## A Scoop Full of Rain, Cattle, and Common Sense

by: Jerry Nine – Woodward, Okla.

What a grass year we have had this summer and even now we are a lot more green than normal. One rancher north of Quay told me that he had received 28 inches of rain in August. The man is in his 80's and he said, have never seen a year like this one.

On the cattle futures for October live cattle they were up 85 cents. But the rest is off. Live cattle contracts were up .02 of 1% 302.32 making April the highest month at 240.02 cwt. All feeder cattle contracts were up over .25 cwt for each month.

We still live in the greatest land of all but we have some evil people and then some that are just plain stupid. We have some people putting on the internet they help other people and people are killed. And we have others glamorizing socialism. I wish those people would move to a socialist country then maybe they could get a real taste of socialism.

If people promoting that don't scare you then you and I don't have much in common. I'm sure they don't want anything that's handed to them. The welfare department is one area that I would like to help write the rules to. Let you curb able bodied and to lazy to work them starve.

I heard a lot more talk at the sale barn about calves off the cow not getting sick. With Tuesday's high suppose to be 66 degrees and Saturday's high suppose to be 91 these swings in the temperature definitely don't help.

Had some little light weight long weaned thin yearling heifers that weighed 542 pounds going into the feedlot. They were 6 to 7 days

and graded 95.65% to choice and prime. 35% were CAB or Certified Angus Beef and netting 9.64 cwt over the market for the week. They were mixed, colored but must have had a few good ones on them.

My daughter told me there is a small get together at school tomorrow. I asked how small? She said, just you, me and the principal.

I usually don't brag about my finances but my credit card company calls me almost everyday to tell me my balance is outstanding.

When I see my wife in lingerie it means one of 3 things. Either the washer is broke or the dryer is broke or we are way behind in laundry.

*Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

## Clayton Hays Found Guilty of First-Degree Murder in 2024 Shooting

October 3, 2025 • Elk City, OK – A Beckham County jury has found Clayton Samson Hays guilty of first-degree murder in the January 2024 shooting death of Colter Jake Vaught. The verdict was delivered Friday, October 3, 2025, after a five-day trial in Beckham County District Court.

Jurors recommended a life sentence for Hays, 37, of Carter. A formal sentencing hearing is scheduled for mid-November.

The case stems from a shooting on January 11, 2024, near an oilfield business on South Merritt Road in Elk City. Court records show Hays told investigators he fired a 9mm handgun at Vaught, 42, during a confrontation at a stop sign. Hays claimed Vaught tried to enter his semi-truck and began striking him. Vaught was shot in the chest and died at the scene.

According to a probable cause affidavit, investigators noted no visible injuries on Hays consistent with his account of a physical struggle. The affidavit also detailed an ongoing feud between the two men. Just weeks earlier, authorities had responded to a verbal altercation between Hays and Vaught at the Vaught family home.

Hays was originally charged with first-degree manslaughter but prosecutors later pursued a first-degree murder charge.

While awaiting trial, Hays made headlines again in May 2024 when he was accused of desecrating a roadside memorial for Vaught. Court records show that Hays, who had been released on a \$500,000 bond in late March, was required to wear a GPS ankle monitor as part of his bond conditions.

According to an affidavit, witnesses reported seeing someone in a pickup stop at the memorial on May 16 and throw a white plastic bag at the base of the cross. The bag was later found to contain animal feces. GPS data allegedly placed Hays at the location at the time of the incident.

He was arrested the following day and booked back into the Beckham County Jail. In addition to the murder charge, Hays was also charged with outraging public decency. A bond hearing was scheduled to determine whether his bond would be revoked.

With Friday's guilty verdict, Hays now faces life in prison. His sentencing date has been set for mid-November.

This is a developing story.

## Gift Made to Murdock Family Scholarship Fund at SWOSU

October 3, 2025 • SWOSU Press Release

Weatherford, OK – Southwestern Oklahoma State University (SWOSU) in Weatherford has received another generous gift to the Murdock Family Scholarship Fund. The donation was made possible by the estate of the late John Milton Murdock, a 1967 SWOSU graduate. Established in 2006, the scholarship supports SWOSU students who are graduates of Hammon High School in Hammon, Oklahoma, and honors the legacy of Lloyd and Nora Murdock and their family.

Lloyd Murdock, born in 1907 in Arkansas, dedicated his life to education, teaching and serving as the Vocational Agriculture Instructor at Hammon Public Schools until his retirement in 1975. He and his wife, Nora, were deeply involved in the Hammon community and longtime members of the First Baptist Church. Nora worked as a cosmetologist in several western Oklahoma towns and continued her career until the age of 86 while raising three children—Linville Lee "Lin," John Milton "Johnny," and Lloyd Jr.

The Murdock family's impact continues at SWOSU through two endowments: the Murdock Family Scholarship Fund, benefiting Hammon graduates, and the Linville Lee "Lin" Murdock Memorial Scholarship Fund, which supports Kinesiology students. Both funds are managed by the SWOSU Foundation, Inc., a nonprofit organization that promotes philanthropy and student support.
