For The Woman Who Raised Me

by: Jerry Nine – Woodward, Okla.

This past week I bought her some calves and wrote on the envelope her name and then put “my next wife”. Her Dad had a good sense of humor so he saw the envelope and sent a picture of what I wrote back to me on my phone. Then I responded, “Lucky you”. He said, “Could you throw in 25 bucks?”. I said, “What are her good traits?”. He said, “I will have to get back with you on that”. Then he said, “By the way, the feed pickup she drives doesn’t go with her”. I said, “Dang, that might blow the deal, but I thought I was moving there in fact we could move in with you”. He said, “Yeah, that thought will probably blow the deal”.

So I guess I am stuck here by myself?

Editor’s note: The views expressed here are the author’s own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family’s ranch near Slapout, Oklahoma.

Erick Man Injured in I-40 Rollover Crash in Beckham County

May 11, 2026 • Elk City, OK – A 50-year-old Erick man was injured Sunday evening in a rollover crash on Interstate 40 in Beckham County, according to the Oklahoma Highway Patrol.

The collision occurred at approximately 6:25 p.m. on westbound Interstate 40 near mile marker 32.5 in Beckham

County. Troopers said Jose M. Gonzalez Neri of Erick was driving westbound when, for an unknown reason, his vehicle departed the roadway to the left and rolled approximately four times before coming to rest upright on its wheels.

Gonzalez Neri was reported injured in the crash. No passen-

gers were in the vehicle at the time of the collision. Troopers noted that seat belts were in use.

The Oklahoma Highway Patrol stated next of kin had been notified. The cause of the collision remains under investigation.

Washita County Officers Honored at Oklahoma Law Enforcement Memorial

May 11, 2026 • Oklahoma City, OK – Two Washita County law enforcement officers were honored for their service and sacrifice during the 58th Annual Oklahoma Law Enforcement Memorial.

According to a post from the Washita County Sheriff’s Office, Deputy David Claude Hines and Detention Officer Steven Rozell were recognized during the ceremony. Both men will also be added to the National Law Enforcement Wall in Washington, D.C. during Police Week activities this year.

Deputy Hines became involved in a physical struggle with a mental patient inside the Washita

County Jail on October 13, 1932. After gaining control of the man, Hines reportedly collapsed from the exertion. He later died from apoplexy brought on by the encounter.

Detention Officer Steven Rozell died on August 29, 2021, from complications related to COVID-19 after contracting the virus while working during the pandemic.

The Washita County Sheriff’s Office said both men are being remembered and honored for their dedication and service to the community.

Main Street Lamp Posts Get Full-Metal Enhancement

May 11, 2026 • By Landry Brewer • Elk City, OK – It’s a banner day for downtown Elk City.

Several new pole-mounted metal banners adorn Main Street’s lamp posts between 3rd and 7th Streets, with more on the way.

“While they function similarly to traditional banners, these are designed to be more permanent, wind resistant, and longer lasting as an artistic streetscape feature,” said Elk City Sports Marketing & Promotions Director Marnie Tosh.

Banners featuring an elk, the

American flag, and the American Bison—Oklahoma’s state mammal—have already been mounted on some of the new Main Street lamp posts.

Two additional designs—the Scissor-tailed Flycatcher and Black Swallowtail butterfly—are being custom painted by Shannon’s Custom Paint and Body and will be installed when completed.

The Scissor-tailed Flycatcher is Oklahoma’s state bird, and the Black Swallowtail is the state butterfly.

“Each design reflects a broader story of Elk City and Oklahoma’s

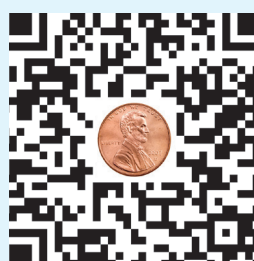

heritage, as well as a sense of patriotic pride,” Tosh said. “The goal was to create a cohesive, welcoming look that resonates with both residents and visitors.”

Tosh researched design options, and she and City leadership and staff collaboratively made the final design decisions.

All of the banners were cut from A36 carbon steel by Jason Kos, owner of K4T Machine Shop.

Because of their durability, the powder-coated metal banners are designed to be displayed year round.
