## Take the Time to Get Out and Vote

**Jerry Nine**  
Woodward, OK

I want you to ponder these questions this week. Would you rather have higher taxes to pay for the government's overspending? Or would you rather have lower taxes that create more business and in turn create more tax dollars?

Would you rather have more government control or less? Would you rather have someone who wants to control immigration and make immigrants come in legally or do you want the flood gates open to let in 11 million more?

Don't get me wrong I have several undocumented friends who simply want a better life for their families and who are willing to work. I hope they can..

Our country has fallen away from God at a fast pace. You can call me a hypocrite, and you are probably partially right. The preacher on Sunday said, "Everything that ails America can be cured, but only with Jesus."

No one says you have to believe like I do or even believe at all. That is what I like about America. I pray we elect the right president, whoever it is. Please vote.

The preacher said this week most of us want to be part-time Christians with full-time benefits.

The cattle market still looks good, with calves off the cow suffering the most. A big area is dry. Please pray for rain.

I heard a gal who was about 40 years old say, "I don't want any kids." She said, "I guess I should probably give my kids a call and tell them."

I thought my wife was being very nice to me by holding the door open for me, but it would have been better if we hadn't been going 70 miles per hour.

*Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

## Virginia Fugitive Couple Arrested in Elk City Following Standoff

October 28, 2024- A Virginia couple, wanted on multiple charges including firearm possession and fugitive escape, were apprehended in Elk City on October 17, following a tense standoff involving local law enforcement and Troopers with the Oklahoma Highway Patrol.

The incident began after Elk City Police responded to a welfare call involving 33-year-old Karmella Bentley reported to be traveling 35-year-old Sidney Martin who allegedly threatened Bentley with a firearm. Authorities identified the fugitives' vehicle — a black Dodge truck with Virginia plates — but were initially unable to locate it.

A tip led officers to a dark blue school bus with "Hurricane Help" painted on the side, parked at a convenience store on South Main Street in Elk City. After confirming Bentley and Martin's identities and Virginia - issued warrants, officers from multiple departments — including Elk City Police, Beckham County Sheriff's deputies, and Oklahoma Highway Patrol—set up surveillance around the vehicle.

Shortly after, multiple authorities approached the bus. Following commands, Bentley surrendered first, followed by Martin after a brief struggle. Both were detained and transported to Beckham County Jail.

During a search of the bus, officers recovered five firearms, ammunition, and various drug paraphernalia. Bentley faces charges including possession of drug paraphernalia and fugitive escape, while Martin faces additional firearm possession charges due to his prior felony record.

This successful capture was credited to the coordinated efforts of local and state law enforcement

## Former "Home Improvement" Star Zachery Ty Bryan Arrested for DUI in

October 28, 2024 - Zachery Ty Bryan, widely recognized for his role as Brad Taylor on the '90s hit show "Home Improvement", was taken into custody in Custer County, Oklahoma, on Friday on suspicion of driving under the influence.

The Custer County Sheriff's Office confirmed Bryan's booking at the county jail just after 8:30 a.m. for a DUI — marking his second felony offense. The Sheriff's website published Bryan's mugshot alongside the booking information.

Reports indicate that the incident began around 6:47 a.m. when police officers found Bryan asleep in his car's backseat. After initially leaving him undisturbed, officers later observed Bryan behind the wheel, leading to a traffic stop. Video footage obtained by TMZ shows Bryan admitting to officers he had been drinking and that he "doesn't think [he] ever stopped."

During the sobriety tests, Bryan rated his own soberness a "five" out of ten. He failed the assessments and was subsequently arrested.

This DUI charge is Bryan's latest brush with the law, coming on the heels of a February arrest in California, which marked his fourth DUI-related offense, as reported by \*USA Today\*. He was released from custody later that day on \$50,000 bail and is scheduled for a court appearance on April 23.

Beyond his role on "Home Improvement", Bryan appeared in films like "First Kid" and "The Fast and the Furious: Tokyo Drift".

## Fatal Collision Near Reydon Claims Life of Local Man

October 28, 2024 - A fatal accident occurred on Sunday night, October 27, 2024, approximately 10:09 p.m., roughly four miles south and three miles east of Reydon, Oklahoma, in Roger Mills County.

The driver, identified as Jerry F. Robison, 48, of Reydon, was driving a Ford F150 westbound on E 990 Rd when he lost control, veering off the road to the right. The vehicle rolled multiple times, ultimately ejecting Robison, who became pinned beneath the vehicle.

Roger Mills EMS pronounced Robison deceased at the scene.

Authorities reported that seatbelts they were not in use, and no other vehicles were involved in the crash.
