and I can take you out." Another said his mother taught him about anticipation. Mom would say, "Just wait till we get home." Another said mom learned about receiving. She would say, "You are going to get it when you get home."

*"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."*

## Clinton Man Charged After Allegedly Choking Woman

June 19, 2023 - By News Director Jared Atha - A Clinton man received a felony charge in Custer County District Court after allegedly abusing a woman.

The probable cause affidavit also said the man allegedly choked the woman during the attack.

According to the document, 31-year-old Levi Xavier Hilton was arrested on June 5 after Clinton police responded to a call of a domestic incident in progress inside a home located in the 700 block of S. 20th Street.

When police arrived they would find a woman on the floor crying and a man, later identified as being Hilton sitting on a couch.

The woman would tell police that Hilton had become upset with her earlier when the woman attempted to give him a hug. She would tell police that Hilton allegedly shoved her against a wall, shoved her to the floor, threatened to hit her with a piece of wood, and choked her.

The affidavit said that after the attack, the woman was able to call police.

The document stated that after an exam of the woman, various injuries were found on the woman, including bruising on the front and back of her neck.

Hilton was placed under arrest and later charged with one felony count of domestic assault and battery by strangulation.

## Thursday Afternoon Accident Hospitalizes Granite Man

June 19, 2023 - By News Director Jared Atha - A Granite man was hospitalized last week after being involved in a two vehicle accident near Hobart in Kiowa County.

According to the Oklahoma Highway Patrol, the accident occurred on Thursday afternoon, just after 2p.m. when 21-year-old Frank R. Bone of Granite attempted to pass a 2011 Chevy Express G3500 when it had slowed down and make a left hand turn onto a county road.

As a result, OHP said the 2015 Dodge Ram 1500 Bone was driving rolled 2 and a quarter times before coming to rest on its side. Troopers said Bone was ejected during the crash.

Bone was flown to OU Medical Center in Oklahoma City where he was admitted in stable condition with head and trunk internal injuries.

The driver of the Chevy, 22-year-old Talisa C. Rodriguez of Tulia, Texas was not injured in the crash. A passenger in the Dodge Ram, 24-year-old Robert R. Johnson of Mangum was treated for minor injuries and later released from Elkview General Hospital in Hobart.

Take a *pill* and *snooze* through your dental appointment.

**F**or many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

## SMITH & COMPANY'S AUCTION CALENDAR

### LAND AUCTION

**Wednesday, June 28th • 10 a.m.**

**Auction Location: Mutual Community Center, Mutual, OK**

**Land Location: 2 miles east of Mutual, Ok on Blacktop County Road 54**

Tract 1: 158.96 +/- acres. The property has a water well with an electric submersible pump, a building (designed for pigs), and is fenced on all four sides. The county road access on the south and west sides of this property makes this location even more attractive. There is a beautiful row of trees along the east side of the land providing an excellent shelter belt and a few trees on the W/SW side also. The balance of the land is farm ground. Tract 2: 69.36 +/- acres. Located north across the black top from Tract #1, this land is well positioned for a home or business with quick access to the highway. The property is fenced on all 4 sides and has an active water well. This is a good farm to add to an existing farm in the area and an excellent location for a home or business.
