WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

A calculator is still a good practical tool

by: Jerry Nine – Woodward, Okla.

sale the bidding and the auctioneer is going fast. I have been blessed with being able to figure quickly in my head. The other day I was buying for another man who told me the most dollars per head he wanted them to cost. I had previously written down on a card—a cheat sheet—with what I could give for every 20 pounds different and every time I was over that amount. My point is at \$5 a pound one extra bid and a few pounds more stacks up a lot of dollars.

My oldest son just turned 32 and I adopted him when he was 6 years old and if you don't think 26 years have gone fast then you are living a different lifestyle than I am. When I told my son happy birthday I also told him adopting my four boys was the smartest decision I ever made. There have been bumps in the road and problems, but I wouldn't trade it for \$30 million. If you have thought about adoption give it a chance. I have always been a sucker for the underdog and a lot of these kids just need someone to care.

The first week I took my oldest son to the sale at age 6 a buyer told me he looked at my son and thought, young man you don't have any idea how your life is fixing to change. For me, I say if my four boys get into heaven because I took them to church and got them started in that direction then my life has been successful.

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

At the cattle auction the other day from one of the buyers came the comment "I can't believe how much a head some people are giving for these calves."

My comment, "I promise you quite a few buyers don't know how much per head it is until they figure it out with their calculator." Now for some possession is the name of the game and think to themselves, "I simply got to have them whatever they cost." Most using that philosophy are thinking, "Well the last set or two worked when I thought they were high so get them."

One thing they better consider is the last set or two was at a lot lower dollar per head. Often in this business a lot of potential buyers—whether stockers or feeders—put their faith in what the next buyer thinks or sometimes they listen to the loudest so-called expert at the local convenience store.

The reason I say most don't know how much per head they are giving occurs because at the

It Broke His Little Heart

The Punt, Pass & Kick competition was a chance for young twin boys to compete on a football field like the grown-up players they dreamed of becoming. When they were 9 or 10 years old, they went to the Elk City High School Football stadium the Saturday of the competition to do their best. It was a great day for Nathan Brewer, who finished first in his age group. For Landry Brewer, it was a day of tragedy—there was no trophy for him. As the boys walked off the field, Landry was visibly upset. The boys' mother appealed to brotherly love to try to calm her disappointed son. "Aren't you happy for Nathan?" their mother asked. "No!" Landry replied with gusto. Nearly forty years later, it's a bitter memory for Landry, one that Nathan won't let him forget. It's the sort of thing the boys discuss on The Early Morning Show, weekdays from 7-8am on 96.5 KECO. Tune in to hear whether they'll ever put the bitterness behind them.

California Man Arrested in Custer County With 55 Pounds of Marijuana

August 25, 2025 • Clinton, OK — A California man is facing a felony drug trafficking charge after troopers reported finding more than 55 pounds of marijuana during a traffic stop in Custer County. According to court records, 41-year-old Yuanfeng Chen of Monterey Park, California, was arrested on Friday, August 15, after troopers stopped a silver Toyota bearing Oklahoma tags on U.S. Highway 183 near Interstate 40 in Clinton. The driver reportedly slammed on the brakes at a stop sign and later crossed the center line, prompting a traffic stop. Troopers said they smelled raw marijuana coming from the vehicle. A search of the car revealed four large trash bags in the trunk containing vacuum-sealed packages of marijuana, weighing about 55 pounds. Chen was arrested at the scene and booked into the Custer County Jail on a charge of Aggravated Trafficking in Illegal Drugs (Marijuana). Under Oklahoma law, the offense carries a possible prison sentence of up to 20 years and a fine ranging from \$25,000 to \$100,000.

Bond was set at \$100,000, and Chen is scheduled to appear in Custer County District Court on September 8.

Jim Loomis Honored with SWOSU Presidential Order of Merit

August 27, 2025 • Weatherford, OK – The Southwestern Oklahoma State University (SWOSU) Athletic Auction held Saturday, August 9, was also the stage for a special recognition.

Mr. Jim Loomis of Weatherford, a 1966 SWOSU alumnus, was presented with one of the university’s highest honors, the SWOSU Presidential Order of Merit.

SWOSU President the late Dr. John Hays established the Order in 2004—it is the highest honor in the personal gift of SWOSU’s chief executive. Induction into the Order is reserved for individuals who have shown outstanding achievement on the state, national or international level, in the arts, sciences, business, industry, the professions, sports, social service or public service. This recognition represents recognition of significant distinction that a member of the SWOSU family has attained.

Loomis’s deep roots at SWOSU span over six decades. A native of Woodward, Oklahoma, he enrolled at SWOSU in 1962 and was a member of the football team during his undergraduate years, graduating in 1966. After graduation, he spent six years coaching before returning to campus to serve as Director of the Physical Plant, a post he held for nearly 15 years.

His contributions go far beyond administration. Mr. Loomis served as the founding head coach of SWOSU’s men’s soccer program from 1999 to 2001, earning Lone Star Conference Coach of the Year honors in his final season. In his role as a contractor, he has been instrumental in building key SWOSU facilities, including the Pioneer Event Center, the Everett Dobson Golf Training Facility, the Hook-Loomis Strength & Conditioning Center, and the iconic Centennial Clock Tower as well as the new Hodge Center. For over a decade, he has also served on the SWOSU Athletic Alumni Association Board of Directors, making enduring contributions in both leadership and service.

“Jim Loomis is a part of the fabric of SWOSU,” said SWOSU President Dr. Diana R. Lovell. “His service is a shining example of the quality of alumni this university produces.”

Loomis is married to Jeanne and together they had two sons, Michael and Steven. Steven passed away in his teens. Michael is married to Cori Hook Loomis (daughter of Dr. Carl Hook, a 1967 SWOSU graduate & 2019 Distinguished Alumnus) and they also have three sons: Austin (a 2018 SWOSU graduate), Carter and Trevor. Jim also has two great grandchildren (Austin’s children – Ellie and Liam).

President Lovell’s selection of Jim Loomis for the Presidential Order of Merit honors not only his exceptional achievements across athletics, construction, coaching, and alumni engagement—but also his unwavering dedication to SWOSU’s mission and community.
