Teasing can help make the day go better

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

get him some ice cream.” I said, “You are going to cause him to get fat.” Then I said, “No, that isn’t right. You are going to cause him to get fatter.” I can’t be good all the time.

Around the sale barn you will hear all kinds of comments. A lot of it is teasing and from worker to worker it makes the day go better as long as the teasing doesn’t get too bad.

Sunday I was through Woodward and stopped at Braum’s to get a milkshake and I saw the brother of a guy I work with all the time. I said, “What are you doing?” He said, “Oh, my brother wanted me to

I sold some heifers Thursday that were mixed colored weighing 608 pounds that brought \$237.50 per hundredweight, which figures \$1,445 per head. We sold 125 steers in one bunch that weighed 1,054 pounds that brought \$216, which figures to \$2,281 per head. The question often asked around the sale barn is how long do you think this high cattle market will last? I don’t like to ever give advice to other cattlemen but it appears it should stay good for at least a couple of years; however, there is always a chance for a planned setback or unforeseen problem. At these figures you can either hedge for a very healthy price or put insurance on them and you will never go broke—particularly at the profit potential you have.

The teacher asked little Johnny, “How do you spell crocodile?” Johnny said, “Krokodial.” The teacher said, “No, Johnny that is wrong.” Johnny said, “Maybe it is but you asked me how I spelt it.”

My brother and I were in the same class as I flunked third grade three times. The teacher said, “Jerry, your composition on ‘My Dog’ is exactly the same as your brother’s.” She said, “Did you copy his?” I said, “No, ma’am, we had the same dog.”

Remember when your memories are greater than your dreams then you slowly begin to die on the inside.

Editor’s note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

Woodward Livestock Auction Report

THURSDAY, JULY 13, 2023

Receipts: 2,010 Last Reported: 1,827 Last Year: 5,650

Compared to the last sale two weeks ago: Feeder steers 4.00 to 10.00 higher. Feeder heifers 10.00 to 15.00 higher. Steer and heifer calves mostly 10.00 to 15.00 higher. Demand was moderate to active. Quality average. Supply included: 100% Feeder Cattle (45% Steers, 48% Heifers, 6% Bulls). Feeder cattle supply over 600 lbs was 72%.

THE NO FLY ZONE

- Reduce spread of disease & infestation
- Eliminates man power
- Increase daily rate of gain
- Reduce costly stress of cattle
- No product waste
- Improve overall health on cows and calves
- Saves pressure on fences

CAPITALIZE ON YOUR INVESTMENT BY PROTECTING YOUR HERD FROM EXTERNAL PARASITES ALL YEAR LONG!

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."
Mike Nesmith-Elk City, Oklahoma

PSO Brings Better, Brighter Area Lighting to Elk City

July 14, 2023 - PSO Press Release - Public Service Company of Oklahoma (PSO) will soon start converting leased area lights in Elk City to new technology that will improve visibility for home owners and businesses.

LED conversion of leased area lights will begin Monday, July 24, weather-permitting.

Light-emitting diode (LED) area lights are more efficient and longer-lasting than the high-intensity discharge (HID) lights they replace.

"HID lights are an obsolete technology and are being phased out industry-wide. They are becoming increasingly expensive and difficult to find," said Chris Thompson, PSO customer service manager. "For the vast majority of customers, the LED lights will mean lower costs per month."

Unlike old-technology omnidirectional lights, the light from LEDs is more focused, meaning less of the illumination is wasted into the sky.

LED lights also take less time to warm up and will eliminate the eerie yellow glow of old high-pressure sodium lights, improving night vision efficiently.

"LED lighting is clearer and improves night visibility," said PSO External Affairs Manager Michael Hixson. "I think our customers are going to be very happy with what they see."

The area light replacement process is the second phase in a five-year project to remove obsolete HID lighting. PSO concluded streetlight conversion to LED earlier this year. Customers with questions about LED conversion, can contact the PSO Customer Solutions Center: 1-833-PSO-POWR.

Fentanyl Discovery Leads to Felony Charge

July 14, 2023 - By News Director Jared Atha - A Weatherford man was charged in Custer County District Court recently after being found with fentanyl earlier this month

According to court documents, 42-year-old Shawn Alvin Reeder was found to allegedly be in possession of a little over 3 grams of fentanyl on July 3.

The document also revealed that Reeder was found to be in possession of marijuana and drug paraphernalia.

Along with two misdemeanor charges related to the marijuana, Reeder received a felony charge of trafficking in illegal drugs AFC or 2 or more felonies, a crime punishable by imprisonment for up to 20 years and a fine of up to \$250,000.

A preliminary hearing conference has been scheduled for August 11.

Clinton Man Wanted After Alleged Hit and Run Incident

July 13, 2023 - By News Director Jared Atha - A Clinton man is wanted in Custer County after allegedly hitting a man with his car during a dispute.

According to a probable cause affidavit filed on Monday, 26-year-old Marquez Dajion Simpkins is wanted after being charged with assault and battery with a dangerous weapon after allegedly committing the crime on June 24.

The affidavit stated that Clinton police were dispatched to the block of 500 Glenn Smith Road just before midnight on June 24 in reference to a person being hit by a car. When they arrived they found the victim on the ground but the man refused to tell police who he was.

Talking with two witnesses, they would tell police that the victim attempted to break up a fight between Simpkins and a woman, that's when Simpkins got into the car, backed up and struck the man's left hip. Simpkins then would allegedly put the car in drive and strike the man a second time, this time causing him to come onto the hood of the car and striking his face on the windshield before being thrown off.

As of press time, Simpkins has not been arrested.

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your
dental appointment.

For many Americans, going to the dentist is a
frightful event. If you are one of the 145 million
people who avoid the dentist due to fear, we
have the solution... Sedation Dentistry.

You can now experience your dental appointment
through a totally relaxed and comfortable environ-
ment. With the help of Sedation Dentistry, you will
wake up to find that your dental appointment is over
and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish
more dentistry in one appointment which means fewer
visits to the dentist.

Sedation Dentistry is available for everything from
simple restoration to the most complex procedures.
We are very sensitive to our patients needs, especial-
ly those with high fear and apprehension. Now we
can put an end to anxiety with this safe and wonderful
technique of sedation.

We are proud to be able to offer Sedation Dentistry
and offer hope to those who have been avoiding the
dentist due to fear. If you would like to know more,
call our team with your questions.
