Nice weather makes cowboys smile

Jerry Nine
Woodward, OK

Just put three days of very cold weather in a row, but then follow that with a nice, pretty day of sunshine and warm weather, and you will even see a few of the gripy old cowboys smile.

Well, maybe not exactly smile but maybe just not gripe as much.

Wow, what a difference. Now all we need is a nice rain.

It often takes a disaster or problem for a lot of us to remind ourselves and our family of things never to do. This past week a man entered a large grain bin that seemed to be clogged up and not auguring grain out. I don't know the circumstances, but evidently the auger was still going. The problem is once you get it unclogged with the auger running, it is easy to suck you down toward the auger and not be able to get out.

I encourage all farmers to remind your kids and family to never do this with the auger running. God has been good to me as I have made a lot of stupid mistakes that should have ended my life. I guess He is not through with me yet, or at least I hope not.

Cattle futures Monday and Tuesday have rallied some, and that is good. I know if you are hedging or putting some on insurance, it is easy to get greedy like I did a month ago. August feeders were at \$277, and I thought, well, I will do one contract and if they bounce up a little more I will do quite a few more. Shortly we were \$11 per hundredweight less. Whoops.

When my son was 4 years old, we stopped at a convenience store to get something to drink. When we got back to the pickup, I saw he had a candy bar in his pocket. I knew I hadn't bought it for him, and I knew he didn't have any money, so I did what I knew I should do. I took him to a jewelry store.

My son was helping me with my phone. Then he said, "Type in your password." After a little bit he asked me what was taking me that long. I said it takes a while to type all those words. I showed him what I typed- Mickey Minnie Goofy Donald Pluto Huey Louie Dewey Paris. He said, "What is all that?" I said, "It said type in 8 characters and one Capital."

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Texas Fugitive Arrested in Custer County

February 28, 2025-Custer County, OK — A Texas fugitive accused of probation violation related to a child sexual assault case has been charged in Custer County, Oklahoma.

According to court documents filed on February 19, 2025, Jess Lee Kolander, born in March 2005, was taken into custody in Oklahoma as a fugitive from justice. Authorities state that Kolander fled from Potter County, Texas, where they were facing charges for violating probation in connection with a prior sexual assault of a child case.

District Attorney Angela C. Marsee filed formal charges in Custer County District Court, citing Kolander's unlawful flight from Texas to Oklahoma. Under Oklahoma law, the charge of fugitive from justice is a felony offense. If convicted, Kolander could face imprisonment in the county jail for up to one year.

The case remains under investigation, and authorities have not yet released details on Kolander's extradition back to Texas.

Man Jailed for Fatal Elk City Crash Tied to Massive Human Trafficking

March 4, 2025 - Federal prosecutors have connected a man, already jailed for a fatal crash in Beckham County, to a large-scale human trafficking operation that smuggled 20,000 migrants.

Authorities say the operation moved migrants from Guatemala through Mexico and into the U.S. One suspect identified Monday was 44-year-old Jose Paxtor-Oxlaj, who has been in custody since a deadly 2023 crash in Elk City.

In a statement released by acting U.S. attorney in Los Angeles Joe McNally, "While transporting illegal immigrants, defendant Jose Paxtor-Oxlaj caused a car accident in Elk City resulting in seven deaths. Three of those victims were minors, including a 4-year-old child."

Federal prosecutors in California say Paxtor-Oxlaj and three others were part of a smuggling ring out of Guatemala that worked with cartels to bring people into the U.S.

According to Immigration and Customs Enforcement (ICE), Paxtor-Oxlaj was ordered removed from the U.S. in 2010 and had no legal permission to return. He has remained in custody in Oklahoma since the 2023 crash.

Teacher Training Fund Established at SWOSU

February 27, 2025 -Weatherford, OK – Southwestern Oklahoma State University (SWOSU) has announced the receipt of a major charitable gift from Ms. Marilyn Allred of Oklahoma City.

This generous philanthropic contribution will be used to establish an endowment that will provide financial support in perpetuity to SWOSU students studying in the SWOSU Department of Education.

Allred created the fund to honor her late parents, Claude R. Riley and Pauline "Dink" Riley, and her late brother, Carl C. Riley.

"We are deeply grateful to Marilyn Allred for her thoughtful investment in the SWOSU Department of Education," said SWOSU President Dr. Diana R. Lovell. "It is our great privilege to steward Ms. Allred's beneficence in a way that helps meet Oklahoma's teacher training needs while also honoring the memories of two of our graduates, the late Claude Riley and his wife, Pauline Riley, as well as their late son, Carl C. Riley."

The late Claude r. Riley was born 8-March-1906 near Alfalfa, Oklahoma, and graduated from Carnegie High School. A 1943 SWOSU alumnus, Claude earned a Master's Degree from the University of Oklahoma. He taught in schools throughout Oklahoma including Banner, Bald Knob, Binger, Eakly, Victory, and Friendship. He died on 17-November-1962.

Claude married Pauline Lovell of Cloud Chief, Oklahoma, on 4-May-1982. Pauline, who was called "Dink," was born near Cloud Chief on 12-July-1909 and graduated from Cloud Chief High School. A 1940 SWOSU alumnae, Dink taught and coached at Bessie, Alfalfa, Binger, Eakly, Victory, Friendship, and Moore. Dink died on 28-March-1996.

Allred's late brother, Carl C. Riley, was born 9-March-1939 to Claude and Dink at Carnegie. He died 27-July-1969 near Jacksboro, Texas.

Allred's generous gift and the endowment it has established are stewarded by the SWOSU Foundation, Inc. An independent institutionally-related charitable entity headquartered on the SWOSU Campus in the historic Burton House, the Foundation was established in 1977 to promote philanthropy, award scholarships and distribute funds to support the activities and programs of SWOSU. For more information, please contact the SWOSU Office of Institutional Advancement at 580-774-3267 or visit www.SWOSUFoundation.com.

Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your
dental appointment.

For many Americans, going to the dentist is a
frightful event. If you are one of the 145 million
people who avoid the dentist due to fear, we
have the solution... Sedation Dentistry.

You can now experience your dental appointment
through a totally relaxed and comfortable environ-
ment. With the help of Sedation Dentistry, you will
wake up to find that your dental appointment is over
and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish
more dentistry in one appointment which means fewer
visits to the dentist.

Sedation Dentistry is available for everything from
simple restoration to the most complex procedures.
We are very sensitive to our patients needs, especial-
ly those with high fear and apprehension. Now we
can put an end to anxiety with this safe and wonderful
technique of sedation.

We are proud to be able to offer Sedation Dentistry
and offer hope to those who have been avoiding the
dentist due to fear. If you would like to know more,
call our team with your questions.
