## A Century of Change in the Cattle Business

by: Jerry Nine – Woodward, Okla.

At most sales you guessed at the weight of the cattle you were buying and they weighed them afterwards. In early years you would see some buyers bump the side of a cow to see if pregnant that was often on a dairy or dairy cross cow but not always. Now you do not have to go to the sale, you can sit in your living room and buy more cattle than you can pay for.

For years penicillin and black leg were the only 2 vaccines. When I bought the livestock auction in Woodward most of the pens were 4 1/2 feet tall. We soon learned that wasn't tall enough.

Now most have a side by side or 4 wheeler to gather cattle or a pickup with a siren or horn.

With this many changes in the past 100 years it is hard to imagine what the next 20 years will bring let alone the next 100 years!

*Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.*

## Two women found safe in Kiowa County after multi-agency search

November 3, 2025 • Kiowa County, OK – Beckham County deputies helped locate two women who became lost in Kiowa County during last week’s first cold snap, according to Sheriff Derek Manning.

Manning said Kiowa County requested assistance after family reported the travelers, driving from Indiana to Texas, had gone missing and at least one woman was believed to have Alzheimer’s. “My dispatch captain

received a call for assistance from Kiowa County... they wanted her to try to ping a couple of phones,” Manning said.

Dispatchers were able to obtain a phone ping, but the devices had not activated “for a day or two,” which raised concern, he said. Beckham County also sent a drone and pilot to assist the search.

“They finally located the vehicle and the ladies were well and unharmed, about two miles

from where our dispatch captain pinged the phones,” Manning said, praising Kiowa County’s persistence. He added that cold weather, a reported fall, and dead phones heightened worry about hypothermia.

The vehicle was found in the lake area of Kiowa County, Manning said. “Good work on everybody involved... the sheriff down there did a great job staying after it and wasn’t going to give up until he found these ladies.”

## Lincoln Teen Center Aims to Reopen After Insurance Setback

November 3, 2025 • Elk City, OK – Just days after announcing the Lincoln Teen Center would close its doors permanently, longtime director Chuck Hargrove says there’s renewed hope for re-opening.

In a new Facebook post, Hargrove said efforts to reinstate the center’s liability insurance have made progress and that plans are underway to reopen within a few months. “Later this week I will post a list of needs, needed to get the Center open,” he wrote. “At that time I will thank the ones who have helped to get our insurance coverage re-instated. November 12 is a critical date! Pray God’s will over that date please!”

The Lincoln Teen Center, located in the former Lincoln School building at 1400 South Franklin,

has served as a safe, free hangout for Elk City youth for more than 25 years. Hargrove, who founded the center in 1999, announced its closure last week after the facility’s insurer canceled coverage due to the age of its electrical system.

Now, with the possibility of reopening, Hargrove expressed gratitude to supporters who have continued to give and encouraged donations for the coming year’s budget. “The people who have graciously given every year, we will accept your gift for next year’s budget—2026,” he said.

Donations to help the center reopen can be dropped off at Jerry’s Glass, Western Animal Hospital, First National Bank, and McArthur Family Clinic.

“I love my town,” Hargrove added. “Elk City is one of a kind.”

## Washita County Sheriff seeks donations for fallen officers monument

October 31, 2025 • Cordell, OK — The Washita County Sheriff’s Office is raising funds for a monument to honor county officers who died in the line of duty. The proposed memorial would stand in front of the Washita County Justice Center on North McClary Street in Cordell.

The goal is 15,700 dollars to cover engraving and installation.

How to donate:  
Send checks, money orders, or cashier’s checks to:

Washita County Justice Center,  
400 North McClary, Cordell, OK  
73632.

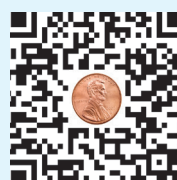

Note “Memorial” on the lower

left corner of the envelope and on the payment so funds are placed in the correct account.
