The sound of rain drops lifts spirits

by: Jerry Nine – Woodward, Okla.

On a set of fat cattle shipped to the packer one big fat heifer died at the packing house before they got her processed. I asked the manager of the feedlot why he thought she died. He said it could be from an old lung problem, but probably she was just so fat the heart gave out or quit. He said actually we are trying to push these fat cattle to extreme big fat levels bigger than God made them for.

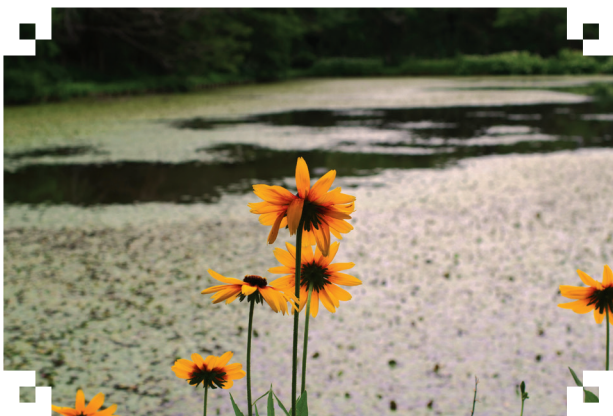

He said anytime toward those last few days, “You are playing with dynamite as to whether they can stand it or not.” I’m just thankful that we have pushed beef prices to levels most of us thought were never possible.

Many women want to brag about how clean their house is. And they will say, “You could eat off my floor.” Well, that’s nothing—you could eat off my floors, too, but you might get a little dirt in your mouth.

I have a friend who loves jokes and having a good time and she was at a party and walked up to an attractive man. She said, “Hi my name is Carmen.” He said, “What a beautiful name.” He said, “Is that a family name?”

She said, “No it’s a name I gave myself.” He said, “Really.” She said, “Yes it’s a combination of the two things I like best—cars and men.”

Editor’s note: The views expressed here are the author’s own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

Normally our family meets for Easter at sunrise at a cross in a pasture at my sister’s. This time on Easter morning it was raining and I’m definitely not complaining as we always need rain. It had quit raining by afternoon so we met there in the evening. All the kids and a few adults fished in a pond nearby and most of the kids were catching several fish—except I noticed my third son didn’t seem to be catching any. And if you know his Dad, well you would know that when we were quitting fishing I said to my son, “next time you should put a lure on maybe that would help.”

Most of our area received some rain with the larger amounts more to the center of the state, but we are thankful for the rain. Even where we got less than half an inch it is amazing how much better the wheat looked as a few days before it was turning blue and showing signs of dry weather.

Fatality Crash on I-40 Claims Life of California Man

April 29, 2025 – Beckham Co., OK – A single-vehicle crash Monday evening on Interstate 40 near Sayre, Oklahoma, left one man dead.

According to the Oklahoma Highway Patrol, the collision happened around 7:12 p.m. at the 15-mile marker eastbound, about five miles west of Sayre in Beckham County.

The crash involved a 2021 Freightliner driven by 24-year-old Dilpreet Singh of Fresno, California. Troopers say Singh was traveling east in the outside lane when, for an unknown reason, the semi veered off the roadway to the right. He overcorrected into the inside lane, then again into the outside lane, causing the vehicle to overturn onto the driver's side. Singh was ejected during the crash and pronounced dead at the scene by an Erick EMS paramedic.

Authorities noted that Singh was not wearing a seatbelt at the time of the crash. His condition before the crash was reported as "apparently normal," and the exact cause of the collision remains under investigation.

Mustang Man Wanted for Burglary After Stolen Vehicle Investigation

April 28, 2025 – Clinton, OK — A warrant has been issued for John Tipton Lyles, 32, of Mustang, following an investigation into a February burglary at a Clinton business.

According to court documents filed April 22 in Custer County, Lyles is accused of breaking into a building in the 300 block of E. Commerce Street and stealing a 2020 Polaris Ranger. The owner reported the theft on February 20 after noticing the vehicle missing from his shop.

Officers later recovered the stolen Polaris in Washita County, where deputies arrested Lyles. Authorities say Lyles was found with a backpack containing a check made out to him by the vehicle's owner — further tying him to the burglary.

As of press time, Lyles has not been arrested on the new charge. His bond is set at \$20,000, and a court date will be scheduled once he is in custody.

Canute Awarded Nearly \$700K in Route 66 Revitalization Grant

April 24, 2025 – Oklahoma City, OK – The Town of Canute has been awarded \$695,000 through the Oklahoma Route 66 Revitalization Grant Program, state officials confirmed Thursday morning during the Oklahoma Route 66 Commission's second quarter meeting.

The funding will support several restoration and beautification projects aimed at enhancing Canute's stretch of the Mother Road ahead of the Route 66 centennial celebration in 2026. Key projects include:

- Renovating the historic Village building into a tourism center and market for local artisans
- Restoring the iconic Cotton Boll lighted sign
- Cosmetic improvements to the town's vintage DX and Texaco service stations
- Resurfacing the Washita Motel sign

The grant is part of Oklahoma's \$6.6 million annual investment to preserve and promote Route 66 communities. With more than 400 miles of drivable Route 66—more than any other state—Oklahoma is set to lead the national celebration of the highway's 100th birthday.

Chaired by Lt. Gov. Matt Pinnell, the Oklahoma Route 66 Centennial Commission is spearheading the effort, coordinating statewide events and funding key preservation initiatives.

Canute's upgrades are expected to drive tourism and economic activity while honoring the town's deep ties to America's most famous highway.
