THE NO FLY ZONE

- Reduce spread of disease & infestation
- Eliminates man power
- Increase daily rate of gain
- Reduce costly stress of cattle
- No product waste
- Improve overall health on cows and calves
- Saves pressure on fences

"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow." Mike Nesmith-Elk City, Oklahoma

Semi – Tractor Accident Critically Injures Elk City Man

June 3, 2024 - A semi versus tractor accident Friday afternoon in Beckham County critically injured an Elk City man.

According to the collision report provided by the Oklahoma Highway Patrol the accident occurred at approximately 3:20 near the intersection of E 1220 Road and Highway 34, 2 miles north of Carter when a 2016 Freightliner Cascadia attempting to pass a 2023 New Holland tractor collided with the tractor when the tractor attempted to make a left hand turn onto a county road.

As a result the driver of the tractor, 60-year-old Lake T. Newcomb, was ejected from the tractor and suffered head and trunk external injuries.

The report stated that he was flown to OU Medical Center in Oklahoma City and was admitted in critical condition – but was released later that night.

High Speed Pursuit Leads to Felony Charge

May 30, 2024- A Fort Sill man received a felony charge in Beckham County recently after leading authorities on a high speed pursuit that reached speeds of at least 125 mph.

According to court records, 23-year-old Kenneth Donte Scott was charged with one felony count of endangering others while eluding or attempting to elude a police officer after being arrested on the afternoon of May 8th.

The probable cause affidavit in the case showed that the incident began when a trooper with the Oklahoma Highway Patrol observed a car heading north on OK-6 going 112 mph.

Troopers said the car was first spotted three miles south of the OK-6, OK-152 intersection.

After initiating a traffic stop, the car reportedly refused to pull over and according to the trooper increased in speed that reached at least 125 mph. The car would eventually get on Interstate 40 and continue to elude authorities heading east.

The affidavit said while doing so, the car would pass vehicles on the shoulder and also at one time passed a loaded school bus at a high rate of speed.

The affidavit said that the defendant would eventually turn around at Exit 50 and re-enter I-40 west bound, exit at Exit 47 and eventually wreck the vehicle on a county road north of Canute.

After a short foot pursuit, Scott would eventually be apprehended, arrested, and booked into the Beckham County Jail.

Initial bond was set at \$200,000.

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.
