Lessons From a Hot Cattle Market

by: Jerry Nine – Woodward, Okla.

What a great cattle market we have now. This past week I sold some good steers that were black, red, and Charlois cross. The group that weighed 838 pounds and 902 both brought basically the same dollars per head, which is just under \$300 per head. The steers that I bought in these 2 bunches were bought a year ago, dry wintered, then short wheat, then on grass all summer. This is definitely once in a lifetime to advance cattle this much per head.

Never get to thinking that certain things have to happen in the cattle business according to numbers or charts or previous years, because sometimes outside factors change everything. If you don't believe that, just ask our Mexican rancher friends.

Forty years ago a friend was betting on pork bellies, and he had lots of contracts because he was convinced the market was going a certain direction. Guess what. It didn't. He about lost everything he had worked for all those years. I want to stay in the market and keep my numbers about the same. But I will be the first to tell you that some cattle are bringing more than I want to give. But I will also tell you that I thought cattle were too high all along, and those cattle made a lot of money.

Be sure and figure your taxes earlier this year so that you still have time to buy certain things instead of waiting too late and wishing you would have. Most cattlemen have had a very good year. I am very thankful for that.

A friend of mine who moved to our area

several years ago from Mississippi was headed back there to visit family. I asked him, how many hours does it take to get there? He said that it all depends on if my wife is with me, cause I am driving by myself I stop for gas only. But if she is with me, we stop at every little town to use the bathroom or purchase something that we just have to have before we get there.

It seems to me that Walmart wants me to put up my Christmas tree while eating Thanksgiving dinner and wearing my Halloween costume all at the same time.

I went in to see the doctor this week. He said, don't eat anything fatty. I said, like bacon and french fries? He said, "No fatty. Don't eat anything."

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

Cloud Chief firefighter retires after 20 years in service

October 9, 2025 • Cloud Chief, OK — Landon Jones has retired from the Cloud Chief Fire Department after 14 years with the department and 20 years in the fire service overall.

Jones joined Cloud Chief in

2011. Before that he served two years with the Mountain View Fire Department and four years with the Cordell Fire Department.

Cloud Chief assigns each firefighter a unique badge number that is retired when they leave.

Jones carried Badge No. 5, which now retires with him.

The department and the Cloud Chief community thanked Jones for his years of faithful service and wished him well in retirement.

Missing SWOSU student found deceased, one arrested

October 9, 2025 • Weatherford, OK — The Oklahoma State Bureau of Investigation says an 18-year-old Southwestern Oklahoma State University student reported missing last week has been found deceased, and another 18-year-old has been arrested.

SWOSU Police asked the OSBI on Oct. 5 to investigate the disappearance of student Logan Nathaniel Musil, who was reported missing the night of Sept. 30. OSBI special agents and local authorities conducted a multi-day search.

On Oct. 8, the OSBI, Murray County Sheriff's Office, Chickasaw Lighthouse Police Department, and the National Park Service searched a wooded area near Veteran's Lake in Sulphur. An adult male was located deceased and taken to the Office of the

Chief Medical Examiner, which positively identified the victim as Musil.

During the investigation, agents learned Musil had been in an altercation with Cameron Lewis, 18, prior to his death. Lewis was arrested Oct. 9 in Weatherford and booked into the Custer County Jail. Official charges will be determined by the United States Attorney's Office for the Western District of Oklahoma. The investigation is ongoing.

The OSBI thanked the SWOSU Police Department, Chickasaw Lighthouse Police Department, Murray County Sheriff's Office, and the National Park Service for their assistance.
