Cattle Supply Gets Tighter

by: Jerry Nine – Woodward, Okla.

This past week the cattle on feed numbers came out with total on feed at 100.7% with the estimate at 101.8%. The placement figure was 90.87% with the estimate expected was 97.3%. I knew the cattle auctions were showing light numbers of feeders being sold. I thought part of that being cattlemen were not going to get their first cost back so they were holding them. Or perhaps they were sending them to the feed lot directly for that reason. But with the low placement numbers on the feed report didn't seem to be the case. O the third reason was the feeder numbers are simply not out there as much as normal. Also the marketed fat cattle was 96.2%. It is very nice to see a report that shows all 3 categories that much better. That placement figure was the lowest since the series began in 1996. Interestingly enough packers came out on Saturday bidding \$226.00 cut on fat cattle. A few cattle were traded at that level, but most passed. That's interesting I thought the packers played golf on Saturday, I had no idea they worked that day.

Our area and lots of other areas need moisture bad. We have several chances this week. A farmer and rancher has no chance of surviving without adequate moisture. With that thought in mind I don't know how you can be a farmer or a rancher and not believe in God. Otherwise I guess you just cling to luck. And I can tell you about my luck. I went to the casino this past weekend and let's just say they didn't have to escort me out of

the casino for fear of someone trying to get my cash.

I was at the quick stop this morning trying to drink a gallon of coffee to get my motor going. And one ole cowboy said he married one of the Lee girls. We said really? He said there were 2 sisters, one was Ugh Lee and the other was Home Lee. And all of you that know me realize I just don't like that type of humor.

Another man said if your wife is unhappy then you are definitely unhappy. And if your wife is unhappy for too long you will be unhappy with half your stuff.

Editor's note: The views expressed here are the author's own and do not represent the view of The Penny News. Jerry Nine, Woodward, Oklahoma, is a lifetime cattleman who grew up on his family's ranch near Slapout, Oklahoma.

SWOSU to Host Randy L. Beutler Building Dedication on October 29

September 21, 2026 - Weatherford, OK – On Thursday, October 29, Southwestern Oklahoma State University (SWOSU) and the SWOSU Foundation, Inc. will jointly host a reception celebrating the renaming of the former Chemistry, Pharmacy, & Physics (CPP) Building as the Randy L. Beutler Building (RLB).

The facility name change was formally approved by SWOSU's governing body, the Regional University System of Oklahoma (RUSO) Board of Regents, on November 6, 2025. The name change was necessitated by the relocation of the SWOSU College of Pharmacy from the former CPP to the new Jerry & Margaret Hodge Center for Pharmacy & Rural Health (Hodge Center).

Randy Beutler is a 1983 and 2003 alumnus of SWOSU who earned a Juris Doctor in 2011. Beutler spent nearly a decade teaching History and Government in Oklahoma's public schools and was twice elected “Teacher of the Year” by his fellow educators. He was elected to the Oklahoma House of Representatives in

1992 where he served four terms and was elected Majority Whip before joining the staff of Oklahoma Governor Brad Henry as a Senior Advisor and head of legislative affairs. Following four years of service as SWOSU's Vice President for Public Policy, Beutler began his tenure as SWOSU's 17th President in 2010. During his presidency, SWOSU marked its largest-ever building project and secured its largest-ever charitable gift. He helped forge new partnerships with technology centers and public schools that helped expand SWOSU's reach and impact and he led the institution through challenges including the 2020 COVID-19 pandemic and lockdown before his retirement in July 2021. Beutler is the third longest-serving president in SWOSU history. In 2023, Beutler received SWOSU's highest honor: induction into the SWOSU Distinguished Alumni Hall of Fame.

The dedication reception will take place in the RLB from 4:00-5:00 p.m. on Thursday, October 29 in conjunction with the activities of the 2026

SWOSU Homecoming Week. Registration is required and may be completed by visiting <https://swosufoundation.com/beutler-building-dedication/> or by contacting Ms. Kari Jones at kari.jones@swosu.edu, 580-774-3289. Parking and venue information will be provided to registrants.

“We are thrilled to dedicate the Randy L. Beutler Building here at SWOSU,” said SWOSU President Dr. Joel Kendall. “President Beutler left a lasting, positive mark on his alma mater and continues to be an involved and generous part of the SWOSU community. He played a pivotal role in the establishment of SWOSU's Hodge Center as the new home of the SWOSU College of Pharmacy, and all of us who served with him here on the Hilltop are delighted to be able to celebrate the renaming of our former Chemistry, Pharmacy, & Physics Building in Dr. Beutler's honor.”

For more information, please contact Ms. Kari Jones at kari.jones@swosu.edu, 580-774-3289.

“Come Together” with Friends and Family at Elk City's Museum Complex

September 21, 2026 - Elk City, OK – Follow the Fab Four's example, and “Come Together” with friends and family at Elk City's museum complex. In recognition of the September 26 anniversary of the 1969 release of “Abbey Road,” the last album recorded by the Beatles, the museum complex wants to remind you about all the pop culture items on display there.

Of course, with 18 buildings on the complex grounds, there's “Something” for everyone to enjoy.

Visitors can experience a drive-in movie theater from the back seat of a red 1959 Impala and watch movie clips from “The Blob” while listening to it on actual drive-in speakers attached to the car.

There's even a 1955 pink Cadillac that you'd have to be a “Mean Mr. Mustard” not to love.

The National Route 66 Museum also lets you walk through all eight states where the Mother Road stretches, from Illinois to California.

You'll feel like the “Sun King” while viewing

murals and vignettes depicting the road's eras and the quirky roadside attractions that made it so famous.

There's also a brand-new Polaroid photography exhibition, “The Polaroid Man,” by Mark A. Paylor. “Each Polaroid features an individual from a town along Route 66, showcasing the people who make up the heart of Route 66,” said museum curator Anna Wray.

Plus, you'll see some cool vintage automobiles, including a 1973 Stingray Corvette and a 1962 Studebaker Hawk. “Because” nothing's cooler than cool classic cars.

“Polythene Pam” agrees.

There's even an airplane suspended from the ceiling near some classic motorcycles, including a yellow one so bright that you'll say, “Here Comes the Sun.”

Like John, Paul, George, and Ringo, you'll enjoy the Elk City museum complex experience from the beginning to “The End.”

Sedation Dentistry Calms Fears...

Take a *pill* and *snooze* through your dental appointment.

For many Americans, going to the dentist is a frightful event. If you are one of the 145 million people who avoid the dentist due to fear, we have the solution... Sedation Dentistry.

You can now experience your dental appointment through a totally relaxed and comfortable environment. With the help of Sedation Dentistry, you will wake up to find that your dental appointment is over and the restorations have been completed painlessly.

For those with a busy schedule, we can accomplish more dentistry in one appointment which means fewer visits to the dentist.

Sedation Dentistry is available for everything from simple restoration to the most complex procedures. We are very sensitive to our patients needs, especially those with high fear and apprehension. Now we can put an end to anxiety with this safe and wonderful technique of sedation.

We are proud to be able to offer Sedation Dentistry and offer hope to those who have been avoiding the dentist due to fear. If you would like to know more, call our team with your questions.

PUBLIC AUCTION

Sheriff's Sale

**160 ± ACRES
WASHITA CO
GRASSLAND**

WEDNESDAY, SEPTEMBER 30, 2026 – 10:00 am

AUCTION LOCATION: From Hwy 152 & Hwy 54 South towards Gotebo, go South 5 miles to the NW corner of the farm (CR2320 borders most of the West side)

Legal Description: Surface and surface rights only: The NW/4 of 36-9N-16 WIM, less and except a dedication deed of 0.85 acres MOL, to the State of Oklahoma recorded in book 256 page 83 of the county records, Washita Co, OK

About The Farm: This is a nice grass farm that lies just off Hwy 54 in the Cloud Chief and Lake Valley area. The water source for the farm is a creek that has not been dry. There are a lot of good shade trees to provide protection for cattle and excellent hunting opportunities. The farm is accessed by good all weather roads. This would make a nice addition to anyone's cattle operation. The farm also offers excellent hunting opportunities. Anyone looking for a good grass farm in this area will want to be with us on sale day! The sale location is at the farm.

Terms: Cash or certified funds equal to 10% of the amount bid for the real property deposited with the Court Clerk of Washita Co. Oklahoma within 24 hrs of the sale, excluding Sundays and legal holidays, with the balance in cash or certified funds before confirmation at public auction to the highest and best bidder. Possession of the real property will be Nov 2, 2026, subject to the Confirmation of the Court of this sale in Case No. CV-2026-03.

NORTHWEST OKLAHOMA LANDOWNERS

Do You Know What Your Land Is Worth in Today's Market?

FREE LAND EVALUATION

Land values can vary significantly base on:

- Soil Quality
- Grazing Capacity
- Mineral Activity
- Water Availability
- Hunting Potential
- Location & Access

Whether you're considering selling this year, planning for retirement, settling an estate, or simply curious about current market values, I can provide a confidential estimate based on recent land sales and current market conditions.

I'm providing complimentary, no-obligation land value assessments for property owners in Northwestern Oklahoma
