Moisture has helped wheat and pastures

Jerry Nine
Woodward, OK

I don't think I have ever seen the wheat grow like it has these past six weeks, particularly where it looked like we were not going to have any fall wheat pasture. Now you can see some fields that are very lush.

I have several fields that were too dry early and finally got rain there so the wheat isn't big enough to graze.

I had one friend say the other day—"There will never be another bad day." I looked at him to assume he was teasing, but, no, he was not. I said, "Oh yeah, there will be another bad day." He said, "You think so?"

I guess he doesn't have a very good memory as that last big loss took several years to make it back. Never ever think it can't go down. If that's the case, you either aren't going to live very long, or you are fixing to get an education. Enjoy the good times, but remember God put that lump on your shoulders (your head) to use.

Remember, kindness is the one thing that you never have to take back.

If you want a dog that can tell time, get you a watch dog.

I was driving down the interstate the other day, and a whole herd of wild pigs was crossing the road. I called 911. The dispatcher asked, "What is the problem?" I said, "They are trying to hog the road."

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

At the end of November, the United States closed the Mexico border due to the New World screwworm. It has been around for 80 years and was eradicated in the 1960s, but it is back in Mexico. The U.S. was expected to import 1.5 million head of cattle this year. If this remains closed until the end of the year, this could reduce that total by 300,000 head or a decline of 18% in annual imports.

Some cattle feeders are thinking we could see \$2 a pound for fat cattle, while others are not that optimistic. Add \$10 per hundredweight to the market, and we are there.

With some of the prices I have seen this past week, they had better hope that we have a very good market. I saw a group of black heifers weaned with shots that weighed 433 pounds and brought \$360 per hundredweight. Just in case your calculator doesn't work, that is \$1,558 per head. I saw 82 black heifers off the cow that weighed 532 pounds that brought \$318 per hundredweight. That is \$1,691.76 per head.

Maybe I am lucky that I have quite a few lightweight cattle already bought, or better yet maybe I am lucky that

SWOSU Hosts Legislative Leaders

December 9, 2024– Southwestern Oklahoma State University (SWOSU) recently hosted Oklahoma legislative leaders Senator Chuck Hall (Perry – District 20); Senator Darcy Jech (Kingfisher – District 26); Representative Trey Caldwell (Lawton – District 63); and Representative Anthony Moore (Clinton – District 57) for a visit at SWOSU’s main location in Weatherford.

In the Senate, Hall serves as Chairman of the Committee on Appropriations & Budget and Jech serves as Chairman of the Committee on Public Safety.

In the House, Caldwell serves as Chairman of the Committee on Appropriations & Budget and Moore serves as Chairman of the Committee on Higher Education & Career Technology.

During their visits to SWOSU, Hall, Jech, Caldwell, and Moore were briefed by SWOSU President Dr. Diana R. Lovell regarding SWOSU’s aerospace and defense workforce development initiatives along with the institution’s extensive course offerings in critical healthcare occupations. The legislators were also given a tour of the construction site for SWOSU’s Jerry & Margaret Hodge Center for Pharmacy & Rural Health (Hodge Center) by SWOSU Vice President for Administration & Finance Ms. Lori Boyd and SWOSU Provost & Vice President for Academic Affairs Dr. Joel Kendall. Additional briefings were provided regarding SWOSU’s utilization of deferred maintenance funding and of the institution’s growing concurrent enrollment program.

“So much of what we are able to do at SWOSU is attributable to the substantial and steadfast support we receive from legislative champions like Senators Hall and Jech and Representatives Caldwell and Moore,” said Lovell. “We were delighted to welcome these outstanding leaders to the SWOSU Hilltop and we sincerely thank them for their continued involvement in our efforts to deliver an accessible, affordable program of instruction and training to Oklahomans.”

For more information, please visit www.SWOSU.edu.

Game Wardens to Host Christmas Toy Drive in Elk City

December 9, 2024– The Oklahoma Game Wardens are inviting the Elk City community to spread holiday cheer by participating in their Christmas Toy Drive. This festive event aims to brighten the season for local children by collecting toy donations.

The Elk City Toy Drive will take place on Saturday, December 14, from 12:00 PM to 5:00 PM at the Walmart location in Elk City. Residents are encouraged to donate new, unwrapped toys to help fill the wardens’ boats with gifts, ensuring children in need experience the joy of Christmas.

This initiative supports the community by making a difference in the lives of families during the holiday season. Let’s come together to make Elk City shine with generosity and holiday spirit!

For more details, visit okgamewarden.com.

Elk City Woman Arrested for Alleged Embezzlement

December 6, 2024– An Elk City woman has been arrested on embezzlement charges following an investigation into fraudulent activity involving forged checks and unauthorized credit card charges.

According to a probable cause affidavit, 63-year-old Jo Elaine Earnest was taken into custody at her residence on November 20 after admitting to misusing funds.

The investigation began on November 10 when a local business owner reported suspicious financial transactions. The owner discovered that Earnest, a former employee, had allegedly forged multiple checks and made unauthorized charges to a company credit card, totaling thousands of dollars. Surveillance footage confirmed Earnest’s involvement, showing her cashing a fraudulent check at a local grocery store.

Evidence revealed that Ernest had charged \$12,000 to a credit card and withdrawn approximately \$6,000 from company accounts. When interviewed by police, Earnest admitted to the embezzlement and stated that the funds had been spent at a casino and on methamphetamine.

Earnest was arrested and transported to the Beckham County Jail, and bond was set at \$20,000. Authorities are continuing their investigation, and additional charges may be filed as an internal audit uncovers further discrepancies.

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.
