Run & Gun Cattle Market

by: Jerry Nine – Woodward, Okla.

The cattle market has been a run and gun market with most all stocker and feeder buyers evidently betting on a better market and even with cattle futures falling hard Thursday and Friday it didn't seem to have much effect even with some futures falling \$12.00 to \$14.00 cut in those 2 days. I wasn't surprised there were still lots of willing buyers but I was surprised the market stayed that good when we are at these high levels. However most feel that available stocker and feeder cattle for the next 2 or 3 months will be in short supply. And a lot of grass cattle still need to be bought and I hear a lot of farmers wanting to graze out their wheat instead of harvesting it with the low grain prices.

I asked several cattlemen what the drop in futures prices were Thursday and several said with the talk of shutting down or remodeling a couple of packing houses. Then Friday it seemed more talk of war with Saturday proving to be true. The packers are masters of manipulation but haven't been able to do as much these last 2 years with shorter supply of fat cattle and also increased demand.

Cows are in strong demand with a baby bull calf bringing \$1,100.00 which sounds high however keep him 3 months and he is worth \$2,000.00 and sometimes more. Quite a few people are feeding older thin cows and feeding them long enough they call them a white fat cow. The cattle market has been very good to a lot of us these past 2 years. I should be paying down on my debts some, but oh well I can die with debts just as easily as I can money and

guess what, they put us all in the same size box.

This past week my son along with 18 other semis and long trailers went to southeast Oklahoma to haul back donated bales of hay to fire victims. We are so blessed to live where people care. This week a friend and I were both eating breakfast together. We both had cowboy hats on. A lady sitting next to us said - "Is there a cowboy event in town?". We said, "no that's just the way we dress" and I said, "What are you here for?" The lady is probably 70 years old and good size. She said, "I'm here for wrestling". So my friend said, "Oh, are you wrestling in the adult division?" We all laughed, she said, "No it's my grandkids".

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

GOOD CATTLE OUGHT TO PAY THEIR WAY.

SINCE 1945

When Red Angus came from Scotland to America, the Beckton family started building a better cow for the hard country of Wyoming.

Sparse pasture. Tough winters. No room for weak cattle.

They kept the herd closed. No outside bulls. No shortcuts.

Eighty years later, the results are proven.

For 25+ years Red River Red Angus has bred Beckton cattle producing only one calf ever over 70 pounds at birth.

High percentage Choice and Prime carcasses.

Up to 30% savings on pasture, feed, and hay.

Same grass. Same ground. Beckton genetics.

Up to 60% more profit.

RED ANGUS

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
 Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

HELP WANTED

Okie Construction & Welding, LLC has (2) Positions we are looking to fill:

CDL Heavy Haul Truck Driver

Full-Time | Competitive Pay | Overtime Available

We are looking for a skilled, dependable CDL Class A Heavy Haul Driver who knows how to move iron safely and efficiently. This position supports active pipeline construction projects across Oklahoma, transporting heavy equipment, pipeline materials, and oversized/overweight loads to keep crews working and projects on schedule.

If you have lowboy experience, understand load securement, and take pride in running safe, legal, and on-time — we want to talk to you.

Job Responsibilities

- Haul heavy equipment and construction materials to and from job sites • Operate lowboy, step deck, and specialized heavy haul trailers • Safely load, chain, and secure equipment • Perform thorough pre-trip and post-trip inspections • Maintain logs and required DOT documentation • Work directly with field supervisors and equipment operators • Travel throughout Oklahoma (some out-of-town work possible) • Follow all company, DOT, and OSHA safety standards

What We're Looking For

Valid Class A CDL | Proven heavy haul/lowboy experience (pipeline or oilfield preferred) | Clean driving record | Strong knowledge of DOT regulations and load securement | Ability to work long hours when needed | Dependable, self-motivated, and safety-focused

Diesel Mechanic

Ready to put your diesel skills to work where they matter most? We're looking for a driven, safety-focused Diesel Mechanic to keep our fleet of crew trucks and heavy equipment running strong.

In this hands-on role, you'll diagnose and repair diesel engines, hydraulics, electrical and brake systems, perform preventative maintenance, respond to field service calls, and help keep operations moving safely and efficiently.

Requirements

- 3+ years of diesel mechanic experience (oil field preferred) • Strong diagnostic skills and ability to read schematics • Valid driver's license • Ability to lift up to 75 lbs and work outdoors in varying condition

What We Offer

Competitive hourly pay (DOE) | Overtime opportunities | A fast-paced, team-oriented environment where your skills make a real impact

If you're dependable, motivated, and ready for a challenging and rewarding opportunity — we want to hear from you!

Okie Construction & Welding LLC

“In Case You Missed It Last Week”

By Paragon News Director Jared Atha

Fires Being Investigated in Roger Mills County

March 10, 2026 • Roger Mills County, OK — Local firefighters responded Monday to three separate grass fires in Roger Mills County, with authorities saying evidence suggests the fires may have been intentionally set.

According to Roger Mills County Sheriff Darren Atha, local fire departments responded quickly and were able to knock down the dangerous grass fires before they spread further.

Sheriff’s Office personnel also responded to the scenes and searched the surrounding areas. During the investigation, officials observed evidence that suggests the fires may have been set inten-

tionally.

The fires were reported in three locations across the county:

- Near Coyote Hills Road and Highway 47
- East of Skipout Lake
- South of the Crawford turnoff and Highway 33

Authorities are asking for the public’s help. Anyone who may have seen suspicious activity or individuals in the areas around the fires is encouraged to contact the Roger Mills County Sheriff’s Office at 580-303-6048.

In a separate statement, the Reydon Volunteer Fire Department thanked several agencies that assisted in containing the

Black Kettle 65 Fire, including Crawford Volunteer Fire Department, Strong City Volunteer Fire Department, Cheyenne Volunteer Fire Department, Sweetwater Volunteer Fire Department, Berlin Volunteer Fire Department, Oklahoma Forestry Services, Roger Mills County Emergency Management, the Roger Mills County Sheriff’s Office, and Black Kettle firefighters.

Officials said the quick response and coordination among departments helped bring the fires under control. The investigation into the cause of the fires remains ongoing.

Michael Mendoza Announces Candidacy for Shamrock Mayor

March 9, 2026 • Shamrock, TX – Michael Mendoza has announced his candidacy for Mayor of Shamrock in the upcoming municipal election scheduled for May 2, 2026.

Mendoza, branch manager at BOC Bank and a 12 year resident of Shamrock, said he is running on a platform focused on collaborative leadership, community service, and long term planning for the city. The mayor’s seat will be open this year after current mayor Lynn Ramsey announced she will not seek re election.

In a press release announcing his campaign, Mendoza said he hopes to serve as a steady voice for citizens while helping guide the city through its council manager form of government.

“As mayor, I will work closely with our City Manager and Council members to ensure our city is handled with the same care I give to our customers’ accounts,” Mendoza said. “My experience at the bank has taught me how to manage risks and work with a team to get results.”

Mendoza previously managed the local grocery store for seven years and said his background in banking and business management has helped him develop skills in leadership, financial oversight, and long range planning.

He said he believes the mayor’s role in Shamrock is to help the city council set a clear and sustainable vision for the community’s future.

“In a council manager system, the mayor must be a

bridge builder,” Mendoza said.

Mendoza is also active in the community. He serves as a member of the Shamrock Volunteer Fire Department and participates in the Shamrock Sports Boosters, organizations he said help keep him connected to the needs of the community.

“As a dad to three kids, you’ll usually find me at a sporting event or a school function when I’m not at the bank or the fire station,” Mendoza said. “Shamrock is a tight knit community where you see the same friendly faces everywhere. Those connections are important to me and they’re exactly why I want to serve this town as mayor.”

Mendoza and his wife, Lauren, are raising their three children, Rylan, Penelope, and Kalli, in Shamrock. He said his goal is to help ensure the city remains a place where future generations will want to stay and build their lives.

“I’m not just asking for your vote,” Mendoza said. “I’m asking for the opportunity to represent your interests at City Hall. I’m ready to put my management experience to work for the town I love.”

Mendoza will face Kenneth Campbell in the race for mayor. Campbell previously announced his candidacy for the open seat earlier this year.

The Shamrock mayoral election will be held May 2, 2026.

REAL ESTATE AUCTION Wednesday, April 8th • 10 a.m.

50598 S. County Road 215 • Mutual, OK

A very well-kept older home on 40± acres of land with a 36' x 30' barn that has horse stalls and a loafing shed. The building has 3 stalls with outside access to the corrals. On the west side of the corrals is a fenced grass trap for livestock. Adjoining a large circle driveway is a 20' storage container with walk-in door. There are several trees in the beautiful homestead setting as well as fruit trees. The land is a mild rolling type terrain that could be planted to food plots or used for livestock grazing. Updates to the home in the last 2-3 years are: central H/A on the ground level, 2 new hot water heaters, new submersible pump and pressure tank in the water well, and a roof by Moore's Roofing.

Seller: Susan Fiene, Trustee
