Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

ELK CITY & SAYRE

LIPSCOMBDEALERSHIPS.COM

Ranch Talk: Cowboys, Kobe, and Cattle Concerns

© Kylee Scott

At the cafe the other day, one cowboy had ordered the same thing for dinner as the day before. Some people were giving the waitress a hard time after the waitress brought the food out to the first cowboy. Rob said to the waitress, "Are you sure that was my food?" Then Rob hollered, "I think the cow has no rush on the other folks' chow." Before Rob got his food, I wished I was the napkin and said Rob wanted to take the waitress but since this has gotten his mind wound tight, he wants everyone, including the waitress, to have fun too, so the cow likes to long the cantina bench unphases next table Rob's in some pickles next time.

The USDA Animal and Plant Health Inspection Service is announcing the quarantine of cattle bison herds from Mexico as of Feb 2. The APHIS highlights several key rescue efforts in the next several days.

Bird flu outbreak in US dairy cows has grown to affect more than 2 dozen herds in 18 states weeks after the nation's largest egg producer found the virus in its chickens. Health officials stress that the risk to the public is low and that the U.S. food supply remains safe and stable. However, Tuesday morning we saw futures down on both feeder and live cattle. I'm wondering if there are more buyers concerned about trade times or others worrying about tariff effects. Few of us were concerned but few were paying attention. We were talking

about one called Stephen who was thinking about some other positions. "Shoot, he figures most of you have started as squares plus hassle, use your time and do the legwork with the weather can be tough but no need to lose your shorts."

Kobe Bryant once said: "I have nothing in common with lazy people who blame others for their lack of success. Great things come from hard work and perseverance. No excuses. Only a woman who has delivered a baby without an epidural can truly understand the pain a man goes through when he has a cold. Don't let success go to your head or failure to your heart."

"Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma."

Asher Oilfield Specialty is Hiring a Controller

We are expanding our operations and need a detail-oriented Controller to join our finance team. The Controller will aid in supporting the organization's day-to-day financial operations and ensuring compliance with accounting standards. The ideal candidate will be adept at cash management, financial reporting, accounting in the oil and gas industry, and be comfortable working in a fast-paced, growing environment. This is an excellent opportunity to be part of a new venture within an established organization.

Responsibilities

- Assist in overseeing financial operations.
- Prepare and manage financial statements, including profit and loss reports, balance sheets, and cash flow statements.
- Assist in balance sheet reconciliations and accuracy in financial reporting.
- Support budgeting, forecasting, and financial analyses to aid decision-making.
- Assist with internal and external audits by providing necessary documentation and reports.
- Manage accounts payable and accounts receivable to ensure timely payments and collections.
- Assist with payroll processing.
- Assist in implementing and maintaining internal controls to prevent fraud and financial mismanagement.
- Assist in the preparation of tax filings and regulatory documents.
- Support policy and regulatory compliance in all areas of the business.
- Work closely with CFO.

Qualifications

- Experience as a Controller or similar role within a corporate finance environment.
- Knowledge of accounting principles and practices.
- Proficiency in accounting software QuickBooks is required; experience with other platforms is a plus.
- Understanding of cash management processes and financial management strategies.
- Experience with balance sheet reconciliation and financial reporting standards.
- Strong analytical skills with attention to detail and accuracy.
- Ability to communicate effectively with all levels of the organization.

* If you are an experienced accounting professional, and reside within commuting distance to Oklahoma City, we encourage you to apply.

This employee can work either in our North OKC Office, Elk City Office, Lindsay Ok office.

Send Resume/Information to:

Asher Oilfield, Attn: Amber Lehman PO Box 720944 Oklahoma City, Ok 73172 Or e-mail: Alhman@asheroilfield.com

Busey Brothers Make Major Gift to SWOSU

February 10, 2025 - Southwestern Oklahoma State University (SWOSU) has received a generous philanthropic gift from SWOSU graduates and brothers Philip Busey, '04, and Brian Busey, '05, both of Oklahoma City.

The Busey brothers serve as owners and executives at Oklahoma City-based Delaware Resource Group of Oklahoma, LLC (DRG), a Native American-owned leading global aerospace defense contractor founded in 2002 by the Busey brothers' father, Mr. Phil G. Busey. The company is a global defense contractor providing training services, contractor logistics services (CLS), logistics services, and numerous other service lines all over the world. Thousands of service men and women around the world count on DRG to provide critical training and logistics services for many of today's modern military programs and aircraft. DRG is a certified Minority Owned Business (MBE) and a recognized Indian Economic Enterprise (IEE).

DRG and SWOSU collaborate closely on aerospace and defense workforce development. Philip is DRG's President and Brian is DRG's Chief Executive Officer.

The Busey brothers are longtime SWOSU benefactors. This latest philanthropic investment of \$25,000 will be allocated to the Busey Brothers Scholarship Program which was established by the brothers in 2012. The scholarship program has provided over \$35,000 in scholarship assistance to SWOSU students studying across majors in multiple SWOSU colleges and departments.

At SWOSU, Philip serves as Chairman of the SWOSU Foundation, Inc. Board of Trustees, and Brian serves on the SWOSU Football Legacy Fund Steering Committee.

"We are pleased to continue supporting the mission of our shared alma mater," said Philip and Brian in a statement. "Each of us received a quality, affordable higher education at SWOSU and we hope to pay that forward through philanthropy and volunteer involvement."

Philip and his wife, Ms. Heather (Ratliffe) Busey, '04, are parents of Griffin and Beau. Brian and his wife, Dr. Janie Busey, are parents of Avery, Owen, and Maggie.

"We are deeply grateful to Philip Busey and Brian Busey and their families for this thoughtful and kind gift to SWOSU," said SWOSU President Dr. Diana R. Lovell. "The Busey Brothers Scholarship Fund allows our institution to meaningfully recruit and retain students from a variety of disciplines and backgrounds with invaluable financial assistance."

The Busey Brothers Scholarship Fund is administered by the SWOSU Foundation, Inc. An independent institutionally-related charitable entity headquartered on the SWOSU Campus in the historic Burton House, the Foundation was established in 1977 to promote philanthropy, award scholarships and distribute funds to support the activities and programs of SWOSU. For more information, please contact the SWOSU Office of Institutional Advancement at 580-774-3267 or visit www.SWOSUFoundation.com.

Three Perish, One Critically Injured in Fatal Collision Near Duke

February 6, 2025 - Jackson County, OK - A tragic two-vehicle collision claimed the lives of three individuals and left another in critical condition Thursday afternoon near the intersection of US-62 and South County Road 194, approximately three miles east of Duke.

According to the Oklahoma Highway Patrol, the crash occurred at approximately 3:47 p.m. and involved a 2021 Ford Expedition and a 2018 Ford Focus. The driver and passenger of the Expedition has not yet been identified, and details regarding their condition remain unavailable.

The Ford Focus was driven by 36-year-old Landreth J. Emswiler of Mountain Park who was pronounced dead at the scene. Also in the vehicle were three juvenile passengers, all from Mountain Park.

A 17-year-old female passenger and an 11-year-old female passenger were also pronounced deceased at the scene. Their names have been withheld.

An 8-year-old male passenger was transported by Survival Flight to United Regional Medical Center in Wichita Falls, Texas where he was admitted in critical condition with internal injuries.

The cause of the collision remains under investigation. Authorities have not released further details regarding contributing factors.

The Oklahoma Highway Patrol, local emergency responders, and medical personnel continue to investigate the crash. Updates will be provided as more information becomes available.
