## BOIR and grazers have entered the limelight

**Jerry Nine**  
Woodward, OK

If you have an LLC or a partnership, you need to file a BOIR by Dec. 31, or you can be fined \$595 per day. That stands for Beneficial Ownership Information Report. You can do this online if you are smarter than I am, but I am trying to do it to save a little

money.

This grazing market is on fire with all the big wheat around. I heard of a big string of 372-pound steers that brought over \$1,800 per head. However, on Monday, Oklahoma National Stockyards called its feeder market \$2 to \$7 per hundredweight lower, and its calves were \$10 to \$15 lower. This was compared to the week before, where it had an Angus special, so this could have been part of the deal being that much lower.

I had a man call me this morning and ask me what I thought on the market and what I thought might happen. First of all, let me establish that fact that I don't have a clue. Yes, that is all I have ever done in my life to try to make a living, but if you don't believe me, ask my banker.

Most seem to think we have at least two more years of a very good market, but keep in mind a lot of things can happen that have nothing to do with cattle. I hear there are more cattlemen buying heifers to breed this spring. If this

is the case, that will make fewer feeders this spring and fewer fats next fall but more calves in the fall of 2026.

Feeders seem high enough that it takes an optimistic person to breed a high-dollar heifer; however, there have been some high-dollar bred cows and pairs in spots.

I plan on being slightly optimistic and slightly aggressive, but I like the motto of—"Don't get too aggressive when they are high, and don't get too depressed when they are cheap." A lot of cattlemen get caught up in the emotion and listen too much to coffee shop talk.

This week I went into the post office and saw a gal two years younger than me whom I had not seen for about 15 years. She was bent over and limped. She said hello and also said, "I haven't seen you in years." I said, "How are you doing?" She said, "Well, let's just say this age thing has sure snuck up on us, hasn't it?" I said, "Yeah," but I wanted to say, "I didn't think I hobbled in there." You are right. For once I kept my mouth shut. It's hard to believe, and I also live in a make-believe world.

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

## ECPD Hosts Annual Christmas Party, Honors Outstanding Team Members

December 12, 2024 - The Elk City Police Department (ECPD) came together Tuesday night for its annual Department Christmas Party, celebrating the holiday season with employees and their families. This cherished tradition not only brings the department closer together but also serves as an opportunity to recognize exceptional performance throughout the year.

During the event, awards were presented to honor individuals who have gone above and beyond in their roles. The recipients, chosen through department-wide votes, represent the best of ECPD's commitment to service and excellence. Congratulations to this year's honorees:

- Officer of the Year: PTL. Wyatt Anderson
- Dispatcher of the Year: Kimberlee Chaney
- Animal Control Officer of the Year: Amber Stepp
- Animal Control Award for Outstanding Performance: Krystal Stone
- Chief's Citation Award for Exemplary Performance in the Line of Duty: LT. Jason Harris

The evening's festivities were made even more special thanks to the delicious meal provided by Poppy's Catering. The department expressed heartfelt gratitude to Poppy's for their outstanding service and support in making the celebration memorable.

ECPD is proud to recognize these individuals and appreciates the hard work and dedication of every team member who helps keep our community safe.

## Deadline Approaching: Register to Vote by December 20 for Clinton's Special Election

December 12, 2024- Friday, December 20, 2024, is the last day to apply for voter registration in order to be eligible to vote in the January 14, 2025 City of Clinton Special Election. Voters who reside within the Clinton city limits will be eligible to vote.

Brown said that persons who are United States citizens, residents of Oklahoma, and at least 18 years old may apply to become registered voters.

Those who aren't registered or need to change their registration may apply by filling out and mailing an Oklahoma Voter Registration Application form in time for it to be postmarked no later than midnight Friday, December 20. Brown said applications postmarked after that time will be accepted and processed, but not until after January 14, 2025.

The County Election Board responds in writing to every person who submits an application for voter registration. The response is either a voter identification card listing the new voter's precinct number and polling place location or a letter that explains the reason or reasons the application for voter registration was not approved. Brown said any person who has submitted a voter registration application and who has not received a response within 30 days should contact the County Election Board office.

Oklahoma Voter Registration Application forms are available at the County Election Board office located at 633 North 6th Street, Clinton, OK, and at most post offices, tag agencies and public libraries in the county.
