Cutting the Cost of Beef

by: Jerry Nine – Woodward, Okla.

I have not been on Facebook, but after the \$20 cut down fall in the cattle market plus President Trump came out after that and said in order to lower grocery prices for the America public we will import 300,000 metric tons of beef over the next 90 days. That amount is 330,000 tons of beef. I suggested to the President that instead of importing a lot of beef why doesn't the government put a \$5 per pound rebate on all beef purchased in the next 90 days. Then you do not penalize the U.S. cattleman and this still provides cheaper groceries for the American public. I do not have any political pull but for some of you cattle organizations, please try to get this idea to President Trump. I think it is a win for all of us. If you look for that on Facebook since my last name is Nine it would not take my name saying do not use a number. Well guess what I have been using a number every since I was born. And yes I had to get help setting up Facebook so it is listed as Rockin Eightandahalf. I live in a small town so I have jacked around with that name just trying to have a good time and often signing various bills like that.

We are approaching that fall time of the year when the temperatures often swing from hot to chilly. However so far it has forgotten to swing to chilly.

If you are a believer in God and even if you are not please pray for rain as we have a huge are that is dry.

For some of you cattlemen that live under a rock may get a surprise when you take your calves to the scale as right now you will get several hundred dollars per head less than last yera. But that can easily change too hopefully for the better not worse.

A lady at the gym asked me why I was just sitting on a stationary bike. I told her I was going downhill.

My wife and I were sitting on the porch drinking a beer. I said "Love you." The wife said is that you talking or the beer talking? I said that is me talking to the beer.

I walked up to a beautiful woman in Walmart and said will you talk to me for a little bit. I said cause I can't find my wife and everytime I get around a woman she shows up.

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

LOOKING FOR THE RIGHT DOG Looking to adopt or rehome a large adult male dog with a calm, easygoing temperament. Must be house-trained, low to moderate energy, good with other dogs, and gentle with a senior female dog. Looking for a dog that enjoys relaxing in the house and being a couch companion, but will also alert to visitors and provide a protective presence around the home. Breed is flexible. Rottweiler, Great Dane, Shepherd, Lab, Pyrenees or mixes considered. Temperament matters more than breed. Prefer an adult dog that is already past the puppy stage. No high-energy puppies. Burns Flat / Elk City area. Call or text: 580-660-6190. 4/38

Mt Cur X Ladner Black-mouth cur pups born 7/5 Hunting parents. Parents reg in different registries so pups can't be registered. Pics of papers on request. 4 females. Gritty pups. Brindle with white. Text or call 580-515-0992. 2/36

NORTHWEST OKLAHOMA LANDOWNERS
Do You Know What Your Land Is Worth in Today's Market?

FREE LAND EVALUATION

Land values can vary significantly base on:

- Soil Quality
- Grazing Capacity
- Mineral Activity
- Water Availability
- Hunting Potential
- Location & Access

Whether you're considering selling this year, planning for retirement, settling an estate, or simply curious about current market values, I can provide a confidential estimate based on recent land sales and current market conditions.

I'm providing complimentary, no-obligation land value assessments for property owners in Northwestern Oklahoma

Beckham County Rural Water District No. 1 Issues Mandatory Water Restrictions

August 27, 2026 - Beckham County, OK – Beckham County Rural Water District No. 1 has issued mandatory water restrictions for all customers due to ongoing drought conditions and a declining water table in the district's well field.

Under the restrictions, customers are prohibited from using

district water for agricultural spraying. Agricultural spraying may continue if water is obtained from another source, such as a private well.

The district is also prohibiting outside watering, including watering lawns and gardens and filling swimming pools.

Officials said the restrictions

are necessary because drought conditions have caused the water table in the district's well field to drop.

The restrictions are mandatory and apply to all Beckham County Rural Water District No. 1 customers until further notice.

Area FFA Chapters Receive PSO Foundation STEM Grants

August 28, 2026 Tulsa, OK – FFA chapters in Burns Flat-Dill, Carnegie, Mountain View-Gotebo, Weatherford, Navajo and Altus are among 16 Oklahoma chapters receiving STEM After-school Grants from the Public Service Company of Oklahoma Foundation for the 2026-27 school year.

The grants will support hands-on student projects involving science, technology, engineering and math, with an emphasis on their applications in agriculture. Projects funded through the program can include animal science, food safety, agricultural technology, school gardens, drone aviation and other STEM-related activities.

The PSO Foundation says the program is designed to encourage curiosity while helping students develop skills that can translate into future careers in agriculture and related industries.

“Opportunities like the PSO Foundation's STEM After-School Grants allow FFA students to take what they learn in the classroom and apply it to

real world challenges,” Oklahoma FFA Foundation Executive Director Jacey Fye said. “These grants give students the resources to explore new ideas, develop valuable skills and see how agriculture and STEM connect to the careers of the future.”

Each recipient chapter will be recognized during upcoming FFA Chapter Officer Leadership Training conferences. Five regional COLT events are scheduled for late August and September.

The STEM After-school Grant program is part of the PSO Foundation's effort to support academic achievement and workforce development across Oklahoma.

In addition to the western Oklahoma recipients, grants were awarded to FFA chapters in Bartlesville, Antlers, Hugo, Valliant, Wapanucka, Apache, Fletcher, Stigler, Wister, Wister-Howe and Newkirk.

Two Killed in I-40 Crash East of Hydro

August 31, 2026 - Caddo County, OK – Two Oklahoma City residents were killed and four others were injured in a two-vehicle crash Saturday afternoon on Interstate 40 in Caddo County.

According to the Oklahoma Highway Patrol, the collision occurred at approximately 3:32 p.m. Saturday, August 29, near mile marker 91, about five and a half miles east of Hydro.

OHP identified the driver of

one vehicle as 21-year-old Eric Miller of Burns Flat. Miller was injured in the crash. Two passengers in his vehicle were also injured. According to the collision report, seat belts were not in use by all occupants of the vehicle.

The second vehicle was driven by 73-year-old Jean Giles of Oklahoma City. Giles was injured in the collision and died as a result of the crash.

A passenger in the vehicle,

75-year-old Gregory Giles of Oklahoma City, was also killed. OHP reported that both occupants of the second vehicle were wearing seat belts.

Both lanes of westbound I-40 were closed for approximately four and a half hours due to the wreck.

The cause of the collision remains under investigation by the Oklahoma Highway Patrol. Next of kin have been notified.

The Eakly Cornerstone Church has a free clothes closet on the 3rd Saturday of each month from 9:00 to noon. Everything is free. The church is located at 107 Church Street in Eakly. We also have a blessing box outside the church that stays stocked with food and daily essentials. The blessing box is open at all times. If anyone wants to donate to either, don't hesitate to get in touch with us. We hope to help people in our community who are in need. May God bless each of you in a special way. 53/38

WHITE DENTAL CARE

Drs. Mori & Teri White, DDS

Sedation Dentistry Calms Fears...
 Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.
