WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...  
Take a *pill* and *snooze* through your  
dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

Drs. Mori & Teri White  
practice cosmetic, implant  
and family dentistry at  
2802 8th Street,  
Woodward, OK 73801

Telephone 580-256-4301

## Pickup Problems, Porch Popsicles, and Cattle Market Truths

Sometimes on a new pickup for a farmer or cattleman, all these new gadgets can sure be frustrating. I know it’s a safety feature in case your wife is riding with you going 20 mph across the pasture chasing a cow in this new pickup with you cussing and her scared to death—and the fact she might decide it’s safer to jump out.

But when you can open your door so you can be ready to close the gate on the wild rip. No this time I’m talking about the cow.

And when you open the door the power ceases not getting you close enough to shut the gate. Or even backing up the pickup to hook up the trailer is fun when you open the door. Nope you have to close the door to go a little further back. Then I reach for the gear shift and have to be reminded for the 100th time that it’s not there—cause now I have a little circle knob to turn.

I suppose about the time I get used to it, I’ll

by: Jerry Nine – Woodward, Okla.

trade for another one that has the old gadgets or maybe some genius at the factory will invent something more wonderful.

I just saw a report that thought the new world screwworm will be in the US by fall. If that’s the case, maybe we should release the sterile flies on the border on the US side?

All I have to say about the cattle market—you better enjoy it while it is here. It appears that it should stay good for a couple years, but if you get to thinking that all you have to do is own them to make a lot of money, you will sooner or later learn a very valuable lesson. At least 2 times that stick out to me in my lifetime where people thought that, and both times several went broke.

My kids asked me what it was like growing up. So I grabbed their phones, turned off the Wi-Fi, took them outside, gave them popsicles, dusted off their bicycles, and told them to play outside until it was dark. Now they don’t want to know anything about when I was a kid

A wife went to the doctor with her husband. The doctor said “Your husband needs rest & peace.” He then prescribed sleeping pills. The wife said “what do I do when I give them to him?” The doctor then said, “they are not for him, they are for you.”

Editor’s note: The views expressed here are the author’s own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

## Three Charged in Forgery, Bank Fraud Scheme in Custer County

May 19, 2025 • Arapaho, OK — Charges were filed May 12 in Custer County District Court against three individuals accused of working together to pass forged checks and fraudulently withdraw money from a local bank.

Hunter Ray Erwin, 22, of Ft. Cobb, faces two felony charges: Forgery in the Second Degree and Conspiracy to Commit a Felony. His bond was set at \$15,000. Carlos Reyes, 48, and Kristy Van Allen, 50, both of Clinton, were each charged with Conspiracy to Commit a Felony. Van Allen also faces a Forgery in the Second Degree charge. Bond for both Reyes and Van Allen was set at \$10,000 each.

According to a probable cause affidavit, the investigation began March 11 when officers responded to Oklahoma Bank & Trust in Clinton for a fraud complaint. According to court documents, bank officials reported two suspicious deposits made into a new account opened by Erwin — checks totaling \$1,500 allegedly written from the account of an inmate incarcerated since 2024. Surveillance video and witness interviews led police to identify Van Allen and Reyes as participants. Van Allen was allegedly captured on video depositing the forged checks into Erwin’s account. She later withdrew the funds and reportedly gave \$100 to Erwin, who used the money to open the account.

During an interview with authorities, Erwin admitted he was recruited at a bar in Eakly by an unidentified man who offered him \$100 to open a bank account. He claimed he didn’t know the checks were fraudulent and was told to meet the man at Sonic in Clinton the next day to hand over the debit card. Reyes and Van Allen denied involvement when questioned. However, both were allegedly seen on bank surveillance footage and in a vehicle spotted near a residence tied to Erwin during the investigation.

Arrest warrants have been issued for all three individuals. If convicted, they each face up to 10 years in prison for the conspiracy charges and additional time for forgery.

## Roger Mills County Voters Overwhelmingly Approve Six-Year Sales Tax Extension

May 14, 2025 • Roger Mills County, OK – Voters in Roger Mills County have approved a six-year extension of a 1.5% county sales tax, with 90.4% voting in favor during Tuesday’s special election. The proposition passed with 226 votes for and only 24 against, according to the official results from all 9 precincts reporting. The measure ensures the continuation of essential funding for healthcare, emergency services, and county government operations beginning December 1, 2025, when the current tax was set to expire.

The 1.5% sales tax is divided among several key areas:

- **Roger Mills County Hospital Authority:** Receives 0.9¢ of every cent collected to support hospital operations and services.
- **Rural Fire Departments:** 0.125¢ goes toward general operation and capital improvement for the Cheyenne, Crawford, Hammon, Reydon, Strong City, and Berlin Fire Departments, with each department receiving 14.29% of that share.
- **Leedey and Sweetwater Fire Departments:** Collectively receive 7.13% of the funding for their departments.

County-Wide Government Services: 0.475¢ funds general operation and capital improvement across multiple county offices, including: **Senior Citizen Centers, Emergency Management, OSU Extension Office, Fair Board, Rural Economic Development, Sheriff’s Office, Treasurer, Assessor, Court Clerk, and County Clerk Offices, Election Board, Excise Board, and General Government Department, Highway-ST Fund for road materials**

County officials say the renewed tax is vital for maintaining the current level of services and infrastructure. Without it, departments would face deep budget cuts.

The result sends a strong message of support from local voters for continuing investments in public health, safety, and essential county operations.

## Main Street Construction Moves West May 21-22: What You Need to Know

May 12, 2025 • Elk City, OK – Elk City’s ongoing Main Street improvement project is reaching a new phase. On May 21st and 22nd (weather permitting), construction crews will shift work to the west side of Main Street. During this phase, Main Street between 5th and 3rd Streets will be open to northbound traffic only. Southbound traffic will be detoured via South Madison to 5th, then south back onto Main. Good news for downtown visitors—parking will remain available on the east side of Main from 5th to 3rd, right in front of businesses.

This multi-million dollar investment will overhaul Main Street from 3rd to 7th Streets. While the total project cost is \$11.5 million, Elk City taxpayers will only be responsible for \$1.7 million, thanks to state and federal support. City officials thank residents and business owners for their patience and remind everyone to drive carefully through construction zones.
