Fall Calf Health: Shots Matter

by: Jerry Nine – Woodward, Okla.

I feel very strongly about this, that next fall you will see a huge difference in the price of calves that have had 2 rounds of shots and the ones that have not. And black leg is a nice shot, but it is the least of my worries.

Every large cattle operator that I have talked to has had a lot of health problems starting calves this fall, with most having huge death loss with a lot of cronics left. One man told me last week he lost 5 calves off 85 cows and probably runs 70 cows. I told him I probably have 10 and don't know it, as several of my pastures have sage brush and areas that are hard to find a sick calf unless he happens to end up at the tank.

One cattleman told me he thought they were coming up with an implant that would give them a 2nd and 3rd round without running them through the chute again. I hope so. He also said he thought a lot of cows that are having calves now were given an antibiotic as a calf, so that same antibiotic isn't working well now on them, as that strand is immune to it. Most cattlemen have said in years past that by next year cattlemen will have forgotten the health trouble they had the year before. I don't think so this next year, as for most it's been a blood bath, and I don't like the taste of blood.

One man that starts a lot of calves and feeder cattle didn't agree with the philosophy that if a cow had had Draxxin or another antibiotic as a calf that the offspring of that female vaccinated could be resistant. All of us as

cattlemen often develop an opinion from the last disaster, and sometimes that's right, and sometimes we could do the same exact thing next year with different results.

One young boy said, "Mom, why do you want us to be close to God?" She said, "Because you are the only thing that I can take to Heaven with me." A friend of mine said a guy holding a sign that said "I'm hungry," but he was also holding a \$700.00 I Phone. My friend rolled down the window and said, "Why don't you turn the phone over and eat the apple off the back."

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

"In Case You Missed It Last Week"

By Paragon News Director Jared Atha

Beckham County Sees Light Holiday Crash Activity, Sheriff Manning Says

December 1, 2025 • Beckham County, OK – Beckham County roads stayed relatively calm over the Thanksgiving travel period, according to Sheriff Derek Manning.

Manning said that while his office monitored several wrecks in the area during the busy holiday stretch, none appeared to be serious. He noted that he typically receives immediate notice through GeoSafe if a major or fatal crash occurs.

"I usually pay pretty close attention on GeoSafe, and usually get notified if we have a serious fatality accident," Manning said. "But if there was anything like that, I didn't hear about it here

in Beckham County this Thanksgiving holiday."

He added that although a few crashes were reported, none showed signs of severe injury based on the information available to his office.

Statewide traffic data has not yet been released. Manning said officials typically receive a statewide crash summary following the holiday but had not seen those numbers yet.

Thanksgiving week is traditionally one of the busiest travel periods of the year, with the Tuesday and Wednesday before the holiday often ranking among the heaviest driving days in the United States.

SWOSU Foundation Names Four New Trustees

December 1, 2025 • SWOSU Press Release • Weatherford, OK – The Southwestern Oklahoma State University (SWOSU) Foundation, Incorporated (SWOSUF) has announced the accession of four SWOSU graduates to the organization's governing Board of Trustees.

The newest SWOSUF Trustees include:

- Brian Aneshansley of Clinton, SWOSU Class of 1998, assigned to the Development Committee and the Finance Committee

- Lisa Greenlee of Altus, SWOSU Classes of 1983 & 1987, assigned to the Governance Committee and the Scholarships & Grants Committee

- Steve Price of Marble Falls, Texas, SWOSU Class of 1983 and 2022 Distinguished Alumnus, assigned to the Development Committee, the Investment Committee, and the Property Committee

- Scott Stewart of Addison, Texas, SWOSU Class of 2011, assigned to the Audit Committee and the Development Committee

"We are delighted to welcome these outstanding SWOSU graduates to the governing board of our shared alma mater's chosen charitable partner," said Michael Hart of Edmond, '06, Chairman of the Board of Trustees. "The diverse experiences and skill-sets of Brian Aneshansley, Lisa Greenlee, Steve Price, and Scott Stewart will undoubtedly be an asset as the Foundation continues its work to strengthen SWOSU."

Aneshansley, Greenlee, Price, and Stewart will each serve a four-year term from November 2025 to November 2029.
