A Major Change for the Cattle Industry

by: Jerry Nine – Woodward, Okla.

The big news in the cattle industry is the closing of the Tyson slaughtering plant in Joslin, Illinois. This closing leaves 2,700 people without jobs on a single day notice. They will receive pay for 2 months. This plant opened in 1983 under the ownership of Iowa Beef Producers. Even though Tyson claimed that plant would lose \$365 million this year you might consider the annual gross profit for 2025 was \$3.562 billion for the whole company.

Yes fortunately for the cattle producers cattle have been a very good price for the past 2 or 3 years. One thing that caused cattle to get high was a huge drought starting in 2011 covering a lot of states! In July 2011 at Woodward, OK we sold 5,632 cows bulls and calves at one sale. We would often at that time sell 1,000 cows bulls and calves each week. And we had a huge calf and feeder sale. Fortunately by the next spring it started raining and rained enough to change our situation our situation for a lot better.

With Tyson closing that plant the cattle numbers are lower now but more than likely that facility being 43 years old needed a lot of updates and more than likely not as efficient as it needed to be.

We have been extremely dry not only in our area but over a large area. However on Monday some of our area received some nice rain. I received 2 ½ inches on one field and 10 miles

south received less than a tenth. But whatever I'm very thankful for any we can get. If you receive any be sure and tell God thank you.

Monday morning cattle futures were making a little rebound up in price after Friday falling south with the Tyson news.

A friend of mine and his wife have been married for 30 years. He said she often can't remember where she left her phone but she remembers what I said 5 years ago on Friday at 6:33 p.m.

This man asked me for a dollar. I told him I only carry big bills. He said give me one of them. So I gave him my electric bill.

My wife hasn't spoken to me for the last 4 days and I have no clue what I did. This is a shame because I'd like to do it again.

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward,

**NORTHWEST OKLAHOMA
LANDOWNERS**
Do You Know What Your Land
Is Worth in Today's Market?

FREE LAND EVALUATION

Land values can vary significantly base on:

- Soil Quality
- Grazing Capacity
- Mineral Activity
- Water Availability
- Hunting Potential
- Location & Access

Whether you're considering selling this year, planning for
retirement, settling an estate, or simply curious about current
market values, I can provide a confidential estimate based on
recent land sales and current market conditions.

I'm providing complimentary, no-obligation land value
assessments for property owners in Northwestern Oklahoma

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
Take a ***pill*** and ***snooze*** through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

KECO Open Raises \$9,000 for Red Knights, Dream League

August 17, 2026 - Elk City, OK – The 29th annual KECO Open continued its tradition of giving back to Western Oklahoma, raising \$9,000 for the Red Knights Motorcycle Club and the Dream League of Elk City.

The funds were formally presented to the Red Knights and accepted on Friday, Aug. 14. The Red Knights will direct the money to the Dream League, where it will help with field maintenance, equipment, parties, trips, construction projects and other needs benefiting Dream League athletes.

The 29th KECO Open was held June 26 and 27 at the Elk City Golf and Country Club. Money for the organizations was raised through several activities surrounding the tournament, including the Calcutta, food vendor donations, Putting Clock Challenge and other special events.

The Dream League provides baseball opportunities for individuals with special needs ages 3 and older. Games are played at the Dream League

Field at Ackley Park in Elk City, giving athletes the opportunity to play baseball, build friendships and enjoy the experience of being part of a team.

The Red Knights Motorcycle Club is made up of active and retired firefighters and their families. The organization has been a longtime supporter of the Dream League and other community projects across Western Oklahoma.

The KECO Open's partnership with the Red Knights has generated significant support over the years. Prior to this year's contribution, the tournament had donated more than \$70,000 to the Red Knights, with those funds helping the Dream League and other community projects throughout the region.

This year's \$9,000 contribution continues the KECO Open's mission of making the annual golf tournament about more than competition, using the event to support organizations serving families and communities throughout Western Oklahoma.

Sayre Family Loses Home in Early Morning Fire, Donations Sought

August 13, 2026 - Sayre, OK – A Sayre family of eight is receiving help from the community after losing their home and belongings in an early morning fire Thursday.

Sayre City Manager Ted Lawson said the fire was reported at approximately 5 a.m. at a home near the edge of town. Everyone inside was able to escape safely, and no injuries were reported.

By the time firefight-

ers arrived, Lawson said the double-wide mobile home was fully engulfed.

“There’s nothing left,” Lawson said. “They’ve lost everything.”

Sayre is served by a volunteer fire department, and Lawson said the home was already heavily involved by the time volunteers were able to respond.

The American Red Cross arrived Thursday morning to assist the

family with temporary housing following the fire.

Community members are now collecting clothing, shoes and other personal items for the family.

Clothing needs include youth sizes 4T, 6/7 and 14/16, as well as youth extra-small and small. Adult clothing sizes needed include small, medium, large, extra-large and 2XL shirts, along with size 32/34 jeans.

Shoes are needed in youth sizes 11 and 13. Adult shoe sizes needed include 7.5, 8.5 to 9, 9.5, 10 to 10.5 and 10.5.

Lawson said the family could use help with more than clothing as they begin recovering from the loss.

“They’re just needing anything that they can get,” Lawson said. “Clothes, shoes, personal items, stuff like that.”

Donations can be dropped off at 806 Hunter Lane in Sayre.

Arizona Man Killed in Four-Vehicle Crash West of Watonga

August 13, 2026 - Blaine County, OK – A 69-year-old Arizona man was killed Tuesday afternoon in a multi-vehicle collision at the intersection of State Highway 33 and U.S. Highway 270 in Blaine County.

According to the Oklahoma Highway Patrol, the crash occurred at approximately 4:25 p.m. August 11, about 14 miles west of Watonga.

OHP reported the 69-year-old Safford, Arizona man was stopped at a stop sign on SH-33 before entering the eastbound lane of US-270. His vehicle

was struck by an eastbound commercial motor vehicle driven by 37-year-old Brandon L. Beamon of Garden City, Kansas.

Following the initial collision, the Arizona man's vehicle struck a vehicle driven by 32-year-old Angelica Petty of Fay. Petty's vehicle then struck another vehicle driven by 45-year-old Andrea Renee Perkins of Fairview. Petty and Perkins had been westbound in the US-270 turn lane waiting to turn south onto SH-33.

OHP said Beamon's com-

mercial vehicle then departed the roadway to the left and struck two parked construction vehicles.

The Arizona man was injured and died as a result of the collision. His name was being withheld pending notification of next of kin at the time of the OHP report.

Petty was also reported injured. Beamon and Perkins were not injured. No passengers were involved in the crash.

OHP reported all four drivers were wearing seat belts.
