## Numerous stories can bring a smile

**Jerry Nine**  
Woodward, OK

I should have already signed up for Medicare, but I live in a make-believe world and still think I am 40. Both of my sisters keep reminding me that I need to sign up.

My older sister said, "Did you sign up?" I said, "No. They told me to sign up online, and I

was having trouble." She told me to come by and maybe she could help. I said that would be like the deaf and dumb trying to help the deaf and dumb. She doesn't like all my responses.

One man at the sale was joking when the auctioneers sold his cattle. He hollered out, "These cattle have never heard a dirty word." I couldn't say that when they sold mine.

Last week when I went to sit down in the seats, just before the sale started, I said to one of the buyers, "Is this the honest side or the crooked side?" He hollered back, "Well, it was the honest side until you got here."

There was a really nice woman from LaVerne named Clara. She had just told me a few weeks ago that at church camp when she was a counselor I had picked some wild flowers and gave them to her. She pressed them in a book and kept them for more than 50

years and just recently they had finally disintegrated. Unfortunately, a few weeks ago she passed away. Now don't take this wrong as I had joked with her a lot, and she would have thought it was funny. My older sister said she made some cookies for Clara and meant to say for Clara's funeral. So, me being me, I said, "Did Clara like them?" My sister said she is eating wonderful food now in heaven.

Feeder cattle futures are gaining ground. Right now we are still about \$10 per hundredweight off their highs but about \$13 per hundredweight higher than not long ago.

There was a wife telling her husband that having a baby was way more painful than anything that a man has ever experienced. The husband disagreed. They got into quite a heated argument, and she wouldn't speak to him the rest of the day. The next day he said to his wife, "I am right, and I will prove it." She said, "How is that?" He said, "Well, years ago when you had our first child, you said for several months that you were never having another baby! But after about a year going by you said maybe we should have another baby, and I can promise you that I have never said maybe I should get kicked in the groin again."

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Siloapout, Oklahoma.

## Deadly Memorial Day Accident Near Carnegie

May 28, 2024 - The cause of a deadly crash near Carnegie on Monday is under investigation. According to the collision report provided by the Oklahoma Highway Patrol, the accident took place Monday evening on OK-9, one mile west of Carnegie in Kiowa County.

A passenger in the vehicle, 39-year-old Justin Dirickson of Carnegie, was flown to OU Medical Center in Oklahoma City where he was admitted in fair condition with trunk internal, back, and leg injuries.

A cause to the wreck has yet to be determined.

No other vehicles were involved.

## Reach Higher Program at SWOSU Awards over \$59,000 in Scholarships

May 24, 2024 - The Reach Higher degree-finishing program at Southwestern Oklahoma State University (SWOSU) awarded over \$59,000 in scholarships to 20 SWOSU students during the 2023-2024 academic year, including the 2024 summer semester. Over \$54,000 came from a Finish Line scholarship funded by the Oklahoma State Regents for Higher Education. The remaining \$5,000 came from Reach Higher Scholarships funded by the SWOSU Foundation.

The following students received scholarships: Leanne Hileman—Altus, Rhonda Bennett—Anadarko. Laurie Crawford—El Reno Kenneth Wilkins—Elk City, Erin Wagner—Harrah, Jamie Mundt—HammonCarley Carney—Hydro, Diana Juarez—Oklahoma City, Amelia Maxwell—Oklahoma City, Carly Nguyen—Oklahoma City, Jessika Johnstone Miller—Ponca City, Joshua Gossman—Moore, Brad Jones—Mustang, Michael Dropp—Mustang, Bobbi Jo Rowland—Piedmont, Kimbra Thomas—Weatherford, Michael Nguyen—Weatherford, Marissa Llamas—Wichita, Christopher Hurt—Yukon, Josh Knight—Yukon

The Finish Line scholarship program provides funds for state system colleges and universities participating in the Reach Higher adult degree completion programs, targeting scholarships for adult students nearing degree completion. Reach Higher Flex Finish is designed for adults that have successfully completed some college coursework but have not yet finished a degree. The program results in a Bachelor of Science degree in Organizational Leadership with a focus in one of four areas: business, education, psychology, or technology.

"This program has already made a big impact that

has been noticed at work and reflected positively in my recent yearly evaluation," stated Leanne Hileman. "It is also helping me start up the small business my family has encouraged me to start once I finally finish school. This program and degree will help me to become not only a better leader but a better person for my family."

Not completing a degree the first time was a major disappointment for Brad Jones. "I was disappointed in myself and had a sense of unfulfillment in not completing a degree," he expressed. "I'm gaining confidence in the skills I am learning in the courses and, hopefully, will earn a promotion in my workplace. I'm going to be able to show my son what can be accomplished with patience, perseverance, and hard work."

Dr. Todd Wiggen, Coordinator of SWOSU's Organizational Leadership program, said that the Reach Higher adult-friendly degree completion options through the Oklahoma State Regents for Higher Education encourage adults who have earned some college credit to complete their degrees successfully. "This program really works for those adults who, for whatever reason, did not finish their degree the first time around. We offer flexible enrollment and online coursework. Students can set their own pace in completing their degree," Wiggen said.

The Reach Higher/Organizational Leadership program is currently accepting students for the 2024 fall semester at SWOSU. A Reconnect event on June 15 at the Stafford Air & Space Museum, providing an opportunity to speak with Reach Higher graduates, admissions personnel, and advisors. Additional information is available by contacting Wiggen at [todd.wiggen@swosu.edu](mailto:todd.wiggen@swosu.edu) or at [leadership@swosu.edu](mailto:leadership@swosu.edu).
