"Mike has a simple formula to prove the value of the oiler. "If the cattle aren't swatting flies, they are eating grass, making milk and putting pounds on the baby. And if the babies aren't swatting flies, he's retaining that weight to go to market with. That's all you've got to sell is weight of the cow."

The Importance of Youth in Agriculture

by Haley Robertson

Agriculture has been the backbone of the United States, providing sustenance and economic stability for millennia. However, the agriculture sector has been facing many significant changes in the modern era, such as an aging workforce, technological advancements, increasing drought conditions and climates changed. Engaging youth in agricultural pursuits is essential to ensure the sustainability and innovation of this industry.

One of the major crises of the industry is the decline in young farmers and ranchers running and maintaining operations. The average age of a farmer/rancher in the United States is ~ 65-years-old and that number is steadily climbing up. Engaging youth in agriculture presents as a critical need, allowing the ones who are ready to retire to pass on their knowledge and experience to a new generation, ensuring the continuity and advancement of farming

practices for future sustainability.

Ways youth can participate in agriculture and gain knowledge include the following:

- Participating in programs such as FFA & 4-H
- Interning or becoming an apprentice with agriculture producers & businesses
- School-Based agriculture education

FFA and 4-H provide youth with not only agricultural experience through the classroom or club, but also offer hands-on, experiential learning opportunities through

various programs, competitions, and community projects. These activities foster leadership skills, personal growth, and a deeper understanding of the agricultural industry, preparing young people to become the next generation of innovative and responsible agricultural leaders.

There are several ways to help the youth in your life join both FFA and 4-H. For FFA and agriculture in the classroom experiences in any state, your youth can join by signing up through your local high school. For 4-H, please

visit these sites below.

Ages 5-19 years old may join, but may vary state to state.

Oklahoma 4-H Enrollment: 4h.zsuite.org or contact your local Extension Educator. Enrollment starts Aug 1.

Texas 4-H Enrollment: <https://texas4-h.tamu.edu/4honline/> or contact your local Extension Agent. Enrollment starts Sept. 1

Oklahoma Route 66 HOF Induction Ceremony Announced

July 15, 2024 - It was announced recently that the Oklahoma Route 66 Museum in Clinton will host the Oklahoma Route 66 Hall of Fame Induction Ceremony.

The museum will also be opening a new exhibit after the ceremony.

According to a press release provided by the Oklahoma Historical Society, the ceremony will see two inducted into the Hall, however the two honorees were not announced.

The Society stated that inductions are held every two years for individuals who have made outstanding contributions to the promotion or preservation of Route 66. The selection includes a nomination and committee process conducted by the association. The winners' plaques are displayed in the Oklahoma Route 66 Association Hall of Fame, located in the WOW! Exhibit Room at the Oklahoma Route 66 Museum.

Immediately following the ceremony, the museum will hold an opening for a new photo exhibit titled “Discovering 66” by Rhys Martin, president of the Oklahoma Route 66 Association.

The Oklahoma Route 66 Museum will be open from 9 a.m. to 5 p.m. on the day of the event. The ceremony is free and open to the public. Attendees are invited to enjoy refreshments while listening to music that was popular when Route 66 was a main highway to travel. The event is sponsored by the Oklahoma Historical Society, the Oklahoma Route 66 Association and the Friends of the Oklahoma Route 66 Museum, Inc.

Jackson Co. Fatal Accident

July 15, 2024 - The cause of a fatal one vehicle crash Saturday night near Altus remains under investigation.

According to the Oklahoma Highway Patrol, the accident occurred 2 miles east and 2 miles south of Altus on a county road when while driving a 2007 Ford Escape, 68-year-old Loice Lennox of Frederick lost control of the vehicle for an unknown reason and flipped it onto it's top.

Troopers said the driver was pronounced deceased at the scene, and there were no passengers in the vehicle at the time of the crash.

OHP also said there were no other vehicles involved in the crash.

SUNDAY

"SUNDAY SINGING & DINNER ON THE GROUND"

Close Out the Festival weekend in a meaningful way! Some of western Oklahoma's best Christian & Gospel musicians will take the stage for what has become a festival favorite! Back in the day, when churches weren't always available, farmers would gather at a neighbor's, throw their blankets and picnic baskets on the ground and enjoy good food & fellowship, along with scripture and faith lessons. All of this followed by singing their favorite hymns together, before parting for home. We keep this tradition alive and honor it by closing our festival with this special event each year. Come join us!

SUNDAY, JULY 21st ~ 7:00 P.M. ~ City Park

Bring your own meal. A Food Truck will be available. Ice Cream Social following event.

FESTIVAL MERCHANDISE WILL BE AVAILABLE AT ALL EVENTS.
