## Old Dogs, Hay Bales, and Cattle Tales

by: Jerry Nine – Woodward, Okla.

And this expert panel of farmers, ranchers, county workers and city folks said it was for both reasons. They are quick to give me, "You didn't ask for the right answer, you just have to act like you know the answer and say that answer loud with authority."

I was reading an article that said the January inventory report is the lowest number of cattle in the US since the numbers from 1948. The herd has fallen to the lowest in 80 years. And to the guys that struggle in math, that is 80 years.

And if you see this and auctioneering, you're still in school and you wonder why we are old, you're going to realize there are quite a few comments for those trying to get a laugh.

So last week at the sale a buyer who is slowing down a bit (I wouldn't say retired, but definitely not there as much as he used to be)—

So that day when he showed up, another buyer hollered, "Well good to see that you are coming out of retirement!" Then another buyer willingly said it where most of the other buyers could hear: "He said is he coming out of retirement or just coming out?"

Then another day at the sale there was a lady that had lease a little bit.

Came up to sit by me on a little bit.

I was telling a story about being old and said "Just consider me an old dog."

She said "Don't worry, you are right, you are just an old dog."

*Editor's note: The views expressed here are the author's own and do not represent the view of High Plains Journal. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

**Sedation Dentistry Calms Fears...**  
 Take a *pill* and *snooze* through your dental appointment.

**F**or many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

## Fatal ATV Crash Claims Life of 14-Year-Old Near Fort Cobb

May 28, 2025 • Caddo County, OK — A 14-year-old boy from Lookeba died Tuesday evening in an ATV crash near the intersection of County Road 1280 and County Street 2520, approximately three miles north and three miles west of Fort Cobb.

According to the Oklahoma Highway Patrol, the accident occurred at approximately 6:45 p.m. The juvenile male was operating a 2017 Polaris ATV northbound when the vehicle left the roadway to the right, rolled a quarter turn, and came to rest on its side. The young driver was partially ejected and became pinned under the ATV. He was transported by Carnegie EMS to Carnegie Tri-County Municipal Hospital, where he was pronounced deceased by hospital staff.

Officials report that the ATV was not equipped with seatbelts. Weather conditions at the time were dry and clear. The condition of the driver before the crash and the cause of the collision remain under investigation. The identity of the juvenile is being withheld due to age.

## Rep. Frank Lucas Seeks Applicants for U.S. Service Academy Nominations

May 29, 2025 • Washington D.C. — In a press release, Congressman Frank Lucas (OK-03) is encouraging high school seniors in his district to apply for a nomination to one of the nation's prestigious U.S. Service Academies. Each year, Lucas has the honor of nominating a select group of students to four of the five academies: **U.S. Military Academy (West Point, NY)**, **U.S. Naval Academy (Annapolis, MD)**, **U.S. Air Force Academy (Colorado Springs, CO)**, and **U.S. Merchant Marine Academy (Kings Point, NY)**

"These institutions offer top-tier education, rigorous physical training, and leadership development, all at no financial cost," said Rep. Lucas. "Graduates receive a Bachelor of Science degree and are commissioned as Second Lieutenants, with a required minimum of five years of military service."

Eligible applicants must be U.S. citizens between 17 and 22 years old, unmarried with no dependents, and meet academic, physical, and character standards. A congressional nomination is required for acceptance to most academies—something Rep. Lucas's office facilitates.

Students interested in this opportunity can find eligibility details and application instructions on Rep. Lucas's official website. For ongoing updates from the Congressman's office, residents can also subscribe to his monthly e-newsletter.

## Sales Tax Returns Rise Across Western Oklahoma; Elk City Leads the Way

May 29, 2025 • The Oklahoma Tax Commission's May 8 report of sales tax collections, reflecting business from March 16–31 and estimates from April 1–15, shows a strong upward trend for many western Oklahoma communities. In total, \$206.7 million in sales tax collections was reported by cities and towns statewide—an increase of \$4.6 million compared to May 2024. Cities and towns also collected \$40.5 million in use tax disbursements.

Elk City posted the largest annual boost, collecting \$1,367,391.57, up 7.74% from \$1,269,203.51 in 2024—a gain of nearly \$100,000. Clinton saw the largest percentage decline, dropping -5.73% to \$542,499.94, down from \$575,479.59. Weatherford saw modest growth, reporting \$1,043,770.70, up 0.68% from \$1,036,744.75.

By comparison, Altus followed with \$1,168,840.35, a 4.03% increase over last year's \$1,123,547.79.

Woodward, however, experienced a slight dip of -0.58%, receiving \$1,108,158.72, down from \$1,114,591.07.

In smaller communities:

- Sayre grew 11.92%, collecting \$161,341.36 compared to \$144,154.26 last year.
- Mangum rose 10.27%, pulling in \$51,867.47, up from \$47,036.24.
- Cordell slipped by -1.05%, with \$90,256.17 compared to \$91,209.52 in 2024.

In county collections, counties across Oklahoma shared in a \$34.6 million sales tax report and received an additional \$8.3 million in use taxes.

**RED FLAG WARNING ABOUT SCAMS**

**Red Flags for Scammers Targeting Sellers:**

1. Overpayment Offers – They send a check or money order for more than the asking price and ask for a refund of the difference. The check later bounces.
2. Too Eager to Buy – The buyer doesn't ask any questions, wants to buy unseen, or insists on immediate purchase/shipping.
3. Requests for Personal Info – Asking for your email and/or address before any legit interaction has occurred.
4. Third-Party Pickup or Courier – Claiming a "mover" or "agent" will pick up the item and pay you separately.
5. Out-of-Area or International Buyers – Unusual interest from faraway places for a local listing.

**Red Flags for Scammers Targeting Buyers:**

1. Too-Good-To-Be-True Pricing – Items like cars, electronics, or pets listed far below market value.
2. No Local Contact or Meeting Refusal – Seller won't meet in person or talk on the phone, insisting on email only.
3. Pressure to Pay Upfront – Being rushed to send money before seeing the item, often via wire services or gift cards.
4. Vague or Copied Ad Text – Poor grammar, generic descriptions, or multiple listings with identical wording.
5. Rental Scams – Listings for homes or apartments that aren't really available—often copied from other sites.
