Cattle Market With Jerry Nine

by: Jerry Nine – Woodward, Okla.

This past week our area received a little bit of rain, mostly a quarter of an inch with a few people saying a little more. It may be green, the wheat up, but it won't last long. But if you live in my area you are most always in need of rain.

As far as the cattle market, I'm not surprised it is aggressive particularly with the profits we have seen these past 2 years but I am surprised that we are willing to buy cattle to put in the feedlot that will lose quite a bit of money if fat cattle stay at these levels. Right now the cow-calf man is in the driver's seat as long as he doesn't have to buy some extremely high bred cows or pairs to add to the herd.

This past week a friend sent me a text that said 348 at 745 bulls. I said, "Yeah I have seen quite a bit of that with bulls weighing 745 and bringing \$348.00 and bringing \$745.00. My response was, WOW! Either way you want to figure that it is \$2,592.60. I believe I will take the bull weighing 745. If you keep that small calf a year if you are like me then the interest on that calf is \$207.00.

The spread between choice beef and select is only \$2.41 cut. I'm not sure I have ever seen it that close. I guess that shows you that most everyone is putting lots of extra pounds on their fat cattle so there are lots of choices and prime. I have seen it a few times in my life here cows and bulls for slaughter were actually higher than fat cattle. Last week's calf and feeder cattle prices quoted in the cattle auctions were from \$5.00 to \$22.00, cut higher than the previous week.

Let the good times roll, that is until they don't.

A friend just sent me this quote. Making everyone happy is impossible. Making them mad is a piece of cake. I love cake.

A friend told me he texted his wife - I had a great time. I wish you were her. Whoops I better look before I send I didn't know on E was that important.

Another friend sent me a message that says "Friends are like boobs". There are big ones, small ones, real fakes, and fake ones.

When I was a kid Dads had 3-4 kids. Now kids have 3-4 Dads.

Deadline to Request Absentee Ballot for April 7th Election Approaches

March 2, 2026 • Cheyenne, OK – Voters in Roger Mills County who want absentee ballots mailed to them for the April 7th Reydon School District Board of Education General Election should apply now, County Election Board Secretary Kelly Tice said today.

Absentee ballots are available to all registered voters, provided they are eligible to vote in the election requested. No excuse is needed to vote by absentee ballot.

The deadline for requesting an absentee ballot is 5 p.m. Monday, March 23rd. Voters can submit a request using the OK Voter Portal at oklahoma.gov/elections/ovp. Request forms are also available at oklahoma.gov/elections and at the County Election Board office located at 500 E. Broadway Ave., Cheyenne, Ok.

Tice reminds voters to allow time for an absentee ballot to be received, completed, and returned by mail to the County Election Board. “With some

exceptions, all absentee ballot affidavits must be notarized before being returned. Voters should give themselves plenty of time to make sure all steps have been followed and that the ballot is returned on time in order to be counted,” Tice said.

Voters exempt from having an absentee ballot affidavit notarized include those who are physically incapacitated and those who care for physically incapacitated individuals that cannot be left alone. Voters who request a “physically incapacitated” ballot must have the signature on their absentee ballot affidavit witnessed by two people.

Military personnel and residents living overseas, along with their spouses and dependents are also eligible for certain allowances. Military personnel should contact the Voting Services Officer in their unit for an Absentee Ballot Application. Residents living overseas may obtain Absentee Ballot Applications from any United States military installation or United States Embassy

or Consulate. Military personnel and overseas citizens who are already registered voters in Oklahoma may apply for absentee ballots using the OK Voter Portal at oklahoma.gov/elections/ovp. Those who need to complete a new Voter Registration Application should apply through the Federal Voting Assistance Program at FVAP.gov.

All completed absentee ballots must be in the hands of the County Election Board no later than 7 p.m. on Election Day.

The Roger Mills County Election Board is located at 500 E. Broadway Ave., Cheyenne, Ok and is open from 8:00 a.m. to 2:00 p.m., Monday through Friday. For questions, please contact the Election Board at 833-638-7999 ex 7 or rogermillscounty@elections.ok.gov.

You can also find the Roger Mills County Election Board on Facebook at facebook.com/rmcelectionbd.

Lincoln Teen Center Donated to Elk City Schools

March 2, 2026 • Elk City, OK – The Lincoln Teen Center building in Elk City has officially been donated to the Elk City School District. The center’s leadership announced the transfer this week, marking a new chapter for the historic space that has served local youth since 1998.

The plan is to repurpose the building as a practice venue for the school’s wrestling and tennis programs. Leaders say the facility will offer students a place to train and grow for years to come.

“What began as a vision from God in 1998 has been an incredible journey,” the announcement read. Over more than two decades, the Lincoln Teen Center offered after-school activities, community events, and a safe hangout for teens in grades 6 through 12. The center grew out of a grassroots effort to provide positive programming and support for local youth.

Board members expressed deep gratitude to everyone who supported the center through the years.

“Nancy and I and the board would like to thank all the people who have supported this journey,” the statement continued. Leaders said they feel the same calling to donate to the school that inspired them to start the center. They noted that having students use the building long after they are gone “warms my heart.”

The nonprofit’s Facebook posts over the years highlighted fundraising efforts and community backing that kept the center running.

In addition to the building donation, there is currently an after-school program at the Arrowhead Center. The school district also operates an after-school feeding program.

The community remembers the Lincoln Teen Center not just as a place for recreation, but as a gathering spot that brought young people together for learning and fellowship.
