Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

So God Made a Farmer: Faith, Family, and a Few Good Burgers

by: Jerry Nine – Woodward, Okla.

I saw this post — So God made a farmer who planting time and harvest season will finish his 40 hour week by Tuesday noon and then from there on put in another 72 hours.

So God made a farmer. God had to have somebody willing to ride the ruts at double speed to get the hay ahead of the rain clouds and stop in mid-chore and race to help when he sees the first smoke from a neighbor's place.

It has to be somebody who would plow deep and straight and not cut corners. Somebody to seed, weed, feed, breed and rake and disc and plow and plant and shear the fleece and strain the milk and replenish the self-feeders and finish a hard week with a 5-mile drive to church. Somebody who would bail a family together with soft strong bonds of sharing, who would laugh and then sigh, and then reply with smiling eyes when his son says that he wants to spend his life doing what Dad does.

So God made a farmer.

The preacher said Sunday, “To much is given, much is expected,” and that doesn’t just mean money. God has blessed us with the highest cattle market we have ever seen. He has also blessed us with abundant rain—of which some on the eastern part of the state might say too much rain. But thankfully this past week the western part and the Panhandle of Oklahoma finally received good moisture too.

God may be telling some of us to help the poor, while He may be telling some of us to donate money, and for others, He may be telling us to donate our time.

Each one of us need to listen to what God is telling you. We have been blessed.

One of the younger cowboys at the breakfast table said to us, “You know who the best bosses are?”

We said, “Who,” and each one of us were thinking it was us.

He said, “The best boss is one that’s always gone.”

My eldest brother-in-law hires his nephews and their kids to come rope and drag his calves to work them. He said when they do, he always brings the crew rodeo for dinner. He said this time he took them to 12 hamburgers — most of them at the breakfast table thought he might have started with 12, but we are guessing he only got there with 6.

Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

“In Case You Missed It Last Week”

By Paragon News Director
Jared Atha

Recent Rainfall Brings Drought Relief to Western Oklahoma

May 8, 2025 – Norman, OK – After weeks of concern, recent rainfall has improved drought conditions in western Oklahoma. Storms between April 29 and May 6 brought 3 to over 8 inches of rain to Beckham, Roger Mills, Washita, and Custer counties, with the heaviest totals near the Beckham-Washita line. According to Mesonet data, this rainfall led to measurable improvements. The May 8 U.S. Drought Monitor shows a 1–2 class upgrade across much of the region, with some areas seeing drought classifications downgraded or removed entirely. Beckham and Roger Mills counties, once under moderate to severe drought, are now abnormally dry or drought-free. Washita and Custer counties also showed similar gains.

A 7-day rainfall map confirms this region received some of the highest totals in the state. However, with little rain expected through May 15, further improvement may slow without another round of storms. Mild temperatures in the 70s are expected this weekend, helping to preserve soil moisture. For farmers and ranchers, the recent rains provide timely relief heading into the growing season.

UPDATE: Governor Signs HB 1732, Granting Schools Broadcast Rights

May 8, 2025 –Oklahoma City, OK – Governor Kevin Stitt signed House Bill 1732 into law on Wednesday, May 7, 2025, officially granting Oklahoma public schools the authority to broadcast their own athletic events.

The bill, authored by Representative Anthony Moore (R-Clinton) and Senator Casey Murdock (R-Felt), with co-authors Representatives Cyndi Munson (D-Oklahoma City), Ty Burns (R-Morrison), Neil Hays (R-Checotah), Jared Deck (D-Norman), and Senator David Bullard (R-Durant), ensures schools can livestream or record athletic competitions without interference from outside media exclusivity contracts.

HB 1732 received unanimous support in both the House and the Senate, signaling strong bipartisan agreement on the importance of giving local schools more control over how they showcase their athletic programs.

An emergency clause in the bill sets the effective date as July 1, 2025. The legislation is expected to have no fiscal impact on the upcoming state budget.

Supporters say the new law empowers school districts to promote student athletes, generate local revenue, and better serve their communities.

Elk City Seniors Awarded Over \$2.4 Million in Scholarships at Brown and White Ceremony

May 12, 2025 – Elk City, OK – The 2025 graduating class of Elk City High School was celebrated last Wednesday during the annual Brown and White Ceremony, held inside the Pioneer Center. The event recognized students for their academic achievements, community involvement, and future plans—with a staggering total of over \$2.4 million in scholarships awarded.

More than 100 students received scholarships from local businesses, organizations, memorial foundations, and universities. The awards ranged from small local honors to full-ride college scholarships, with many students receiving multiple recognitions for their hard work and dedication.

Standout scholarships included those from local service clubs like Kiwanis and Lions Club, athletic boosters, church groups, and area banks. Colleges such as the University of Oklahoma, Oklahoma State University, and SWOSU also contributed substantial academic and leadership awards.

The Brown and White Ceremony is a longstanding tradition at Elk City High School, spotlighting the achievements of seniors before they take their next steps. With the Class of 2025 securing millions in support, their future looks bright.

Baccalaureate and Graduation events are scheduled for Sunday, May 18, 2025 — Baccalaureate at 2:00 p.m. and Graduation at 4:00 p.m.

Helping you deal with life's
curveballs since 1928

At Farmers®, we know life is full of tough pitches.

We've helped our customers through plenty since we started as a
small company in 1928. Come talk to Farmers. We've seen almost
everything, so we know how to cover almost anything. We're as
strong as ever and we're ready to help you keep safe at home (or first,
second, or third for that matter).

WOODS COUNTY LAND AUCTION

Wednesday, May 21st • 10 a.m.
Auction Location: From Waynoka, Go North on Highway 14 for 6.6 miles then West on Dewey Road for 5 miles.

This is a beautiful property with good grazing native grass and some love grass on the south end. There is a small wheat field on the south 80. On the north 80 there is an intermittent creek system running through with a water hole in a creek bed on the NE corner of the property. This area of the property is known for very good hunting. The east side has a flat grass field that could also be a hay field. This L shaped tract of land has good county road access on the east side with good exterior fencing. With good grazing, good hunting and close to town this tract of land checks all the boxes!

Sellers: Linda Sue Kelso & Heirs of Lizbeth Kay Elder

WOODWARD COUNTY LAND AUCTION

Wednesday, May 28th • 10 a.m.
Auction Location: Mutual Community Center, Mutual, OK.
Land Location: 1 mile east of Mutual on blacktop County Road 54

Selling 160+ acres! Currently in wheat, the farm maps show 151± acres of cropland with the balance in an old homestead and a grassed water way. This is good, dark soil with largely a Carey Silt Loam and 26% of the farm soil is a St. Paul Silt Loam. This land has blacktop county road frontage and county road on its west side. The location has easy access to Highway 270!

Sellers: Glenda A. & Charles L. McFadin Trust
