## Recalling names can be a challenge

An older man who comes to drink coffee every morning is very active. He walks a lot and plays golf most every day. Another man asked him what he was going to do for the rest of the day. He said, "Absolutely nothing, and I'm getting good at it."

Another older cowboy had an uncle who died about 30 years ago. The cowboy said, "My uncle used to call every-one Guy all the time." He said, "I used to think that was so stupid." He said that as he has gotten older, he understands why. "He couldn't remember anyone's name."

A friend of mine told me that up until he was 20 years old, he thought his heart was in his rear end. I said, "Why did you think that?" He said, "Grandma used to pat me on the rear and say bless your little heart."

Two friends were both very competitive. They went fishing together and made a bet that whoever caught the most pounds of fish in the next two hours then the other buddy had to buy the winner all the beer and food he could consume later that night. It was getting down to the last minute when all of a sudden the one buddy had a huge fish on the line going back and forth. The other buddy got the fishing net out and said, "Let me help you." Just

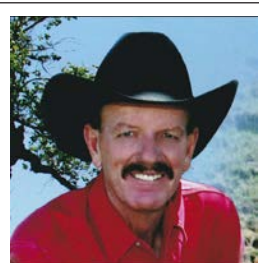

as he got the fish up out of the water, his buddy took his knife out. "Dang it," he said, adding, "Your line must have broke. I guess I am the winner."

One guy said this morning, "We love it when our 3-year-old grandson comes to our house to spend the night, but I wish he would leave his dog at home." He said this morning at 3 a.m. the dog jumped up on the bed, so he went and slept in the recliner. I said, "When you were single, didn't you ever sleep with a dog?" He smiled, so I said I could tell that brought back a memory or two. He said, "All I'm going to say is I never slept with one that shed."

I was working calves this morning when one calf kept throwing his head back and forth. Finally, after about 30 seconds of that, I gave him a little kick. One little piece of advice I would like to give you. Keep in mind that a calf's head is more solid than your toe.

I sold some cattle off wheat this past week, and they sold very well. I think it would be more profitable for me if they would quit writing the bank's name on the check, too.

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

## Voter Registration Deadline Approaches

May 6, 2024 - Roger Mills County Election Board Press Release

Friday, May 24th, is the last day to apply for voter registration in order to be eligible to vote in the June 18th Primary Election, Roger Mills County Election Board Secretary Jana Maddux said today.

Maddux said that persons who are United States Citizens, residents of Oklahoma, and at least 17 ½ years old are eligible to apply for voter registration. However, you must be at least 18 years old to vote.

Applications must be received by the County Election Board or postmarked no later than midnight, May 24th. Applications postmarked after that time will be accepted, but will not be processed until after the June 18th Election. Applications may also be submitted to any motor vehicle agency that is also an official voter registration agency by the submission deadline.

Applicants will be notified in writing when their application has been processed. Approved voters will receive a Voter Identification Card in the mail. Some may receive a letter that explains the reason or reasons the application was not approved. Maddux said those who do not receive a response within 30 days of submitting their application should contact the County Election Board office immediately.

The Roger Mills County Election Board reminds voters that applications must be approved by the County Election Board Secretary in order to vote.

Registered voters who have moved to Roger Mills County from a different county or state will need to complete a new Voter Registration Application in order to be eligible for elections in Roger Mills County. If you have moved within the county and need to update your address, you may make changes online using the OK Voter Portal at [oklahoma.gov/elections/ovp](http://oklahoma.gov/elections/ovp) or complete a Voter Registration Application.

Voter Registration Applications can be downloaded from the State Election Board website at [oklahoma.gov/elections](http://oklahoma.gov/elections). You may also complete a form at your County Election Board. Most post offices, tag agencies, and public libraries have applications available upon request.

The Roger Mills County Election Board is located at 500 E. Broadway Ave., Cheyenne, Ok and is open from 8:00 a.m. to 2:00 p.m., Monday through Friday. For questions, please contact the Election Board at 833-638-7999 ex 7 or [rogermillscounty@elections.ok.gov](mailto:rogermillscounty@elections.ok.gov).

You can also find the Roger Mills County Election Board on Facebook at <https://www.facebook.com/rmcelectionbd>.

## Two Hospitalized After Greer Co. Wreck

May 6, 2024

An Altus man and Snyder woman were hospitalized last week after being involved in a two vehicle accident near Blair in Greer County.

According to the Oklahoma Highway Patrol's collision report, the accident took place just after 4 p.m. on Wednesday at the intersection of US-283 and OK-6, 2 miles north of Blair when a 2016 Kia Sportage driven by 74-year-old William D. Stevens of Altus had pulled onto US-283 from OK-6 and was struck by a 2017 Ford Explorer driven by 64-year-old Gregory H. Schulz of Snyder.

As a result, troopers said Stevens was admitted into Jackson County Memorial Hospital in Altus with trunk internal injuries. He was last listed to be in good condition.

A passenger in the Explorer, 87-year-old Gisela Schulz, was taken to OU Medical Center in Oklahoma City where she was admitted with trunk internal and leg injuries. She was last listed to be in fair condition.

The driver of the Explorer was uninjured.

## Sayre Juveniles Found Safe After Amber Alert

May 3, 2024

Drama Thursday after an Amber Alert was issued for three missing juveniles out of Sayre.

Beckham County Sheriff Derek Manning says shortly after the alert was issued, the missing 2-year-old boy, 5-year-old girl, and 4-year-old girl were safely located and unharmed, and that the juvenile's father, 35-year-old John Robert Catt was taken into custody after a brief foot pursuit involving officers with the Sayre Police Department, Beckham County Sheriff's Office and the Oklahoma Highway Patrol.

Sheriff Manning tells Paragon Communications that the case has been turned over to the Oklahoma State Bureau of Investigation.

Catt is currently being held at the Beckham County Jail.

Charges are pending.

Hello, I'd like this ad to run under Livestock  
25 really nice farm-raised cows, gentle, 4-5 years old, been pegged to calved in early spring to Angus bulls,  
[580-225-9696](http://580-225-9696)

Thank you for your ad submission. The cost of this ad is \$10/week or we have a special. If you run the ad for 3 weeks, you get your 4th week free. The cost for that would be \$30.

I'll do 4 weeks for \$30

# WHITE DENTAL CARE

## Drs. Mori & Teri White, DDS

### Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your  
dental appointment.

**F**or many Americans, going to the dentist is a  
frightful event. If you are one of the 145 million  
people who avoid the dentist due to fear, we  
have the solution... Sedation Dentistry.

You can now experience your dental appointment  
through a totally relaxed and comfortable environ-  
ment. With the help of Sedation Dentistry, you will  
wake up to find that your dental appointment is over  
and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish  
more dentistry in one appointment which means fewer  
visits to the dentist.

Sedation Dentistry is available for everything from  
simple restoration to the most complex procedures.  
We are very sensitive to our patients needs, especial-  
ly those with high fear and apprehension. Now we  
can put an end to anxiety with this safe and wonderful  
technique of sedation.

We are proud to be able to offer Sedation Dentistry  
and offer hope to those who have been avoiding the  
dentist due to fear. If you would like to know more,  
call our team with your questions.
