## Prison ministry can open your eyes

**Jerry Nine**  
Woodward  
Livestock  
Auction  
Woodward, OK

I went to the prison at Lexington with another person as a volunteer for a prison ministry this past weekend. Whatever you do, never think that all people in prison are bad.

Most of them are in there for bad choices and sometimes just one bad choice and I'm sure there are a few that were wrongly convicted. The only way they could have this get together was if a certified volunteer was there. They had a band—two guitars, a drummer and a singer.

The singer had written several songs they sang and one song was titled "3 Nails and a Cross." The one man there had said the last time I was there that he wanted to be out but if this is where God

wants him, he is fine to stay there. That is quite a statement. I only barely know a few of them but I can tell you there are several there that are definitely committed. All of us are entitled to our own opinion but I definitely think Christianity is the only thing that can truly change the hardest of hearts.

Don't get me wrong. I have more faults than most non-believers. I am going to try to promote as much as I can to have more work for the prisoners. It gives them self-worth and besides keeps them busy. Plus they could be making enough items to sell to make the prisons pay their own way.

The cattle futures had a setback in price a day or two last week but most feedlots realize the numbers are short, so cattle still sold extremely well. And whenever our rebuilding of our herds starts again that takes away that many more cattle from going into the feedlot.

A friend of mine sold his heifers last week that averaged 750 pounds or somewhere close and they brought \$1,610 per head. That makes a pretty expensive 2-year-old pair by the time you sell the ones that didn't breed plus a few problems. Oh, yes, don't forget a year's feed. We all like to talk about how high those \$3,000 to \$3,500 pairs were the last time cattle were high right before the bust. But this time you can sell that open old cow for \$1,000 to \$1,600 depending on the size of the cow. That makes a big down payment on that 2-year-old pair.

Do you realize how hard it is when the doctor tells you that you need to drink eight glasses of water. I told the doctor there is no way—I can't. But then I went to the sports bar and drank eight beers and six shots in three hours and that went down easy.

Get some roosters for eggs and raise some bulls for milk and then you will see that gender matters especially at milking time.

## Address Confirmation Notices Mailed – Voters Urged to Respond

June 26, 2023 - Washita Co. Election Board Press Release - Some voters in Washita County will receive an Address Confirmation Notice in the mail soon. Washita County Election Board Secretary Jennifer Barnette said the law requires that Address Confirmation Notices be mailed to designated voters every two years. Not every voter will receive a notice. State law clearly defines who should receive a notice and how those notices should be sent.

Barnette said each voter who receives a notice, must respond online or by mail within 60 days of receipt. She said it is the voter's individual responsibility to respond. "By law, only the voter can respond to the notice. However, if you receive a notice for someone who no longer lives at your address, you may forward the notice to that voter." According to Barnette, the election staff cannot accept confirmations, changes, or cancellations to a voter registration by phone or by e-mail. "You must respond to the notice by completing and returning the card by mail or online using the OK Voter Portal," Barnette said. The OK Voter Portal can be accessed at [ok.gov/elections/ovp](http://ok.gov/elections/ovp).

If you receive a notice, you need to respond as quickly as possible. Voters who do not respond within 60 days, will have their voting status changed to "inactive." "Inactive" voters are still registered voters and can vote. However, "inactive" voters who do not vote, update their information, or fail to have any type of voter activity through the next two consecutive, federal general elections are required to be removed from the voter rolls following the 2028 General Election. The removal of "inactive" voters is required by

## Man Wanted For Murder of Weatherford Resident

June 26, 2023 - By News Director Jared Atha - A man is wanted for murder in the homicide case that developed over the weekend in Weatherford.

Detectives have been able to obtain an arrest warrant for the suspect, 20-year-old Rodolfo Sotelo for the charge of Murder in the First Degree.

The incident occurred on Saturday night when at 11 p.m. officers were dispatched to the 200 block of North Bradley in reference to a fight in progress and one of the individuals may have a knife. Upon arrival, officers could not locate a disturbance. After searching the area and speaking with individuals, officers proceeded to an apartment complex where they located a male victim, who was bleeding. Officers made entry to render aid, however the man was deceased.

Weatherford P.D. identified the victim as 33-year-old Weatherford resident Giddel Alfedro Leyva Sotelo.

Police say the wanted suspect, Rodolfo Sotelo, is described as a Hispanic male, approximately 5'8" to 5'9" inches tall, approximately 170 pounds, with brown hair, brown eyes and a tattoo on his right forearm.

Officials said that they are not looking for any additional suspects in this case and that the incident appears to be a domestic related incident between family members.

Police said if anyone has seen the suspect or knows of his whereabouts, they are asked to call 911 or your local police department.

**Atwoods Ranch and Home Goods Launches Two Convenient New Payment Options**  
Store-branded Mastercard and "buy now, pay later" choices give shoppers added flexibility.

**June 21, 2023, ENID, Oklahoma** – Atwoods Ranch and Home Goods announces the immediate availability of two new options for customers to pay for their purchases. The Oklahoma-based retailer continues to roll out more customer convenience features amid its ongoing growth as the region's premier modern-day general store.

"Our shoppers have told us that they want more convenient ways to take home their favorite products, and we believe they should also be rewarded for their loyalty," says Atwoods President Brian Atwood. "We pride ourselves on being a family-owned business that combines our best price guarantee and unmatched customer experiences – and now with an expanded choice of today's most popular and secure financial tools to give our shoppers the flexibility to pay their way."

- The store's first new payment method is a branded credit card that allows shoppers to quickly pay and accumulate reward points with every purchase. Customers can get instant approval for the Atwoods Reward Mastercard®, issued by FNBO, and begin working toward loyalty rewards with their in-person and online transactions.

- Atwoods' second new convenience option is a "buy now, pay later" plan offered in conjunction with Slice® by FNBO. The service lets customers split their purchases into smaller, manageable payments. A study by the National Retail Federation finds that customers want more flexibility from retailers, like buy now and pay later programs that help them get their goods without breaking the bank.

The Atwoods Mastercard and Slice are available at all locations. Customers may activate the new payment options in-store or online.

### ABOUT ATWOODS

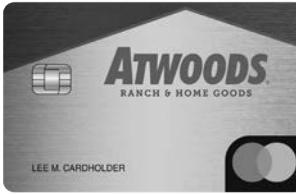

Atwoods Ranch and Home Goods is a modern-day general store with a mission to bring customers the goods they need at the best price, with an unmatched customer experience. Headquartered in Oklahoma, the retailer has grown to 75 locations, with more in the pipeline.

The company's broad product mix, coupled with its best price guarantee, customer-first service and convenient payment options, makes it a hometown one-stop-shop for consumers of all types. Visit [www.atwoods.com/credit-card](http://www.atwoods.com/credit-card) for more information.

### The Salvation Army Announces Home Energy Aid Month

(ELK CITY June 22, 2023) In conjunction with Home Energy Aid Month – Oklahomans Helping Others with Utilities, efforts are being made to raise additional utility assistance funds to help Oklahomans in need. Our partners, OGE, ONG and PSO are also joining in the effort by matching some funds.

Throughout Oklahoma and right here in Elk City and surrounding areas including Custer, Beckham, Washita, and Roger Mills counties, The Salvation Army is working to keep individuals and families housed and off the streets through utility assistance programs. The Service Extension office for the area is located in Elk City.

Help The Salvation Army and our energy partners OG&E, ONG and PSO with your financial contribution through Home Energy Aid Month this July. Last year, a little over \$530,000 was provided in utility assistance to over 10,000 individuals. The number of people requesting utility assistance continues to grow each year. Imagine being without air conditioning in the scorching Oklahoma Summer or without heat in the winter when temperatures reach single digits. For many, such as persons with disabilities, young children and people with breathing issues, it can be life threatening.

Unfortunately, in most communities we are only able to help a handful of households per month due to limited funds available for utility assistance. It is not uncommon after the first couple of days of the month to be out of utility assistance funding, yet the calls keep coming. To help assist those in need, utility customers are encouraged to support energy assistance programs year-round.

If someone wishes to support the utility assistance program, a donation marked "Home Energy Aid Month" may be sent to The Salvation Army Elk City Extension Office 609 W. E Ave Elk City, OK 73644 or they can submit a donation by checking the box on their utility bill. For more information, call The Salvation Army at 580-225-5500 x2 or visit [www.HomeEnergyAidMonth.com](http://www.HomeEnergyAidMonth.com) to make an online contribution.

#### About The Salvation Army

The Salvation Army, an evangelical part of the universal Christian church established in 1865, has been supporting those in need in His name without discrimination for 130 years in the United States. Nearly 30 million Americans receive assistance from The Salvation Army each year through the broadest array of social services that range from providing food for the hungry, relief for disaster victims, assistance for the disabled, outreach to the elderly and ill, clothing and shelter to the homeless and opportunities for underprivileged children. 82 cents of every dollar spent is used to carry out those services in 5,000 communities nationwide.
