Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

Wives have to put up with a lot, too

Jerry Nine
Woodward
Livestock
Auction
Woodward, OK

I was listening to a conversation from several women talking and each one was stating things their husbands do.

The first woman said, "Sometimes I just don't get a man and I don't know how he ever finds his stuff outside the house because in the house he can't find anything." She said he will simply walk across the room and then say, "Where did you put it?"

"First of all, I don't know what he is looking for and secondly it is often something I have rarely seen. And it is a cinch he will never move anything unless it is on top then to him it is not findable. Then when I simply walk over and pick it up and take it to him, he will say, 'Well, when did you put it there? Then 'Well, the last time I had it ...'"

One funny memory of mom and dad was when the phone

was for dad almost always he would hang up the phone and say to mom, "I couldn't hear one word they said." Then he would say to her, "Cause every time I get on the phone you start clanging dishes or pots and pans."

Ironically if you whispered something about him the next room he would say very loud, "I heard that."

Another lady said, "My biggest pet peeve when I was first married and I was cooking was when my husband would walk into the kitchen and say, 'Well, Mom used to do it this way.' But that event only happened once cause the food was still cooking and I handed him the spatula and walked into the living room and said, 'Well, good, call your mom and have her come help you.'"

She then said she sat down in the Lazy Boy recliner and on purpose said, "Honey, can you get me the channel changer to the TV?"

Cattle futures and at the auction barn keep climbing higher. I was surprised that our slaughter market on cows and bulls was as strong as it was. I thought it would start slipping.

The banker and his son-in-law bought an area in town that had a lot of trees. They have been clearing it off for resale. Another guy decided he would help so he put up a sign that read, "Future Gentlemen's Club." It's nice to have friends.

My sister just signed up for an exercise class and was told to wear loose fitting clothes. She said, "If I had any of that, I wouldn't be signing up."

My older sister just had a knee replacement. At breakfast one ole cowboy said that she was a good ole gal. I said, "Well, you got one out of two. She's old."

There is a very old hotel in Laverne that was called the Clover Hotel. Years ago, a man stopped there and asked the lady that owned it if they had any call girls. She replied, "No, we just have alarm clocks."

"Editor's note: Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."

Woodward Livestock Auction Report

THURSDAY, SEPT. 7, 2023

Receipts: 2,413 Last Reported: 4,135 Last Year: 4,474

Compared to last week: Feeder steers mostly steady. Feeder heifer steady to 4.00 higher. Steer calves were steady on a light test with a stronger undertone noted on the 300-500lbs calves. Convention Center Hosts Dog Show

September 11, 2023 - Thousands of out-of-town dogs and their owners recently visited Elk City again. The West Central Oklahoma Kennel Club Dog Show was held at the Elk City Convention Center Sept. 7-10. The annual event brings 750 to 1,000 dog owners from several states, along with their furry friends, to town. "Because it lasts four days, the dog show is our biggest yearly event," said Convention Center Director Julie Brewer.

The 4-day affair features 350 to 500 entries per day, and each owner may enter several dogs in various categories in this American Kennel Club-affiliated competition.

The Convention Center is ideal for this kind of event. Its main hall and back room include 23,000 square feet of space for the more than 50 events that it hosts every year, including the dog show.

With 430 parking spaces and 75 RV hookups, there's ample parking for both same-day and overnight guests.

Because the Convention Center hosts so many annual events that attract so many visitors, the facility's economic impact is significant. The events themselves generate between \$25,000 and \$40,000 annually, but the thousands of out-of-town attendees also eat at Elk City's restaurants, sleep in our hotels, purchase fuel here, and shop in local businesses.

One of these annual events is the fall festival, and this year's will be held Sept. 16-17.

Having a craft show the weekend following the dog show requires a fast turnaround time to get the building ready.

"We will work our magic and quickly turn the Convention Center from furry to fabulous for the Fall Festival," Brewer said.

Weatherford Man Accused of Pouring Kerosene on Woman – Charged

September 8, 2023 - A Weatherford man received arson and assault charges recently after allegedly hitting a woman and pouring kerosene on her.

Details are limited, but according to a probable cause affidavit the incident occurred inside a home located in the 500 block of N. Illinois in Weatherford on August 30th.

The court document said that's when 58-year-old Rory Stormy Rush allegedly struck the victim on the back of her left upper arm and then allegedly poured kerosene on the carpet of the home and also on the victim.

It was not clear what his intention in doing so was.

Court records show Rush was previously convicted of assault and battery on a police officer, a felony, in Jackson County in 2010.

This time Rush was charged in Custer County District Court with one felony county of 4th degree arson AFC (a crime punishable by a fine of up to \$5,000 or imprisonment for up to 10 years, or both) and one misdemeanor count of domestic abuse – assault and battery.

Clinton Man Receives Sexual Battery Charge After Alleged Assault

September 6, 2023 - A Clinton man was arrested and charged recently after allegedly attempting to rape a woman while she was asleep.

According to court records, 32-year-old Jerron Keith Warden was arrested late last month after an investigation showed that the incident allegedly occurred outside near a church.

A probable cause affidavit showed that on the morning of August 6th, Clinton Police were dispatched to the church in the 1200 block of Opal Avenue in reference to a possible rape. When they arrived they met with the female victim where she told them that while sleeping underneath an awning at the church she woke to find the suspect, who she recognized as being Warden, laying next to her where he would allegedly act in an inappropriate manner.

In a separate interview, the victim was told by police that the next time she sees the suspect, to contact police.

The affidavit stated that on August 18th, the victim would contact police and tell them that he had located Warden sitting outside of a community center for the homeless.

Police would arrive and arrest Warden on a separate warrant. He would receive one felony charge of sexual battery - AFC, on September 5.

His first court date is scheduled for September 22. This time Rush was charged in Custer County District Court with one felony county of 4th degree arson AFC (a crime punishable by a fine of up to \$5,000 or imprisonment for up to 10 years, or both) and one misdemeanor count of domestic abuse – assault and battery.
