Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your
dental appointment.

For many Americans, going to the dentist is a
frightful event. If you are one of the 145 million
people who avoid the dentist due to fear, we
have the solution... Sedation Dentistry.

You can now experience your dental appointment
through a totally relaxed and comfortable environ-
ment. With the help of Sedation Dentistry, you will
wake up to find that your dental appointment is over
and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish
more dentistry in one appointment which means fewer
visits to the dentist.

Sedation Dentistry is available for everything from
simple restoration to the most complex procedures.
We are very sensitive to our patients needs, especial-
ly those with high fear and apprehension. Now we
can put an end to anxiety with this safe and wonderful
technique of sedation.

We are proud to be able to offer Sedation Dentistry
and offer hope to those who have been avoiding the
dentist due to fear. If you would like to know more,
call our team with your questions.

Political arena was tough yet we can still be thankful

you know of any cattle sales in the area?" I think he wanted to buy some calves, but some people are alcoholics and some people are "cattleaholics."

Thankfully we have had a very good year in the cattle business and perhaps he was needing to buy some cows so he didn't have to pay as much income tax. I did hear several ranchers saying they had bought another feed pickup and others were buying hay and pellets, troughs and panels.

Next week we have a cold front coming in with the lows forecast being in the high teens and the highs 33 to 40 degrees Fahrenheit. I know that is not cold for some of you, but it is for me. But we are only day closer to spring. Actually the triticales I had planted has grown this past week, which is unusual for this time of year.

I say don't worry about getting older. You will still do stupid stuff—only slower.

I found that I have been happier since I changed from coffee in the morning to orange juice. My doctor explained that it's the vitamin C and natural sugars, but I really think it's the vodka.

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

What a year. The news for most of the year was consumed with politics with hatred from every direction. Now at least we know what we have and hopefully we can move forward and concentrate on how fortunate we are to live in America—the greatest land of all.

I read an article where China was building more holding facilities—you might as well say prisons—for people who talk against the government. If that was the case in America we would have many left on the outside. How fortunate we are and don't even realize it.

In recent years China's beef consumption has been increasing. China has become the world's largest importer. From 2013 to 2023 the beef import volume increased from 294,000 tons to 2.737 million tons with an average annual growth rate of 59.4%.

One cattle buyer asked me this past week—"Do

Winter Weather Approaches Western Oklahoma

January 6, 2025- Residents of Western Oklahoma should prepare for a blast of winter weather as a cold front is set to move into the area later this week. The National Weather Service predicts a drop in temperatures, bringing the potential for freezing rain, sleet, and snow across the region.

Forecast Overview

The front is expected to arrive late Thursday evening, with temperatures plummeting overnight. Friday and Saturday could see a wintry mix, particularly in areas north of I-40, while southern counties may experience primarily cold rain. Snow accumulation is possible in higher elevations, with totals ranging from 1-3 inches in localized areas.

Travel Hazards

Meteorologists warn of potentially slick roads, especially bridges and overpasses, as freezing rain and sleet create dangerous driving conditions. The Oklahoma Department of Transportation advises travelers to check road conditions and avoid unnecessary trips during icy periods.

Preparation Tips

Residents should ensure they have an emergency kit with essentials such as water, non-perishable food, blankets, and flashlights. Farmers and ranchers should take precautions to protect livestock from the cold and ensure water supplies are accessible despite freezing conditions.

Stay Informed

Stay tuned to KECO 96.5 FM and KOOL 94.3 FM for the latest updates on the storm, school closures, and road conditions. You can also visit our website or follow us on social media for real-time weather alerts and safety information.

Western Oklahomans are no strangers to unpredictable weather, but with preparation and vigilance, the region can weather the coming storm safely.

Thursday, January 30th • 10 a.m.

Chester Community Center, 22040 US 281, Chester OK

Tracts will be Offered Individually and in Combination using the Multi-Par Method of Sale.

TRACT 1: Take a look at this diversified 160 acres. This property is accessed from County Road 226 or from Tract 2. This tract has a set of pipe corrals, a water-well and electricity on the northwest portion of the property. This is an excellent tract for hunting and livestock production.

TRACT 2: Joins both Tract 1 and 3 and no county road on the west; this tract is also an excellent hunting and livestock production property. There is an oilfield location on the western portion. The property has 1/2 mile of County Road 50 frontage for great access. Good fences on the south and east boundaries.

TRACT 3: This tract has 1/2 mile of County Road 50 frontage and 1/2 mile of County Road 227 frontage. Tract 2 joins this tract to the west as well. The property has several clearing yet is heavily wooded for wildlife retention. The property has a good stand of lovegrass and other native grasses.

To view the property, contact Buck Hutchens, auction manager 580-273-3202 or Ira Smith 580-334-6001 or Smith & Company Auction & Realty, Inc. at 580-254-3975.

Seller: Cynthia Plummer
