"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

Here are things you are apt to hear your grandkids say.

"Well, Grandma, when you were younger why didn't you just ask Siri if you didn't know the answer?"

Or "Grandpa, what was so hard about hauling hay when you were younger? You're always acting like that was a sweaty job. All you had to do was back the pickup up to the bale and then push that button to raise it up."

And "Grandpa, when you talk about scooping wheat all day why didn't you just use the auger?"

And "Grandpa, you talk about a band when working cattle, but I never heard any music out by the corral."

And "You are always telling us to pinch pennies. I don't understand that because they are solid."

And "Grandpa, you said you use to shock feed. I don't understand how that hay would move."

And "Grandma, when you said you got to pick out the chicken feed sack that had the prettiest print on it. Why didn't you just go to Wal-Mart and buy one?"

And "Grandpa, you used to say you would bump a cow to tell if she was pregnant. I would have just taken her to the vet."

Here are some suggestions that all of us should try to do every day. Compliment three people every day. Watch a sunrise at least once a month. Be the first to say hello. Live beneath your means. Treat everyone like you like to be treated. Never give up on anybody. Don't try to keep up with your neighbors. Never deprive someone of hope—it may be all they have.

Pray not for things but for wisdom and courage. Be tough minded but tender hearted. Be kinder than necessary. Don't forget a person's greatest emotional need is to feel appreciated. Keep your promises. Be cheerful even when you don't feel like it.

Remember that overnight success takes 30 years. Leave everything better than you found it. Remember that winners do what losers don't want to. When you arrive at your job in the morning let the first thing you say brighten everyone's day.

Don't rain on other people's parade. Never waste an opportunity to tell someone you love them.

## Fatal Weekend Accident in Blaine Co.

October 23, 2023 - An Okeene woman was killed after being involved in a single vehicle accident in Blaine County Saturday morning.

According to the Oklahoma Highway Patrol's collision report, 63-year-old Carla Schultz was a passenger in a 2013 Chevrolet Malibu that was traveling on a county road about one and one-half miles east of Southard when Troopers say the driver became distracted by the radio, left the roadway and struck a bridge embankment.

Shultz was pronounced deceased at the scene of the crash.

Another passenger, 36-year-old Leah M. Schultz, also of Okeene, was ejected and suffered leg, foot and trunk external injuries. She was flown to OU Medical Center in Oklahoma City where she was admitted, last listed to be in stable condition.

The driver was treated and released at a local hospital.

## Wellington, TX Men Sentenced

October 23, 2023 - On Thursday, October 19, 19 pleas took place in the 100th Judicial District Court in Childress County.

Luke Inman, the District Attorney for the 100th Judicial District, along with Assistant District Attorney Harley Caudle, prosecuted the cases for the State of Texas, with the newly appointed Honorable Judge Dale Rabe presiding for the first time in the 100th Judicial District.

Shawn Andrew MacGregor, 53, from Wellington, Texas, was sentenced to 35 years in prison for the first degree felony offense of possession of a controlled substance in penalty group one, methamphetamine, with intent to deliver.

MacGregor was arrested on January 12, 2022 by 100th Judicial District Traffic Enforcement Division Investigator Todd Gambol.

MacGregor was originally placed on six years probation on January 12, 2022. The State filed a motion asking the Court to revoke MacGregor's probation on June 26, alleging five violations of his community supervision conditions.

One of the violations was an arrest on May 23 for possession of methamphetamine.

MacGregor was also ordered to pay the remaining \$500 fine, \$376 in court costs and \$180 in restitution.

Michael Dean Luna, 41, from Wellington, Texas, was placed on four years probation for the third degree felony offense of possession of a controlled substance in penalty group one, methamphetamine.

Luna was arrested on March 15, 2022 in Collingsworth County by Gambol. Luna pleaded to an information filed by the State on April 20, 2022.

Luna was also ordered to pay a \$4,000 fine to Collingsworth County, \$376 in court costs, and \$180 lab fee.
